**LIBRARY OF CONGRESS TRUST FUND BOARD
ANNUAL REPORT
FOR THE FISCAL YEAR ENDING
SEPTEMBER 30, 2001**

INTRODUCTION

The Library of Congress Trust Fund Board, established in 1925, accepts gifts (other than gifts for immediate disbursement) and oversees the investment of those gifts (trust funds) for the benefit of the Library's collections and services. The Board establishes investment policy, and the Library of Congress implements procedures to carry out that policy. The Board's investment policy is market-based and necessarily varies depending upon the terms of the individual trust funds and the restrictions on principal and earnings.

Annually, the Library of Congress reports on the financial position of the Trust Funds. This annual report for fiscal year 2001 is comprised of four sections:

1. Overview - Background information on the Trust Fund Board and discussion of the financial information
2. Financial Statements - Combined Financial Statements and accompanying notes
3. Supplemental Schedules - Financial information relating to each trust fund
4. Other Supplemental Financial Information - Financial data in graphics.

I. OVERVIEW

The Library of Congress Trust Fund Board

The Library of Congress Trust Fund Board Act of March 3, 1925, as amended (2 U.S.C. 154-163), created the Library of Congress Trust Fund Board, a quasi-corporation with perpetual succession. The Board has the usual powers of trustees, including the authority to:

- ▶ "accept, receive, hold, and administer such gifts, bequests, or devises of property for the benefit of, or in connection with the Library, its collections, or its service, as may be approved by the Board and by the Joint Committee on the Library;"
- ▶ "invest, reinvest, or retain investments" after being receipted for by the Secretary of the Treasury;

- ▶ deposit trust funds "with the Treasurer of the United States as a permanent loan to the United States Treasury, and the Treasurer shall thereafter credit such deposit with interest at a rate which is the higher of the rate of 4 per cent per annum or a rate which is 0.25 percentage points less than a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding long-term marketable obligations of the United States;" and
- ▶ "adopt rules and regulations in regard to its procedure and the conduct of its business."

Public Law 102-246, approved February 18, 1992, expanded the size of the Trust Fund Board from five members to thirteen members. Public Law 106-481, approved November 9, 2000, further expanded the size of the Trust Fund Board from thirteen members to fourteen members. In addition to four ex-officio individuals, Board membership consists of two appointed by the President, four appointed by the House of Representatives, and four appointed by the Senate. As of September 30, 2001, all fourteen Board positions were filled.

A. Ex-Officio Members

The Honorable Vernon Ehlers, Representative from Michigan, Chairman, Joint Committee on the Library

The Honorable Christopher Dodd, Senator from Connecticut, Vice Chairman, Joint Committee on the Library

The Honorable Paul O'Neill, Secretary of the Treasury
Represented by: Mr. Donald V. Hammond, Fiscal Assistant Secretary, Department of the Treasury

Dr. James H. Billington, Librarian of Congress and Chairman, Library of Congress Trust Fund Board

B. Presidential Appointees

Mr. Najeeb Halaby (term expires August 2005)
Mrs. Cecille Pulitzer (term expires March 2003)

C. Senate Appointees

Mr. John W. Kluge (term expires March 2003)
Ms. Julie Finley (term expired June 2001; agreed to serve an additional year or until the Senate appoints a replacement)
Mr. Bernard Rapoport (term expires March 2002)

Mr. Leo Hindery, Jr. (term expires June 2005)

In June 2001, Leo J. Hindery, Jr., of New York was appointed a member of the Library of Congress Trust Fund Board, for a term of 4 years.

D. House of Representatives Appointees

Mr. Edwin L. Cox (term expires March 2004)

Mr. Wayne L. Berman (term expires December 2001)

Mr. Donald G. Jones (term expires October 2002)

Mr. John Henry (term expires December 2003)

At the Trust Fund Board meeting on October 5, 2000, the following resolutions were approved:

1. A resolution to accept the Vanguard Institutional Index Fund for the Vanguard 500 Index Fund.
2. A resolution to accept a pledge of \$500,000 from the Naomi and Nehemiah Cohen Foundation to establish the The Naomi and Nehemiah Cohen Foundation Trust Fund. The new trust fund creates a permanent endowment that will support the Library's Hebraic Section at the Library of Congress.
3. A resolution for ratification of the Board's poll votes to establish four new funds: (1) the Henry Reed Fund for Folk Artists; (2) the Verna and Irving Fine Fund; (3) the Cary and Ann Maguire Fund to support a Chair in Ethics and American History; and (4) the John W. Kluge Center Fund.

