

AMENDMENTS TO AND REVISIONS IN BUDGET AUTHORITY FOR 2003

(Between the Transmittal of the 2003 and 2004 Budgets)

A statement of all amendments to or revisions in budget authority requested between transmittal of the 2003 Budget and the 2004 Budget is presented below. This statement is included in the budget in accordance with the Congressional Budget Act of 1974 (31 U.S.C. 1105(d)).

The modifications to requests for 2003 budget authority that were made through the course of the past year took two forms:

- If the Congress had not yet acted on a pending request, the President sent amendments to the budget requests transmitted on February 4, 2002.
- If necessary, the President made available certain emergency funding. The availability of these funds was made contingent upon the President submitting a budget request to the Congress and designating the amounts requested as an emergency requirement.

Amendments and releases of contingent emergency funds are printed in the documents of the House of Representatives that are identified on the following listing.
