Note: Many incident characteristics were unaffected or minimally affected by changes in methodology in the 2006 National Crime Victimization Survey.

However, caution should be used in comparing 2006 rates of individual variables, particularly those with small sample sizes, to previous years. See Criminal Victimization, 2006, at <a href="http://www.ojp.usdoj.gov/bjs/abstract/cv06.htm">http://www.ojp.usdoj.gov/bjs/abstract/cv06.htm</a>.

Detail may not add to total shown because of rounding.

Some respondents may have cited more than one reason for reporting victimizations to the police. \*Estimate is based on 10 or fewer sample cases. a/Includes verbal threats of rape and threats of sexual assault.
