

FH&EO. The Regional Director of the Office having jurisdiction over the programs involved and the Area Manager shall be notified of all alleged violations of the regulations. A complaint is not a prerequisite for the initiation of compliance review.

(b) The purpose of a compliance review is to determine whether the respondent is in compliance with the Executive order and this part. Where allegations may also indicate a violation of the provisions of title VIII of the Civil Rights Act of 1968, HUD regulations issued thereunder and Affirmative Fair Housing Marketing requirements, a review may be undertaken to determine compliance with those requirements. The respondent shall be given at least five (5) days notice of the time set for any compliance review and the place for such review. The complainant shall also be notified of the compliance review.

**§ 107.51 Findings of noncompliance.**

(a) A finding of noncompliance shall be made when the facts disclosed during an investigation or compliance review, or other information, indicate a failure to comply with the provisions of E.O. 11063 or this part. In no event will a finding of noncompliance precede the completion of the compliance meeting procedures set forth in § 107.40.

(b) Determinations of noncompliance with E.O. 11063 shall be made in any case in which the facts establish the existence of a discriminatory practice under § 107.15(g).

(c) The existence or use of a policy or practice, or any arrangement, criterion or other method of administration which has the effect of denying equal housing opportunity or which substantially impairs the ability of persons, because of race, color, religion (creed), sex or national origin, to apply for or receive the benefits of assistance shall be a basis for finding a discriminatory practice unless the respondent can establish that:

(1) The policy or practice is designed to serve a legitimate business necessity or governmental purpose of the respondent;

(2) The policy or practice effectively carries out the interest it is designed to serve; and

(3) No alternative course of action could be adopted that would enable respondent's interest to be served with a less discriminatory impact.

If it is found that the respondent is in compliance, all persons concerned shall be notified of the finding. Where a finding of noncompliance is made, the report shall specify the violations found. The Director of the Office of Regional FH&EO shall send a copy of the report to the respondent by certified mail, return receipt requested, together with a Notice that the matter will be forwarded to the Assistant Secretary for FH&EO for a determination as to whether actions will be initiated for the imposition of sanctions. The Regional Director of the Office having jurisdiction over the programs involved and the Area Manager shall also receive a copy of the report and the notice of intention to refer the matter to the Assistant Secretary for FH&EO.

(b) The Notice will provide that the respondent shall have seven (7) days to respond to the violations found and resolve and remedy matters in the compliance report. At the expiration of the seven (7) day period the matter shall be referred to the Assistant Secretary for FH&EO.
