Affiliation:
Category of Affiliation:
Address:

City: Whitehall
State: OH
Country: UNITED STATES
Zip: 43213
PostalCode: n/a

Comments:

After reviewing my credit reports, I always find someone else's information in my file. Credit Reporting Agencies should be required to reject any Credit info that doesn't match the correct Social Security Number. Just because the person has the same name doesn't mean that the info should go into the wrong file. Regards, Jerry Downing Whitehall, Ohio
