**Reading**

If a child doesn't read  
over the summer, he or she  
**could be left behind.**

School-age children can lose up to three months of  
learning over the summer if they don't spend time reading.

Learn more about the U.S. Department of Education's Summer Reading Campaign by calling ED Pubs toll free at 1-877-433-7827. Ask for a free brochure and a Pizza Hut® Award Certificate for a Personal Pan Pizza® for each participating child.
