

# Life Sciences Researchers Receive 2004 Federal Laboratory Consortium Award for Excellence in Technology Transfer

**Thomas Thundat, Zhiyu (Jerry) Hu, and Russ Miller (Office of Technology Transfer) received one of 4 Federal Laboratory Consortium Awards received by ORNL staff for Excellence in Technology Transfer. They were recognized for their work on Microcantilever-Based Biosensors.**

**These biosensors are used in the diagnosis of disease, cancer and cardiac markers; high throughput drug screening; and exposure to chemical and bio-warfare agents.**
