Dear Office of Information and Regulatory Affairs Hunt:

To Whom it May Concern:

I am outraged and sickened to hear that you are considering valuing the life of an elderly person at less than other citizens, in your CBA analyses, according to the "OMB Draft Guidelines for the Conduct of Regulatory Analysis and the Format of Accounting Statements"

Your proposal to differently value an elderly person's life is unethical and immoral. THIS IS SIMPLY AN EXCUSE TO FURTHER CUT PROTECTIVE STANDARDS.

SHAME ON PEOPLE WHO CAN THINK IN THESE TERMS.

Sincerely,

Laurie Kellogg
