

**U.S Browser Installed Base
(According to Dean Schmalensee)**

Total Users of Netscape As Their Current Primary Browser

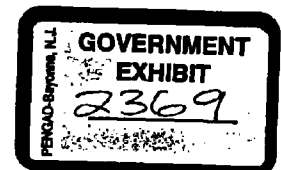

<u>Total 1Q98</u>	<u>Total 4Q98</u>	<u>Net New Users</u>
26.7 Million	31.4 Million	4.7 Million

Total Users of Internet Explorer (Excluding OLS-Branded Internet Explorer Browsers) as Their Current Primary Browser

<u>Total 1Q98</u>	<u>Total 4Q98</u>	<u>Net New Users</u>
13.5 Million	25.0 Million	11.5 Million

Total Users of OLS-Branded Internet Explorer Browsers as Their Current Primary Browser¹

<u>Total 1Q98</u>	<u>Total 4Q98</u>	<u>Net New Users</u>
10.3 Million	11.3 Million	1.0 Million

¹Total Users of OLS-branded Internet Explorer browsers found by subtracting Dean Schmalensee's calculation of the number of Internet Explorer main browsers from Dean Schmalensee's calculation of Microsoft's share of main browsers "with OLS-branded browsers distributed between All Other and Microsoft."
