

Abstract: ED proposes to survey local Title I directors and representatives of private-school organizations in their districts. The purpose of the survey is to determine how changes in Chapter 1/ Title I legislation has affected (1) the number of private-school students receiving Title I services; (2) consultation between public-school and private-school administrators; and (3) the educational services provided to private-school students. ED will use this information to prepare mandated reports to Congress and to provide effective technical assistance and information to state and local education agencies providing Title I services to private-school students.
