Guided Backpacking Trips

A wide range of options exist for guided hiking at Grand Canyon National Park. Please contact the companies directly regarding cost and services provided. All companies are authorized to guide overnight hikes within the park. In addition, all guides are registered with the park and possess at a minimum a Wilderness First Responder and CPR certificate.

Grand Canyon Field Institute

If you would like to join a guided hiking and/or camping trip that is educational in nature; consider the Grand Canyon Field Institute (GCFI). GCFI works with the National Park Service to provide multi-day learning events that complement the park's own interpretive programming. GCFI is the educational arm of the Grand Canyon Association, a non-profit organization established in 1932 to support education, research, and other programs for the benefit of Grand Canyon National Park and its visitors.
