Honorable Mario Katosang  
Minister of Education  
Ministry of Education  
Republic of Palau  
Post Office Box 189  
Koror, Palau 96940

Dear Minister Katosang:

This is to inform you that we have conditionally approved the Republic of Palau's (ROP) Eligibility Documents, including assurances and certifications, for Federal Fiscal Year (FFY) 2006 under Part B of the Individuals with Disabilities Education Act (IDEA). Our determination that you are eligible for conditional approval is based on our receipt of ROP's application submitted by the ROP Public School System to the U.S. Department of Education, Office of Special Education Programs (OSEP) on April 21, 2006 and amended on May 7, 2006 (Assurances), June 6, 2006 (Assurances), and June 21, 2006, in which it assures that it will:

1. Operate consistent with the Part B requirements of PL 108-446 and applicable regulations; and
2. Make such changes to existing policies and procedures as are necessary to bring those policies and procedures into compliance with the requirements of Part B of the IDEA, as amended, as soon as possible, and not later than July 1, 2007. Section II of ROP's application (which is incorporated by reference and enclosed with this grant letter) identifies the IDEA statutory sections for which the State needs to amend policies and procedures and the timelines by which the State will amend its policies and procedures in order to comply with Part B of the IDEA. Within Section II, ROP has included the date by which it expects to complete necessary changes associated with any policies and procedures that are not yet in compliance with the requirements of Part B of the IDEA, as amended.

Enclosed are grant awards for funds currently available under the Department of Education FFY 2006 Appropriations Act for the Part B Section 611 (Grants to States). These funds are for use primarily in school year 2006-2007 and are available for obligation by ROP from July 1, 2006 through September 30, 2008.

Please note that as part of your Eligibility Documents for FFY 2006, Palau has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. Any changes made by the ROP, after OSEP approval, to policies and procedures needed to comply with Part B of the IDEA, must meet the applicable public participation requirements, including those in 20 U.S.C. 1232d(b)(7).

The amount shown in your award for the Section 611 program is only part of the total funds that will be awarded to you for FFY 2006. Of the \$10,582,960,540 appropriated for Section 611 in

FFY 2006, \$5,158,760,540 is available for awards on July 1, 2006, and \$5,424,200,000 will be available on October 1, 2006.

Enclosure B provides a short description of how Section 611 funds were allocated and how those funds can be used. In addition, Table I in Enclosure B shows funding levels for distribution of Section 611 funds and the parameters for within-State allocations. The enclosed grant award for FFY 2006 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part B.

Section 606 of the IDEA provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities. Therefore, by accepting this grant, Palau is expressly agreeing as a condition of IDEA funding to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities.

We appreciate your ongoing commitment to the provision of quality educational services to children with disabilities.

Sincerely,

Alexa Posny, Ph.D.
