B. Public Comments and Responses

Pursuant to the October 29, 2004, **Federal Register** notice, OMB received

two comment letters relating to the proposed information collection renewals. One commenter noted the “Needs and Uses” statements for the SF-269 and SF-269A was incorrect. We agree, and have corrected those statements in this notice. The other comment from a State government agency related exclusively to the SF-424 form not being posted in a “fill-enabled and electronically saveable” format. We encourage use of the electronic application process under Grants.gov (<http://www.grants.gov>) where the SF-424 is fill-enabled and electronically saveable. The form posted on OMB’s website is available in read-only “pdf” format.

Chief, Financial Standards and Grants Branch.
