Directory of State Agencies

Listed below are the agencies responsible for administering the SSIG, Paul Douglas Teacher Scholarship, and the Robert C. Byrd Honors Scholarship programs in each state, along with a contact person for each agency. The SSIG agency is listed first, the Douglas agency (in states where the Douglas program operates) is listed second, and the Byrd agency is listed third. In many of the states, the SSIG and Douglas programs are administered by the same agency, while the Byrd program is administered by either the State Education Agency (SEA) or by a different agency. The contact for each agency is usually the program official, designated as such with a "(P)" in front of his or her name. When there is no program official, the official listed will be the senior agency official. That person will be designated as such with an "(A)" in front of his or her name. Individual students should contact the financial aid administrator at their schools to resolve any eligibility issues. Financial aid administrators may use the contacts on the following pages to resolve any other programmatic or technical issues that come up.
