[CFDA No. 84.938H]

Notice Announcing Availability of Funds and Application Deadline for Hurricane Education Recovery Awards Under Title II of the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror and Hurricane Recovery, 2006 (Pub. L. 109-234)

AGENCY: Office of Postsecondary Education, Department of Education.

SUMMARY: Under the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror and Hurricane Recovery, 2006 we will award funds to institutions of higher education, as defined in section 102 of the Higher Education Act of 1965, as amended (HEA), that are located in an area in which a major disaster was declared in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act related to hurricanes in the Gulf of Mexico in calendar year 2005, and that were forced to close, relocate, or significantly curtail their activities as a result of damage directly caused by the hurricanes. These Hurricane Education Recovery Awards can be used only to defray expenses, including expenses that would have been covered by revenue lost as a direct result of a hurricane, expenses already incurred, and construction expenses

directly related to damage resulting from the hurricanes.

Pre-Application Deadline: September 1, 2006.

Application Deadline: September 19, 2006.

SUPPLEMENTARY INFORMATION: The Emergency Supplemental Appropriations Act for Defense, the Global War on Terror and Hurricane Recovery, 2006 (Pub. L. 109-234) provided \$50 million for Hurricane Education Recovery Awards to assist institutions of higher education, as defined in section 102 of the HEA that are located in an area in which a major disaster was declared in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act related to hurricanes in the Gulf of Mexico in calendar year 2005, and that were forced to close, relocate, or significantly curtail their activities as a result of damage directly caused by the hurricanes. This area includes the States of Louisiana and Mississippi and certain counties in the States of Alabama, Florida, and Texas. A list of these counties is available at http://www.fema.gov/hazard/hurricane/hu_recovery.shtm. These awards can only be used to defray expenses incurred by these institutions, including, but not limited to, expenses that would have been covered by revenue lost as a direct result of a hurricane, reimbursement for expenses already incurred, and construction expenses, directly related to damage resulting from the hurricanes.

The Emergency Supplemental Appropriations Act for Defense, the Global War on Terror and Hurricane Recovery, 2006 authorizes the Department to make these funds available based on criteria established by the Secretary. The Secretary establishes and will consider the following criteria in allocating these funds: expenses that would have been covered by revenues lost by the institution as a direct result of the hurricanes; expenses incurred by the institution in remedying the effects of the hurricanes; the costs of construction associated with physical damage caused by the hurricanes; any amount of any insurance settlement or other reimbursement received including from a Federal or other relief agency; and the number of Pell Grant recipients enrolled at the institution at any time during the 2005-06 award year. Institutions must include information responsive to each of these criteria in their applications.

Available Funds for Hurricane Education Recovery Awards: \$50,000,000.

Period of Fund Availability: Institutions receiving Hurricane Education Recovery Awards must obligate the funds received by September 30, 2008. Funds being used for construction must be expended by September 30, 2010.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (APA) (5 U.S.C. 553), and section 437 of the General Education Provisions Act (20 U.S.C. 1232), the Department generally offers interested parties the opportunity to comment on proposed program requirements. However, the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror and Hurricane Recovery, 2006 (Pub. L. 109–234) specifically exempts criteria established by the Secretary for the award of funds under this program from the rulemaking requirements of the APA and GEPA.

Pre-Application Requirements: Institutions intending to submit an application for a Hurricane Education Recovery Award must first complete and submit a pre-application data information form from which institutional allotments will be calculated. Data forms and instructions can be downloaded from <http://www.ed.gov/OPE> (click on the Hurricane Education Recovery Awards link). Complete the form and fax it to David Johnson, Program Officer, Office of Postsecondary Education, at 202–502–7877 by the date established under Pre-Application Deadline. Within one week of the Pre-Application Deadline, the Department will calculate the applicant institution's allotment and e-mail the amount back to the contact person identified on the form. Institutions will then have until September 12, 2006 to submit their application and budget through the e-Application system.

Electronic Submission of Applications: Applications for Hurricane Education Recovery Awards—CFDA Number 84.938H must be submitted electronically using e-Application available through the Department's e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is

provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this program after 4:30 p.m., Washington, DC time, on the application deadline date. - You must submit all documents electronically, including the Application title page (ED 424), Budget Information (ED 524), and all necessary assurances and certifications. We will grant this extension if—

(1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

(b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. Extensions referred to in this section apply only to the unavailability of the Department's e-Application system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because—

- You do not have access to the Internet; or

• No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.
