**Sondra Wilson, Student Regent for the Tennessee Board of Regents &
SGA President**

Columbia State Community College

Second Meeting, December 8-9, 2005

The Secretary of Education's Commission on the Future of Higher Education

Sondra Wilson is honored to serve as the Student Regent for the Tennessee Board of Regents. Sondra currently attends Columbia State Community College in her hometown of Columbia, Tennessee where she is majoring in English and a double minor of Political Science and Mass Communications. Sondra's future plans are to become an English professor, pharmaceutical representative, or a politician.

As a vigorous Student Government President at Columbia State Community College, Sondra has participated in numerous activities throughout her high school tenure. She was the Student Body and Senior Class President in high school. She served on the Maury County Student Advisory Board, Youth Leadership of Maury County and she was also a delegate and mayor at Volunteer Girls State. She has participated in numerous community service and leadership activities.

Sondra is waiting to see what the future holds for her. She is looking forward to transferring upon graduation to Middle Tennessee State University or the University of Auburn. She is looking forward to meet renowned politicians and stakeholders.
