Subject: chair for Bob Persons
Author: Barbara Flanders [REDACTED]
Date: 03/07/2001 1 29 PM

Senator,
FYI

When Bob Persons was in D.C. he purchased a chair from the Brookstone Store. They are now ready to deliver it. Mr. Persons said he'd talked to you about having the chair delivered to your house and keeping it there a little while. I told him fine, we'd have it delivered to your house. OK to have it delivered to your house when Maria is there? Any place in particular you want to put it?
Barb
