

§ 50.4

(c) When EA's or EIS's or reviews under § 50.4 reveal conditions or safeguards that should be implemented once a proposal is approved in order to protect and enhance environmental quality or minimize adverse environmental impacts, such conditions or safeguards must be included in agreements or other relevant documents.

(d) A systematic, interdisciplinary approach shall be used to assure the integrated use of the natural and social sciences and the environmental design arts in making decisions.

(e) Environmental impacts shall be evaluated on as comprehensive a scale as is practicable.

(f) HUD offices shall begin the environmental review process at the earliest possible time so that potential conflicts between program procedures and environmental requirements are identified at an early stage.

(g) Applicants for HUD assistance shall be advised of environmental requirements and consultation with governmental agencies and individuals shall take place at the earliest time feasible.

(h) For HUD grant programs in which the funding approval for an applicant's program must occur before the applicant's selection of properties, the application shall contain an *assurance* that the applicant agrees to assist HUD to comply with this part and that the applicant shall:

(1) Supply HUD with all available, relevant information necessary for HUD to perform for each property any environmental review required by this part;

(2) Carry out mitigating measures required by HUD or select alternate eligible property; and

(3) Not acquire, rehabilitate, convert, lease, repair or construct property, nor commit or expend HUD or local funds for these program activities with respect to any eligible property, until HUD approval of the property is received.

(i)(1) It is HUD policy that all property proposed for use in HUD programs be free of hazardous materials, contamination, toxic chemicals and gases, and radioactive substances, where a hazard could affect the health and

24 CFR Subtitle A (4-1-04 Edition)

safety of occupants or conflict with the intended utilization of the property.

(2) HUD environmental review of multifamily and non-residential properties shall include evaluation of previous uses of the site and other evidence of contamination on or near the site, to assure that occupants of proposed sites are not adversely affected by the hazards listed in paragraph (i)(1) of this section.

(3) Particular attention should be given to any proposed site on or in the general proximity of such areas as dumps, landfills, industrial sites or other locations that contain hazardous wastes.

(4) HUD shall require the use of current techniques by qualified professionals to undertake investigations determined necessary.

§ 50.4 Related Federal laws and authorities.

HUD and/or applicants must comply, where applicable, with all environmental requirements, guidelines and statutory obligations under the following authorities and HUD standards:

Subpart B—General Policy: Responsibilities and Program Coverage

§ 50.10 Basic environmental responsibility.

(a) It is the responsibility of all Assistant Secretaries, the General Counsel, and the HUD approving official to

assure that the requirements of this part are implemented.

(b) The Assistant Secretary for Community Planning and Development (A/S CPD), represented by the Office of Community Viability, whose Director shall serve as the Departmental Environmental Clearance Officer (DECO), is assigned the overall Departmental responsibility for environmental policies and procedures for compliance with NEPA and the related laws and authorities. To the extent permitted by applicable laws and the CEQ regulations, the A/S CPD shall approve waivers and exceptions or establish criteria for exceptions from the requirements of this part.

§ 50.11 Responsibility of the HUD approving official.

(a) The HUD approving official shall make an independent evaluation of the environmental issues, take responsibility for the scope and content of the compliance finding, EA or EIS, and make the environmental finding, where applicable. (Also, see § 50.32.)

(b) Copies of environmental reviews and findings shall be maintained in the project file for projects, in the rules docket files for FEDERAL REGISTER publications, and in program files for non-FEDERAL REGISTER policy documents.

Subpart C—General Policy: Decision Points

§ 50.16 Decision points for policy actions.

Either an EA and FONSI or an EIS on all policy actions not meeting the criteria of § 50.19 shall be completed prior to the approval action. Policy actions include all proposed FEDERAL REGISTER policy documents and other policy-related Federal actions (40 CFR 1508.18). The decision as to whether a proposed policy action is categorically excluded from an EA shall be made by the Program Environmental Clearance Officer (PECO) in Headquarters as early as possible. Where the PECO has any doubt as to whether a proposed action qualifies for exclusion, the PECO shall request a determination by the AS/CPD. The EA and FONSI may be combined into a single document.
