DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before October 2, 2000.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB.

Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6)

reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Type of Review: New.

Title: Evaluation of the Public Charter Schools Program, Data Collection Clearance Package: Year 2 and Year 3 Submission.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs; Federal Government.

Reporting and Recordkeeping Hour Burden: Responses: 3,590; Burden Hours: 2,390.

Abstract: The evaluation of the Public Charter Schools Program (PCSP) is the first national study of federal support for charter schools. The contractor, SRI International, will gather data on charter school policies and practices at the state, charter school authorizer, and charter school levels. The study examines the use of PCSP funds at these levels, assesses the impact of flexibility provisions in states' charter school legislation, and assesses the effect of charter schools on student performance. Respondents include federal PCSP staff, state charter school coordinators, representatives of charter school authorizing agencies, charter schools, and parents.

Federal Energy Regulatory Commission

[Docket No. CP00-408-000]

Columbia Gas Transmission Corporation; Notice of Application

July 28, 2000.

Take notice that on July 19, 2000, Columbia Gas Transmission Corporation (Columbia), 12801 Fair Lakes Parkway, Fairfax, Virginia 22030-0146, filed a request with the Commission in Docket No. CP00-408-000 pursuant to Section 7(c) of the Natural Gas Act (NGA) for authorization to construct, install, and operate a 4,000 horsepower (HP) compressor unit at Columbia's existing Kenova Compressor Station in Wayne County, West Virginia, all as more fully set forth in the application which is open to the public for inspection. This application may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Columbia proposes to construct, install, and operate a 4,000 HP compressor unit at the Kenova Compressor Station to accommodate increasing receipts of natural gas from local producers upstream of the compressor station. Columbia states that Columbia Natural Resources Inc. (CNR), the operator of gathering lines upstream of the Kenova Compressor Station, would make a contribution in aid of construction to Columbia of 100 percent of the construction cost, estimated at \$3,227,000.

Any person desiring to be heard or to make any protest with reference to said application should on or before August 18, 2000, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. Any questions regarding the application should be directed to Fredric J. George, Attorney, Columbia Gas Transmission Corporation, P.O. Box 1273, Charleston, West Virginia 25325-1273, (304) 357-2359.