Investment Policy

At the Board's February 1997 meeting, a resolution was approved to implement and use a total return investment methodology as part of the Board's investment policy for growth and income investments and to adopt an investment policy which provides operational guidance to Trust Fund Board (TFB) members and Library of Congress Staff involved in the management and development of Library of Congress Trust Funds. The overall objectives of the Trust Fund Board's investment policy are to support trust fund activities by: (1) providing flexibility to have either a stable, growing stream of payouts (from income and capital appreciation) for current and future expenditures or, irregular payouts necessary for certain program requirements; (2) providing for the liquidity of investments to make payouts; and (3) maintaining the "purchasing power" of endowment trust funds. The Library encourages donors to include language in the gift instrument that authorizes the Trust Fund Board to invest the gifts in accordance with the Board's investment policy.

Discussion and Analysis of Financial Information

1. Statement of Financial Position

During fiscal year 2001, the TFB's assets decreased from \$135.4 million to \$116.5 million. The decrease is attributed to a \$19.5 million unrealized loss on non-Treasury investments offset by other normal realized gains. The overall decline in the U. S. stock market is consistent with the decrease in TFB assets.

As of September 30, 2001, there were 98 separate Library of Congress Trust funds (including the G. M. Hubbard Fund) with a combined total net assets of \$116.5 million, an increase of five funds. (There were 15 additional funds maintained for reporting requirements because several Funds have multiple specific purposes.) The Trust Fund Board also received a 50 percent share (\$165,882) of the annual income of the Archer M. Huntington Fund (market value of \$5.4 million) held and managed by the Bank of New York.

2. Statement of Activities

The Trust Fund Board's revenues totaled \$71.6 million for fiscal year 2001 including \$67.5 million in new gifts, donations, bequests and grants, \$0.3 million of miscellaneous revenue, and \$1.1 million in investment income. The significant increase in new gifts, donations, bequests and grants resulted from the acceptance of the John Kluge donation by the Trust Fund Board in fiscal year 2001.

After subtracting trust fund expenses of \$7.9 million, the operating change was a positive \$63.4 million for fiscal year 2001. An unrealized loss of \$22.2 million was recognized on stock mutual funds held during fiscal year 2001. Total expenses decreased 34.3 percent, as compared to fiscal year 2000. Six funds – the James Madison National Council, the National Digital Library, the Kluge Center, Swann, Whittall, and McKim – accounted for \$6.4 million or 81.6 percent of all expenses.

Major contributions (including pledges) to the Trust Fund Board during fiscal year 2001 were:

- ▶ John W. Kluge Center Endowment - \$60,000,000
- ▶ James Madison National Council - \$2,271,502

- ▶ Cary and Ann Maguire Chair Endowment - \$1,737,738
- ▶ Verna & Irving Fine Endowment - \$931,273
- ▶ Paul Rudolph Trust - \$650,000
- ▶ Cohen Foundation Endowment - \$500,000
- ▶ Gershwin, Ira & Leonore Trust - \$439,478
- ▶ National Digital Library - \$427,245

During fiscal year 2001, the TFB accepted five new trust funds: the Henry Reed Endowment, Kluge Center Endowment, Maguire Chair Endowment, Verna & Irving Fine Endowment, and Cohen Foundation Endowment.

3. Financial Information by Fund

Each trust fund is considered a separate entity and supplemental schedules in Section 3 present the financial position and results of operations for each fund, as well as budgetary fund balance data for restricted, obligated, and available funds.

The Statement of Financial Position by Fund, Schedule A, presents the net assets by Fund, where they are invested and the liabilities for each fund as of the end of the fiscal year 2001. Schedule B presents the restricted and unrestricted status and the amounts obligated and available at the end of fiscal year 2001. Schedule C is a detailed listing of the Funds invested in the permanent loan with the U. S. Treasury at September 30, 2001, and the increases and decreases in the balances during the fiscal year 2001.

The Statement of Activities by Fund, Schedule D, presents the fiscal year 2001 excess revenues over expenses and transfers in detail for each Fund. Schedule E presents the revenues by category for each Fund. Schedule F is the expenses for each Fund.

The accompanying notes are an integral part of these statements.

