TED STEVENS  
UNITED STATES SENATOR  
ALASKA

78943

Dear Bill

Thanks for your key on  
this past Thanksgiving. What a  
night!

It will be a while, I guess,  
before we know the full results.  
I saw many people who  
commented on the telephone call

NOT PRINTED AT GOVERNMENT EXPENSE

and we had calls to our office  
objecting to the calls. All in all,  
I think those calls helped and  
I thank you for arranging  
to make the effort.

We look forward to a  
housewarming - and hope we  
can do that on our anniversary  
December 30.

Keep your fingers crossed - I do  
enjoy this Chairman's job,  
Ted
