3 DR. HAMMER: Good morning. I'd like to welcome
4 everyone to the beginning part of the Antiviral Products
5 Advisory Committee meeting.

6 This first session, if you will, is an open
7 session by the regulations. So, I am just calling this
8 open session to order. As part of that, I actually would
9 just like to go around the room and have the committee
10 members, agency representatives, and guests introduce
11 themselves. Dr. Jolson?

12 DR. JOLSON: I'm Heidi Jolson. I'm the
13 Director of the Division of Antiviral Drug Products.

14 DR. FLEISCHER: Russ Fleischer, clinical
15 reviewer in the Division of Antiviral Drug Products.

16 DR. DIAZ: Pamela Diaz, Chicago Department of
17 Public Health.

18 DR. YOGEV: Ram Yogev, Children's Memorial
19 Hospital, Chicago.

20 DR. WOOLSON: Robert Woolson, University of
21 Iowa.

22 MS. STOVER: Rhonda Stover, FDA.

23 DR. HAMMER: Scott Hammer, Columbia.

24 DR. MASUR: Henry Masur, Intramural Program,
25 NIH.

1 DR. WONG: Brian Wong, Yale University.

2 DR. GULICK: Trip Gulick, Cornell.

3 DR. KUMAR: Princy Kumar, Georgetown

4 University.

5 DR. MATHEWS: Chris Mathews, UC San Diego.

6 DR. CHESNEY: Joan Chesney, the University of
7 Tennessee, Memphis.

8 DR. WATCHA: Meb Watcha, Department of
9 Anesthesiology, Children's Hospital of Philadelphia.

10 DR. ROTHSTEIN: Peter Rothstein, Babies and
11 Children's Hospital, Columbia Presbyterian Medical Center.

12 DR. HAMMER: Thank you.

13 As part of the open session, we need to have a
14 period for an open public hearing. So, I will just ask --
15 there is no one signed up for this -- is there anyone in
16 the audience who wishes to make a public statement?

17 (No response.)

18 DR. HAMMER: If not, we will close the open
19 public session and I will move to close the open session.

20 (Whereupon, at 8:33 a.m., the committee was
21 recessed, to reconvene in closed session, this same day.)
