Dear Bill:
You continue to amaze me the way
you can keep so many balls in the
air at one time! It was good to
see you at the Bogart movie - and I
thank you for all you are doing to
help us on the home. The lifting was
suggested to start today. We have
packed up all of our household stuff I
hope. The place now really please

Catherine. She just could see the
steel desk because women's shoes
got stuck in them. Thanks for the
offer to help on that.

I may take a shot at going
home at the end of the month.
I'll let you know. Also, we
need to discuss that fishing trip -
I'm not certain yet I can make
it.

Thanks for all your help and
your friendship. Best
Ted