**LIBRARY OF CONGRESS TRUST FUND BOARD
NOTES TO THE COMBINED FINANCIAL STATEMENTS
FISCAL YEAR ENDED SEPTEMBER 30, 2001**

Note 1. Reporting Entity

In 1909, the Library of Congress received its first bequest. Because the Library was not empowered to accept gifts of money, the bequest was accepted by an Act of Congress (Public Law (37 Stat. 319-20) on August 20, 1912. This first bequest was from Mrs. Gertrude Hubbard to benefit the Gardiner Greene Hubbard Collection.

In 1924, the Librarian of Congress requested authority to accept future gifts and bequests of money. The following year, the Congress created the Library of Congress Trust Fund Board (2 U.S.C. 154-163 et seq.) as a quasi-corporation with perpetual succession and all the usual powers of a trustee, including the power to "invest, or retain investments" and, specifically, the authority "to accept, receive, hold, and administer such gifts, bequests, or devises of property for the benefit of, or in connection with, the library, its collections, or its services, as may be approved by the Board and by the Joint Committee on the Library."

Note 2. Summary of Significant Accounting Policies

The accompanying combined financial statements report the financial position of the Library of Congress Trust Fund Board (TFB) and the results of its operations for the fiscal years 2001 and 2000. The statements were prepared from the Library of Congress financial management system in accordance with the form and content for entity financial statements specified by the Library's Financial Management Regulations and Directives and the accounting policies summarized in this note. The combined financial statements include the assets, liabilities, fund balances, and financial operations of all funds governed by the TFB, each of which is considered a separate accounting entity.

A. Basis of Accounting

The TFB's financial statements have been prepared on the accrual basis in accordance with generally accepted accounting principles. Under the accrual method, revenues are recognized when earned and expenses are recognized when a liability is incurred, without regard to receipt or payment of cash.

The Fund's financial statements have been prepared in accordance with the Statement of Financial Accounting Standards (SFAS) number 116 and 117. These statements provide for the form and content of financial statements for not-for-profit organizations and recognize net assets based on the existence of applicable restrictions limiting their use.

Permanently restricted net assets result from contributions and other inflows of assets whose use by the organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organization. Temporarily restricted net assets result from donor-imposed restrictions that permit the Fund to use or expend the assets after the restriction has been satisfied.

Three exceptions to the standards cited above are as follows: (1) the activity associated with the particular type of net asset is not detailed in the Statement of Activities; (2) the Unrealized Loss on Investment is reported as a component of equity instead of being an element of income or loss; and (3) a Statement of Cash Flows is not presented.

B. Capital Assets

The accompanying combined statement of financial position does not include capital assets. Capital assets with a value of \$25,000 or more (\$10,000 or more for years prior to fiscal year 1998) are available for the general use of the Library of Congress, and, accordingly, such acquisitions are recorded at cost when purchased as transfers to the Library of Congress general fund. Capital assets, including items for the collections (Heritage Assets) and items purchased to comply with the terms of a specific trust fund, with a value of less than \$25,000, are expenses of the Trust Funds.

C. Income Tax

The Library of Congress is an instrumentality of the United States and, as such, is not subject to income taxes.

Note 3. Cash

Cash consists of a fund balance with the Department of Treasury in the amount of \$194,582.

Note 4. Investments (Net)

The Library of Congress Trust Fund Board determines the investment policy for the trust funds. The overall objective of the Board's policy is to attain a market rate of return throughout varying budgetary and economic cycles, taking into account investment risk

constraints and liquidity needs. To achieve that objective, the Board's investment strategy is to invest the Library's permanent endowment funds in equities, to the maximum degree that is practical. The policy provides three options for investment of trust funds:

- a permanent loan with the U. S. Treasury
- a pool of U.S. Treasury market-based securities
- a private investment pool consisting of five mutual funds and one money market fund. The mutual funds recommended by the Trust Fund Board's investment committee and approved by the TFB are:
 - Vanguard Prime Money Market Fund
 - Vanguard Institutional Index Fund
 - Vanguard Total Stock Market Index-Admiral Shares
 - Fidelity Fifty Fund
 - Fidelity Stock Selector
 - RS The Emerging Growth Fund

Under 2 U.S.C. 158, up to \$10,000,000 of the Library's trust funds may be invested with the U.S. Treasury as a permanent loan at a floating rate of interest, adjusted monthly, but no less than four percent per annum. The permanent loan is an interest-bearing investment recorded at cost which is market value. At September 30, 2001, \$10,000,000 (including the G.M. Hubbard Fund) was invested in the permanent loan to the U.S. Treasury at an interest rate of 5 percent.

