Abstract: The Department is requesting an extension of the approval for the Generic Application Package that numerous ED discretionary grant programs use to provide to applicants the forms and information needed to apply for new grants under those grant program competitions. The Department will use this Generic Application Package for discretionary grant programs that: (1) Only use the standard ED or Federal-wide grant application forms that have been cleared separately through OMB and (2) only use selection criteria chosen from the menu of criteria in 34 CFR 75.210 of the Education Department General Administrative Regulations (EDGAR); statutory selection criteria or a combination of EDGAR and statutory selection criteria. The use of the standard ED grant application forms and the use of EDGAR and/or statutory selection criteria promotes the standardization and streamlining of ED discretionary grant application packages.
