## **ARTICLE XXVIII**

### **GENERAL SAVINGS CLAUSE**

**Section 1.** Any provision contained herein that is contrary to or held in violation of the Labor-Management Relations Act of 1947, as amended, or of any other law now in force or hereafter enacted, or, hereafter becoming effective, shall be void and of no force or effect, and this Agreement shall be construed as if said void provision herein were not a part thereof, it being intended, however, that the other provisions of this Agreement shall not be affected thereby. It is further agreed that, should compliance with any law or amendment therefore, or any order or regulation issued thereunder, now or hereafter in force and effect, prohibit the carrying out of any of the provisions of this Agreement, then to the extent of such deviation or prohibition, this Agreement shall be deemed to have been automatically amended effective on the effective date of such law, order or regulations. Such amendment to this Agreement shall remain in effect only so long as said law, amendment, order or regulation continues in force or until the expiration of this Agreement, whichever event shall first occur.

## **ARTICLE XXIX**

### **BONDING**

**Section 1.** Every Employer who employs members of the Union and agrees to be covered or maintain the provisions of

this Agreement may be required by the Union to give a surety bond payable to the Laborers Benefit Funds to insure the payment of fringe benefit obligations accruing under this Agreement. The Employer shall furnish a surety bond as prescribed below within fourteen (14) days after notice from the Laborers' Fringe Benefit Funds that such is required. The amount of the surety bond shall be as follows:

1 through 10 men .....	\$10,000.00
at 15 men .....	\$15,000.00
at 20 men .....	\$20,000.00
at 25 men .....	\$25,000.00
at 30 men or over .....	\$30,000.00

**Section 2.** The Fringe Benefit Funds may require an Employer to give the surety bond provided for herein if at any time: (1) the Employer has been late fifteen (15) days or more in the payment of any of its monetary obligations under this Agreement; or (2) the Employer has been late in the payment of any such obligation two (2) consecutive times during the immediately preceding twelve (12) months; or (3) the Employer has not worked within the Union's geographical jurisdiction under this Agreement during any of the immediately preceding twelve (12) months.

If after giving and providing such surety bond the Employer is not late in the payment of its monetary obligations during the next following twelve (12) months, the Employer shall be released from the requirement to provide a surety bond unless the conditions specified in the first sentence of this Section reoccur.

**Section 3.** When a surety bond is demanded, the Employer will obtain such in the required amount, from a company acceptable to the Fringe Benefit Funds, and the benefit funds

specified in this Agreement shall be the sole beneficiaries of the bond. The bond will be given to the Fringe Benefit Funds where it will be kept.

**Section 4.** Should an Employer fail or refuse to provide the required surety bond, when such is demanded by the Union, or should an Employer fail to keep a bond in effect at all times said Employer is required to have one, the Union shall have the right to strike and/or picket, after notice, and use all other legal and/or economic means to cause the Employer to comply with this Article.

## **ARTICLE XXX HEALTH CARE**

**Section 1.** Should either the State or Federal Government pass legislation mandating all Employers to participate in a national or statewide health care plan, it is agreed by the Parties to this Agreement to automatically open this Agreement within thirty (30) days of such passage to discuss same.

## **ARTICLE XXXI BCRC/DRUG TESTING**

**Section 1.** The Union recognizes the right of the Employer to establish a drug testing policy for Employees.

**Section 2.** In all situations where an Employer is required to agree to a testing program in order to qualify to be the successful contractor on a project, testing may be required, in accordance with the standards of this program, or, if the owner's requirements for successful contractors are more

stringent, in accordance with the owner's requirements. No adverse employment action shall be taken against a worker solely because he/she refused a job assignment that has a substance testing requirement.

### **Section 3. BCRC**

- (A) The Association, the Union, various other Employer Associations, and various other unions are members of the Building and Construction Resource Center, Inc. (hereinafter "BCRC"), a non-profit corporation that was formed to provide services in the construction industry, including, but not limited to, education and referral services concerning alcohol, drug and other substance abuse, which purposes are more fully defined in the Articles of Incorporation and By-Laws of said BCRC.
- (B) Each Employer under this Agreement shall pay to BCRC the amount as specified in Article XXVI of this Agreement per hour worked by each of its Employees covered by this Agreement. Each Employer is obligated to make such contributions, regardless of whether or not such Employer is a member of BCRC.
- (C) Payments required to be made to BCRC shall be deemed to be governed by the provisions of this Agreement pertaining to the collection of the Health and Welfare and Pension payments required to be made by the Employer and thus, may be enforced in the same manner.
- (4) The Board of Directors of BCRC will have full audit authority of the Employer's books and records as they pertain to this contribution. It is further understood

that, in the event an Employer is determined to be delinquent and/or to have failed to make contributions as required in this Article, any legal expenses of the BCRC, including attorney fees, court costs and audit expenses, incurred in the audit and collection of such delinquent and/or non-contributed funds shall be borne by the Employer. It is further understood and agreed that such Employer shall be obligated to pay any delinquent contributions to the BCRC with interest charged at the rate of twelve percent (12%) per annum.

- (5) The Employees covered by this Agreement will abide by the provisions of the BCRC substance abuse program and policies.
