SUPPLEMENTARY INFORMATION: The Advisory Committee on Student Financial Assistance is established under Section 491 of the Higher Education Act of 1965 as amended by Public Law 100-50 (20 U.S.C. 1098). The Advisory Committee serves as an independent source of advice and counsel to the Congress and the Secretary of Education on student financial aid policy. Since its inception, the Committee has been charged with providing technical expertise with regard to systems of need analysis and application forms, making recommendations that result in the maintenance of access to postsecondary education for low- and middle-income students; conducting a study of institutional lending in the Stafford

Student Loan Program; assisting with activities related in 1992 reauthorization of the Higher Education Act of 1965; conducting a third-year evaluation of the Ford Federal Direct Loan Program (FDLP) and the Federal Family Education Loan Program (FFELP) under the Omnibus Budget Reconciliation Act (OBRA) of 1993; and assisting Congress with the 1998 reauthorization of the Higher Education Act.

The recongressional mandate requires the Advisory Committee to conduct objective, nonpartisan, and independent analyses on important aspects of the student assistance programs under Title IV of the Higher Education Act. The Committee traditionally approaches its work from a set of fundamental goals: promoting program integrity, eliminating or avoiding program complexity, integrating delivery across the Title IV programs, and minimizing burden on students and institutions.

Reauthorization of the Higher Education Act has provided the Advisory Committee with a significantly expanded agenda in six major areas, such as Performance-based Organization (PBO); Modernization; Technology; Simplification of Law and Regulation; Distance Education; and Early Information and Needs Assessment. In each of these areas, Congress has asked the Committee to: monitor progress toward implementing the Amendments of 1998; conduct independent, objective assessments; and make recommendations for improvement to the Congress and the Secretary. Each of these responsibilities flows logically from and effectively implements one or more of the Committee's original statutory functions and purposes.

The proposed agenda includes: (a) approval of the Committee's fiscal year 2002 plans; and (b) elections. Space is limited and you are encouraged to contact the Advisory Committee staff through the Internet at ADV.COMSFA@ed.gov no later than Tuesday, September 25, 2001, if you wish to participate. Also, you may contact the Advisory Committee staff at (202) 708-7439.

The Advisory Committee will meet in Washington, DC via teleconference on Wednesday, September 26, 2001, from 3 p.m. until approximately 4:30 p.m.

Records are kept of all Committee proceedings, and are available for public inspection at the Office of the Advisory Committee on Student Financial Assistance, Portals Building, 1280 Maryland Avenue, SW., Suite 601, Washington, DC from the hours of 9 a.m. to 5:30 p.m. weekdays, except Federal holidays.

Dated: September 19, 2001.

Brian K. Fitzgerald,