Treasury securities are intended to be held to maturity, are valued at cost, and are adjusted for the amortization of discounts and premiums. Interest is computed using the straight-line method, which approximates the effective interest method.

Mutual and money market funds are stated at current market value and are considered available for sale. Unrealized gains and losses are recognized and recorded as a component of equity in the statement of financial position.

During 2001, an unrealized loss on mutual fund investments of \$22.4 million resulted primarily from the overall decrease in the stock market.

ENTITY ASSETS	Face Value	Cost	Unamortized Premium	Unrealized Discount	Investment (Net)	Market Value
A. Intragovernmental Investments Non-Marketable, Market-Based	\$39,853,000		\$325,780	\$75,039	\$40,103,741	\$ 40,757,500
B. Governmental Securities Private Sector		\$79,370,526			\$79,370,526	\$ 59,582,269
Total - Entity	\$39,853,000	\$79,370,526	\$325,780	\$75,039	\$119,474,267	\$100,339,769

In addition to the private mutual funds, the Archer M. Huntington Fund for the Hispanic Room and the Chair of Poetry of the English language is held and managed by the Bank of New York. The Bank and the Librarian are co-trustees for this account. Because the Bank of New York controls these funds, assets with a fair value of \$5,429,764 at September 30, 2001, are not recorded as assets of the Library of Congress Trust Fund. The trust fund's interest in this endowment is limited to 50 percent of the annual income. For fiscal year 2001, the Library received \$165,882 which was included in gifts received by the Library.

Similarly, under the will of Mrs. Leonore Gershwin, the Library is a 37.5 percent beneficiary of the income generated from a trust established by Mrs. Gershwin. The will established the "Library Charitable Trust" which was accepted by the Library of Congress Trust Fund Board in January 1992. The primary purpose of the Trust is to perpetuate the name and works of George and Ira Gershwin through all resources of the Library. The charitable trust does not belong to the Library but is a separate entity administered by trustees. In addition to investing Mrs. Gershwin's initial endowment, the trustees are responsible for augmenting it through licensing and other fees. The trustee remitted \$375,940 of funds to the Library upon request of the Music Division to carry out the terms of the trust. The Library Charitable Trust (Trustee Administered) also provided \$63,538 of goods and services to the Library during fiscal year 2001. The balance or principal of the trust will be distributed to the Library in 2033, fifty years after the date of death of Ira Gershwin.

Note 5. Pledges Receivable

At September 30, 2001, the Library had unconditional pledges of contributions totaling \$6,966,438. These pledges were discounted through fiscal year 2006 at a market discount rate and included in the statement of financial position at their discounted value of \$6,575,855. The amounts due in future years, at September 30, at their current discounted value are:

	Present Value	Discount	Future Value
FY 2002	\$3,218,932	\$ 80,168	\$3,299,100
FY 2003	1,727,383	99,955	1,827,338
FY 2004	1,126,540	113,460	1,240,000
FY 2005	173,000	27,000	200,000
FY 2006	330,000	70,000	400,000
Totals	\$6,575,855	\$ 390,583	\$6,966,438

Note 6. Accrued Interest and Accounts Receivable

The above assets were comprised of the following accounts:

Accounts Receivable	\$ 1,936
Accrued Interest	<u>192,869</u>
Total	<u>\$ 194,805</u>

Note 7. Liabilities

Liabilities include accounts payable for payroll and other program services and expenses that had been received and/or accrued but remained unpaid at the end of the fiscal year and annual and compensatory leave accrued for employees paid from trust funds.

Accounts Payable	\$ 2,091,766
Accrued Employee Leave	<u>23,931</u>
Total	<u>\$ 2,115,697</u>

Note 8. Imputed Financing for Cost Subsidies

The Federal Accounting Standards Advisory Board (FASAB) issued Statement of Federal Financial Accounting Standards Number 5 (SSFAS-5) -- "Accounting for Liabilities of the Federal Government". SSFAS-5 requires those employing agencies recognize the full cost of pensions and other health and life insurance benefits during their employees' active years of service. SSFAS-5 requires that the Office of Personnel Management, as administrator of the Civil Service and Federal Employees Retirement Systems, the Federal Employees Health Benefits Program, and the Federal Employees Group Life Insurance Program provide the "cost factors" that adjust the agency contribution rate to the full cost for the applicable benefit program. As a result of SSFAS-5, an adjustment of \$56,931 was recorded as an imputed financing source (reported as a Miscellaneous Revenue) and a corresponding expense in the accompanying financial statements. This adjustment did not change the net assets.
