V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are from 34 CFR 75.210 and 34 CFR 386.20 and are listed in the application package.

2. *Review and Selection Process:* Additional factors we consider in selecting an application for an award are the geographical distribution of projects in each Rehabilitation Training program category throughout the country (see 34 CFR 385.33(a)); and, the past performance of the applicant in carrying out similar training activities under previously awarded grants, as indicated by factors such as compliance with grant conditions, soundness of programmatic and financial management practices, and attainment of established project objectives (see 34 CFR 385.33(b)).

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The

GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals. The Rehabilitation Long-Term Training program is designed to provide academic training in areas of personnel shortages.

The goal of the Rehabilitation Services Administration's (RSA) Rehabilitation Long-Term Training program is to increase the number of qualified vocational rehabilitation personnel working in State vocational rehabilitation agencies or related agencies. Seventy-five percent of all grant funds must be used for direct payment of student scholarships. Each grantee is required to track students receiving scholarships and must maintain information on the cumulative support granted to RSA scholars, scholar-debt in years, program completion data for each scholar, dates each scholar's work begins and is completed to meet his or her payback agreement, current home address, and the place of employment of individual scholars.

Grantees are required to report annually to RSA on these data using the RSA Grantee Reporting Form, OMB# 1820-0617, an electronic reporting system. The RSA Grantee Reporting Form collects specific data regarding the number of RSA scholars entering the rehabilitation workforce, in what rehabilitation field, and in what type of employment (e.g. State agency, nonprofit service provider, or practice group). This form allows RSA to measure results against the goal of increasing the number of qualified vocational rehabilitation personnel working in State vocational rehabilitation agencies or related agencies.

DEPARTMENT OF EDUCATION

Arbitration Panel Decision Under the Randolph-Sheppard Act

AGENCY: Department of Education.

ACTION: Notice of arbitration panel decision under the Randolph-Sheppard Act.

SUMMARY: The Department gives notice that on October 10, 2003, an arbitration panel rendered a decision in the matter of *Faye Autry v. Kentucky Department for the Blind* (Docket No. R-S/00-5). This panel was convened by the U.S. Department of Education, under 20 U.S.C. 107d-1(a), after the Department received a complaint filed by the petitioner, Faye Autry.

FOR FURTHER INFORMATION CONTACT: You may obtain a copy of the full text of the arbitration panel decision from Suzette

E. Haynes, U.S. Department of Education, 400 Maryland Avenue, SW., room 5022, Potomac Center Plaza, Washington, DC 20202-2800. Telephone: (202) 245-7374. If you use a telecommunications device for the deaf (TDD), you may call the Federal Relay Service (FRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed in the preceding paragraph.

SUPPLEMENTARY INFORMATION: Under section 6(c) of the Randolph-Sheppard Act (the Act), 20 U.S.C. 107d-2(c), the Secretary publishes in the **Federal Register** a synopsis of each arbitration panel decision affecting the administration of vending facilities on Federal and other property.

Background

This dispute concerns the alleged improper denial of Ms. Faye Autry's bid request to transfer to another facility under the Kentucky Department for the Blind's transfer and promotion policies, in violation of the Act (20 U.S.C. 107 *et seq.*), the implementing regulations in 34 CFR part 395, and State rules and regulations.

A summary of the facts is as follows: In January 1999 the Kentucky Department for the Blind, the State licensing agency (SLA), notified vendors of an opening to provide food services at the Fort Knox Military Base in Fort Knox, Kentucky.

On February 26, 1999, the SLA was awarded the food service contract. Prior to receiving the food service contract, the SLA's Upward Mobility Selection Committee (the Committee) interviewed and rated each of the six finalists including Ms. Autry (complainant). The SLA used criteria established by the SLA's rules and regulations governing the transfer and promotion of vendors in the Kentucky Business Enterprise Program (BEP).

On February 9, 1999, the Committee discussed the applicants and made its recommendation to the SLA's Director of BEP. The Director, who participated in the February 9th discussions, concurred with the Committee's recommendation, awarding the vending facility management position at Fort Knox to a vendor other than Ms. Autry.

Following the Committee's decision, complainant requested a State fair hearing based upon her dissatisfaction with the Committee's choice of another vendor. At complainant's request, a fair hearing on this matter was held on May 12, 13, and 27, June 4 and 25, and July 15, 1999. In a decision dated February

14, 2000, the hearing officer ruled that Ms. Autry failed to demonstrate that the Committee and the SLA improperly applied State rules and regulations governing transfer and promotion in this case.

On March 20, 2000, the SLA informed complainant it had adopted the hearing officer's decision as final agency action. Complainant sought review by a Federal arbitration panel of that decision.

Arbitration Panel Decision

The issue heard by the panel was whether the Kentucky Department for the Blind violated the Act, 20 U.S.C. 107 *et seq.*, the implementing regulations in 34 CFR part 395, and its own rules and regulations in allegedly improperly denying complainant's bid on the vending facility at the Fort Knox Military Base.

After reviewing all of the records and hearing testimony of witnesses, the majority of the panel ruled that the SLA acted properly and in full and fair compliance with the Act, implementing regulations, and State rules and regulations. Therefore, the panel denied complainant's grievance.

The views and opinions expressed by the panel do not necessarily represent the views and opinions of the U.S. Department of Education.

AGENCY: U.S. Department of Energy.
ACTION: Notice and request for OMB review and comment.

SUMMARY: The Department of Energy (DOE) has submitted to the Office of Management and Budget (OMB) for clearance, a proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995.
