Subject: weekend plans

If I can get away, I'll come home on Thursday night. It will be late-11:54pm. If I have to wait for Friday's plane, sometime after noon. I want to know where you all will be over this weekend. It is my hope I may spend Saturday night at the Chalet, returning to Anchorage on Sunday late p.m. I'll go to Kenai at 3:15 to attend Laura's graduation. Then I leave immediately after that to return to D.C. Could do tennis Fri and I am open to suggestions on what to do Friday night, Saturday and Sunday, keeping in mind that I do want to get an idea about what we have left to do on the Chalet.
