

§ 180.9

40 CFR Ch. I (7-1-04 Edition)

the date of refiling or the date of receipt of certification from the Administrator, whichever is later. A deposit for fees as specified in § 180.33 shall accompany the resubmission of the petition.

[46 FR 22450, Nov. 25, 1971, as amended at 46 FR 34345, July 1, 1981; 55 FR 21200, May 23, 1990]

§ 180.9 Substantive amendments to petitions.

After a petition has been filed or referred to an advisory committee, the petitioner may submit additional information or data in support thereof, but in such cases the petition will be given a new filing date or a new initial date of consideration by the advisory committee, and the time limitation will begin to run anew.

[41 FR 4537, Jan. 30, 1976, as amended at 55 FR 21200, May 23, 1990]

ADVISORY COMMITTEES

§ 180.10 Referral of petition to advisory committee.

(a) If within the prescribed period a person filing a petition requests that the petition be referred to an advisory committee, he shall make such request in writing to the Administrator and forward with such request an advance deposit for fees prescribed by § 180.33.

(b) If further advance deposits are not made upon request of the Administrator, as provided for in § 180.33, the request for referral of the petition to an advisory committee shall be considered withdrawn, and a tolerance shall be established within 90 days of the date on which the Administrator requested the further advance deposit.

(c) In case the Administrator on his own initiative deems it necessary to refer a petition to an advisory committee, he shall, in writing, so inform the person filing the petition.

[41 FR 4537, Jan. 30, 1976, as amended at 55 FR 21200, May 23, 1990]

§ 180.11 Appointment of advisory committee.

(a) Whenever the referral of a petition or proposal to an advisory committee is requested or the Administrator otherwise deems such referral necessary, the Administrator will re-

quest the National Academy of Sciences, National Research Council, to select qualified experts, including at least one representative from land-grant colleges, willing to serve on the advisory committee. All such experts shall have had sufficient training and experience in biology, medicine, physiology, toxicology, pharmacology, veterinary medicine, or other appropriate science to evaluate the safety of pesticide chemicals. The Administrator will request the National Academy of Sciences, when it furnishes the names of such experts, to supply a biographical sketch showing the background of their experience and their connection, if any, with academic and commercial institutions.

(b) Each advisory committee shall consist of not less than three experts, at least one of whom is a representative from a land-grant college. The Administrator may specify a larger number to serve. He shall appoint one member of the committee as chairman, and the chairman shall be the spokesman of the committee for receiving and forwarding reports and other functions of the committee.

(c) The Administrator shall appoint the experts so selected and fix their compensation at not to exceed the maximum permitted by other authority per day for each day or part thereof spent in committee meetings and in traveling to and from committee meetings held outside the city of their residence, plus necessary traveling and subsistence expenses while the experts are serving away from their places of residence. Subsistence expenses shall not exceed the maximum per diem permitted by other authority.

§ 180.12 Procedure for advisory committee.

(a) The Administrator shall submit to the chairman of the committee the petition for tolerances, together with certification by the Administrator and such other relevant, reliable information as may be available. When the Administrator submits a proposal to an advisory committee, he shall inform the petitioner and furnish him with copies of material other than the petition and certification that is furnished the committee. The chairman of the
