bob: THE CHAIR arrived and I tried it out last night. It is great! I can't tell you how much I enjoyed it. Catherine and Beth tried to get me out of it, I just went to sleep in it. Thank you and thanks to Bill. It will be a godsend this year. It is just a loan; but, I really appreciate it being here now.  
With regard to Janice. I don't know her. She came on me hard and said she wants to work for the things you and I want for Girdwood. Who is the opposition? teds
