Comments should be sent to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Corporation for National and Community Service, Office of Information and Regulatory Affairs (OIRA), Room 10235, Washington, D.C. 20503, (202) 395-6466, within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Description: The AmeriCorps Promise Fellows program supports a leadership cadre of AmeriCorps members spearheading community efforts to provide young people with five basic promises:

- Caring adults in their lives as parents, mentors, tutors, and coaches;
- Safe places with structured activities in which to learn and grow;
- A healthy start;
- An effective education that equips them with marketable skills; and
- An opportunity to give back to communities through their own service.

The AmeriCorps Promise Fellows Continuation Application Instructions provide the requirements, instructions and forms that current grantees of the program need to complete an

application to the Corporation for continued funding.

The Corporation seeks public comment on the forms, the instructions for the forms, and the instructions for the narrative portion of these continuation application instructions.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 11, 2000.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management, Office of the Chief Information Officer, publishes that notice containing

proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: June 6, 2000.

Type of Review: New.

Title: Assessing Literacy Models in the Boston Public Schools.

Frequency: Semi-Annually.

Affected Public: Not-for-profit institutions; Individuals or households.

Reporting and Recordkeeping Hour Burden: Responses: 873; Burden Hours: 2,055.

Abstract: Funding has been granted to carry out an evaluation of four literacy models currently implemented in the Boston Public Schools. The purpose of the evaluation will be to gather information about the strengths and weaknesses of these models across all domains of literacy and for all types of students. The data collected from sixteen schools and approximately 800 students over a two-year period will inform practice in the school district and nationwide through dissemination in professional publications.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, or should be addressed to Vivian Reese, Department of Education, 400 Maryland Avenue, SW, Room 5624, Regional Office Building 3, Washington, D.C. 20202-4651. Requests may also be electronically mailed to the internet address OCIO_IMG_Issues@ed.gov or

faxed to 202-708-9346. Please specify the complete title of the information collection when making your request. Comments regarding burden and/or the collection activity requirements should be directed to Jacqueline Montague at (202) 708-5359 or via her internet address Jackie_Montague@ed.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

DEPARTMENT OF ENERGY

[Dockets No. EA-181-A and EA-182-A]

Application to Export Electric Energy; H.Q. Energy Services (U.S.) Inc.

AGENCY: Office of Fossil Energy, DOE.
ACTION: Notice of Application.

SUMMARY: Under two separate applications, H.Q. Energy Services (U.S.) Inc. (HQUS) has applied for renewal of its authority to transmit electric energy from the United States to Mexico and from the United States to Canada pursuant to section 202(e) of the Federal Power Act.

DATES: Comments, protests or requests to intervene must be submitted on or before July 12, 2000.

ADDRESSES: Comments, protests or requests to intervene should be addressed as follows: Office of Coal & Power Im/Ex (FE-27), Office of Fossil Energy, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585-0350 (FAX 202-287-5736).

FOR FURTHER INFORMATION CONTACT: Steven Mintz (Program Office) 202-586-9506 or Michael Skinker (Program Attorney) 202-586-2793.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated and require authorization under section 202(e) of the Federal Power Act (FPA) (16 U.S.C. 824a(e)).

On July 16, 1998, the Office of Fossil Energy (FE) of the Department of Energy (DOE) authorized HQUS to transmit electric energy from the United States to Mexico using the international electric transmission facilities of San Diego Gas and Electric Company, El Paso Electric Company, Central Power and Light Company, and Comision Federal de Electricidad, the national utility of Mexico. That two-year authorization (Order EA-181) will expire on July 16, 2000.

On August 21, 1998, FE authorized HQUS to transmit electric energy from the United States to Canada using the international electric transmission facilities owned by Basin Electric Power Cooperative, Bonneville Power Administration, Citizens Utilities, Detroit Edison Company, Eastern Maine Electric Cooperative, Fraser Paper Limited, Joint Owners of the Highgate Project, Long Sault, Inc., Maine Electric Power Company, Maine Public Service Company, Minnesota Power, Inc., Minnkota Power Cooperative, New York Power Authority, Niagara Mohawk Power Corporation, Northern States Power, Vermont Electric Transmission Company and Washington Water Power. That two-year authorization (Order EA-182) will expire on August 21, 2000.

On May 16, 2000, HQUS filed two applications with FE for renewal of both of the above export authorizations and requested that the authorization for each be issued for a 5-year term.

DOE notes that the circumstances described in these applications are virtually identical to those for which export authority had previously been granted in FE Order EA-181 and FE Order EA-182. Consequently, DOE believes that it has adequately satisfied its responsibilities under the National Environmental Policy Act of 1969 through the documentation of a categorical exclusion in the FE Docket EA-181 and FE Docket EA-182 proceedings.

Procedural Matters

Any person desiring to become a party to this proceeding or to be heard by filing comments or protests to these applications should file a petition to intervene, comment or protest at the address provided above in accordance with §§ 385.211 or 385.214 of the FERC's Rules of Practice and Procedures (18 CFR 385.211, 385.214). Fifteen copies of each petition and protest should be filed with the DOE on or before the date listed above.

Comments on the HQUS application to export electric energy to Mexico should be clearly marked with Docket EA-181-A. Comments on the HQUS application to export electric energy to Canada should be clearly marked with Docket EA-182-A. Additional copies are to be filed directly with Pierre F. de Ravel d'Esclapon, H. Liza Moses, LeBoeuf, Lamb, Greene & MacRae, L.L.P., 125 West 55th Street, New York, New York 10019-5389.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above or by accessing the Fossil Energy Home Page at <http://www.fe.doe.gov>.

Upon reaching the Fossil Energy Home page, select "Electricity", then "Pending Proceedings" from the options menus.

Issued in Washington, D.C., on June 6, 2000.

Anthony J. Como,

Deputy Director, Electric Power Regulation, Office of Coal & Power Im/Ex, Office of Coal & Power Systems, Office of Fossil Energy.

Federal Energy Regulatory Commission

[Docket No. ER00-2299-000]

Consumers Energy Company; Notice of Issuance of Order

June 6, 2000.

Consumers Energy Company (Consumers Energy) submitted for filing a rate schedule under which Consumers Energy will engage in wholesale electric power and energy transactions as a marketer. Consumers Energy also requested waiver of various Commission regulations. In particular, Consumers Energy requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Consumers Energy.

On June 1, 2000, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Consumers Energy should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, Consumers Energy is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Consumers Energy, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.
