Note: Due to changes in methodology, the 2006 national crime victimization rates are not comparable to previous years and cannot be used for yearly trend comparisons. However, the overall patterns of victimization at the national level can be examined. See *Criminal Victimization, 2006*, at <<http://www.ojp.usdoj.gov/bjs/abstract/cv06.htm>>.

Note: Detail may not add to total shown because of rounding.

Excludes data on families whose income level was not ascertained and data on persons of "Other" races and persons indicating two or more races.
