## *Introducing the Program Assessment Rating Tool (PART)*

- Tool to Encourage Continuous Improvement
- Assesses Federal Programs in Four Key Dimensions
  1. Purpose and Design
  2. Planning
  3. Management
  4. Results and Accountability
- Consistent Framework Applicable to all Programs
- Rates Performance Objectively
  - Effective
  - Moderately Effective
  - Adequate
  - Ineffective
  - Results Not Demonstrated

### *Progress: Distribution of Cumulative Ratings*

# Expect**More**.gov

EXPECT SHORTER LINES. EXPECT LESS BUREAUCRACY. EXPECT MORE RESULTS FOR YOUR MONEY.

The Federal government is working to ensure its **programs work better** so your taxpayer dollars buy more and go farther every year. Here we provide you information about where we're **successful** and where we **fall short**, and in both situations what we're doing to **spend your money better** next year.
