§ 381.197 Imported products; foreign inspection certificates required.

(4) Poultry products from foreign countries not listed in paragraph (b) of this section are not eligible for importation into the United States, except as provided by §§ 381.207 and 381.209. The listing of any foreign country under this section may be withdrawn whenever it shall be determined by the Administrator that the system of poultry inspection maintained by such foreign country does not assure compliance with requirements equivalent to all the requirements of the Act and the regulations as applied to official establishments in the United States; or that reliance cannot be placed upon certificates required under this subpart from authorities of such foreign country; or that, for lack of current information concerning the system of poultry inspection being maintained by such foreign country, such foreign country should be required to reestablish its eligibility for listing.

(a) Except as provided in §§ 381.207 and 381.209, each consignment containing any slaughtered poultry or other poultry product consigned to the United States from a foreign country shall be accompanied with a foreign inspection certificate substantially in the form illustrated in paragraph (b) of this section.

(b) The form of foreign poultry product inspection certificate shall be as follows:

FOREIGN POULTRY PRODUCT INSPECTION
CERTIFICATE

Place _____

(City)

(Country)

Date _____

I hereby certify that the poultry products herein described were derived from poultry which received ante mortem and post mortem inspections at the time of slaughter; and that such poultry products are sound, healthful, wholesome, clean and otherwise fit for human food, and are not adulterated and have not been treated with and do not contain any dye, chemical, preservative, or ingredient not permitted by the regulations governing the inspection of poultry and poultry products of the U.S. Department of Agriculture, filed with me, and that said poultry products have been handled only in a sanitary manner in this country; and are otherwise in compliance with requirements at least equal to those in the Poultry Products Inspection Act and said regulations.

(b) It has been determined that poultry products from the following countries, covered by foreign poultry inspection certificates of the country of origin as required by § 381.197, are eligible under the regulations in this subpart for entry into the United States, after inspection and marking as required by the applicable provisions of this subpart:¹

Australia (ratites only).
Canada.

¹Listing of any country in this section does not relieve the poultry products of such country from applicable requirements under other Federal laws.

²May export to the United States only processed poultry products slaughtered under Federal inspection in the United States or in a country eligible to export slaughtered poultry products to the United States.

[37 FR 9706, May 16, 1972, as amended at 40 FR 42338, Sept. 12, 1975]

§ 381.198 Importer to make application for inspection of poultry products offered for entry.

(a) Each person who wishes to offer for entry any slaughtered poultry or other poultry product shall make application for inspection to the import supervisor of the import field office at the port where the poultry product is to be offered for entry, or to the Administrator, Food Safety and Inspection Service, U.S. Department of Agriculture, Washington, DC 20250, as long as possible in advance of the anticipated arrival of each consignment of such product, except in the case of poultry product exempted from inspection by §§ 381.207 or 381.209. Each application shall state the approximate date on which the consignment is due to arrive in the United States, the name of the ship or other carrier transporting it, the name of the country where the product was processed, the name of the country from which the product was shipped, the place of destination, the quantity and kind of product, whether fresh, frozen, cured, or canned, and the point of first arrival in the United States.

(b) For participating Canadian establishments, an official of the Canadian meat inspection system shall contact the Import Field Office for an inspection assignment (see § 301.2(yyy)).

(1) If the Automated Import Information System (AIIS) does not designate

the consignment for reinspection, the consignment may be transported to its consignee for further distribution.

(2) If the AIIS designates the consignment for reinspection, the official shall:

(i) Select samples in accordance with USDA sampling tables.

(ii) Identify and place samples in the vehicle for easy removal and reinspection by a Program import inspector.

(3) In the event that any one of the requirements provided in paragraph (d)(2) of this section is not met, inspection of the consignment shall be conducted by a Program import inspector in accordance with established procedures provided for in the regulations for other imported products.

[37 FR 9706, May 16, 1972, as amended at 39 FR 4569, Feb. 5, 1974; 51 FR 37710, Oct. 24, 1986; 54 FR 275, Jan. 5, 1989; 54 FR 41050, Oct. 5, 1989]

§ 381.199 Inspection of poultry products offered for entry.

(a)(1) Except as provided in §§ 381.198(b)(1) and 381.209 of this part, and paragraph (c) of this section, all slaughtered poultry and poultry products offered for entry from any foreign country shall be reinspected by a Program import inspector before they shall be allowed entry into the United States.

(2) Every lot of product shall routinely be given visual inspection for appearance and condition, and checked for certification and label compliance, except as provided in § 381.198(b)(1).

(3) The computerized Automated Import Information System (AIIS) shall be consulted for reinspection instructions. The AIIS will assign inspection levels and procedures based on established sampling plans or established product and plant history and established sampling plans.

(b) Inspectors may take, without cost to the United States, from each consignment of poultry products offered for entry, such samples of the products as are deemed necessary to determine the eligibility of the products for entry into the commerce of the United States.

(c) Poultry products imported under § 381.207 shall not be sampled and inspected under this section unless there
