NMTC NON-METROPOLITAN COUNTIES: List of Qualifying Low-Income Communities

Section 102(b) of the Tax Relief and Health Care Act of 2006 requires the CDFI Fund to ensure that non-metropolitan counties receive a proportional allocation of Qualified Equity Investments (QEIs) under the New Markets Tax Credit (NMTC) Program.

The CDFI Fund has defined Non-Metropolitan Counties as those counties that are not contained within a Metropolitan Statistical Area; as such term is defined in OMB Bulletin No. 99-04, with respect to the 2000 Census data.

As detailed in the 2008 NMTC Notice of Allocation Availability (NOAA), the CDFI Fund will ensure that: (i) at least 20% of all Qualified Low Income Community Investments (QLICs) made by NMTC awardees are invested in Non-Metropolitan Counties; and (ii) applicants that principally serve Non-Metropolitan Counties are proportionately represented in the 2008 awardee pool.

Attached is a list identifying 6,488 NMTC-eligible census tracts located in Non-Metropolitan Counties. These census tracts qualify for NMTC investments because they have a poverty rate of at least 20 percent and/or a median family income that is at or below 80 percent of the applicable area median family income.

State	County	Census Tract FIPS Code	Poverty Rate (percentage of population living at or below the poverty level)	Median Family Income (as a percentage of applicable area median family income)	Unemployment Rate (as a percentage of national unemployment rate)
