

Master Trail Steward Trail Training Course

Course offered through Shawnee Community College and sponsored by Shawnee National Forest and U of I Extension.

Certificate awarded upon completion.
Looks great on a resume!

Course includes a combination of hands-on workdays, tool rehabilitation practice, backcountry living skills instruction, teambuilding skills, environmental education, and the chance to lead your own volunteer workday project!

Duration is fall 2008 through spring 2009 on Saturdays, except for the backcountry living and working experience to be held during the spring semester.

Get the experience you need to become a volunteer trail project leader or to supplement your job training.

**Contact the Murphysboro Work
Center for more information at 618-687-1731.**

Locations will be at various wilderness sites throughout the Shawnee and at the Murphysboro Work Center and Anna U of I Extension office.

CPDUs available for teachers!
