*** To access the data, click on the address below, and choose "[Data and Related Documentation](#)" for the range of years needed (either 1997-2006 or 1969-1996). Then, pick the desired year, and click on "Data Release". When you reach the "File Download" window, choose SAVE, and follow the directions in the README.TXT file to run the .EXE file and extract the .DAT file for that year.
