

market value. In determining “net indemnity”, the amount necessarily paid or incurred purely for collection, or rate of exchange discounts on the payment, of the indemnity is to be deducted from the gross amount of collectible indemnity. In case of the sale or loss of several vessels or share therein, a deposit of the “net proceeds” or “net indemnity” with respect to one or more of the vessels or shares is permissible. Where several vessels or shares are sold for a lump sum, the “net proceeds” allocated to each vessel or share shall be determined in accordance with any reasonable rule satisfactory to the Commissioner of Internal Revenue. The taxpayer must deposit the full amount of each payment (including cash, notes, or other evidences of indebtedness) as a single deposit in the construction reserve fund. A payment divided between two or more depositories will be regarded as a single deposit. Amounts received by the taxpayer prior to the date of consummation of the sale of the vessel shall be considered as having been received by the taxpayer at the time the sale is consummated.

(c) *Purchase-money obligations.* Where the proceeds from the sale of a vessel include purchase-money obligations, such obligations together with the entire collateral therefor, or, in the case of deposit of the proceeds of a share in the vessel, a proportionate part of the obligations and collateral as determined by the Administration, shall be deposited, with the remainder of the proceeds, in the construction reserve fund as a part of the “net proceeds”. The depository shall receive payment of all amounts due on such purchase-money obligations and such amounts shall be placed in the fund in substitution for the portion of the obligations paid. All installments of purchase-money obligations shall be paid directly into the fund by the obligor. In the event any such installment is not so deposited, the Administration, at any time after the due date, may require the taxpayer to deposit an amount equal to such installment. If the taxpayer so desires, he may deposit in the construction reserve fund cash or approved securities in an amount equal to the face value of any pur-

chase-money obligations in lieu of depositing such obligations.

(d) *Vessel subject to mortgage at time of sale or loss.* Where a vessel is subject to a mortgage or other encumbrance at the time of its sale or loss and the taxpayer actually receives only an amount representing the equity therein or a share in such equity corresponding to his share in the vessel, he shall deposit in the construction reserve fund such amount and concurrently therewith other funds in an amount equal to the difference between the amount received and the “net proceeds” or “net indemnity”. Such other funds may be in the form of cash, or, subject to the approval of the Administration, (1) interest-bearing securities, or (2) an irrevocable and unconditional commitment to finance the construction or acquisition of a new vessel in whole or in part by an obligor approved by the Administration in an amount equal to the amount by which the “net proceeds” exceed the cash or securities deposited in the fund.

(e) *Unauthorized deposits.* A deposit which is not provided for by section 511 of the Act shall, without unreasonable delay, be withdrawn from the fund and tax liability will be determined as though such deposit had not been made. (See §§ 287.10 and 287.24.)

#### § 287.14 Deposit of earnings and receipts.

(a) *Earnings.* A citizen may deposit all or any part of earnings derived from the operation, within the scope of § 287.3, of a vessel or vessels owned either by himself or any other person, if such earnings are intended for construction or acquisition of new vessels. Such earnings may include payments received by an owner, as compensation for use of his vessel, from other persons by whom it is so operated. Earnings from other sources may not be deposited. The earnings from operation of vessels which are eligible for deposit are the net earnings determined without regard to any deduction for depreciation, obsolescence, or amortization with respect to such vessels.

(b) *Receipts.* Receipts from deposited funds, in the form of interest or otherwise, may be deposited.
