Bill and Bob: I will be in the North Country (Nome, Kotzebue and Barrow) until Tues afternoon. When I arrive back in Anchorage George Lowe and I will drive to Girdwood, where I hope to catch up with Rocky and then have dinner at the Musky. That will be early because I have to go to Juneau on Wednesday Morning and want to check into the Cook to catch up on all my messages, etc... Hope this is OK with you. By the way, Jerry Hood may ask to join us at dinner. teds
