

**GI JOBS TOP 50**  
military friendly employers 2007

Our ranking of the Top 50 Military-Friendly Employers® is based on company responses to our survey. This includes assets dedicated to military hiring, policies for Reserve/Guard called to active duty, the percentage of new hires over the past year who were veterans, and internal military and veteran recruiting/training/promotional/community programs. See page 24 for details on our methodology. Our list is released every year around Veterans Day in our December issue.
