

**Form TSP-70  
Request for Full Withdrawal**

**January 2008**

## GENERAL INFORMATION AND INSTRUCTIONS

Use this form to request an immediate withdrawal of your **entire** vested account balance, to be paid after your agency confirms your separation from Federal service. To request a partial withdrawal of your account, do not complete this form; instead, complete Form TSP-77, Request for Partial Withdrawal When Separated.

Before making a withdrawal request, read the booklet *Withdrawing Your TSP Account After Leaving Federal Service* and the TSP tax notice "Important Tax Information About Payments From Your TSP Account." Your former agency should have given you these materials when you separated from service. If you do not have these materials, download them from the TSP Web site ([www.tsp.gov](http://www.tsp.gov)) or ask your former agency for a copy. **Note:** If, after reading the TSP tax notice, you decide to submit a Form W-4P, Withholding Certificate for Pension or Annuity Payments, attach a copy of the form to your withdrawal request when you mail it to the Thrift Savings Plan (TSP). If you request a mixed withdrawal, indicate on the top of Form W-4P the option to which the withholding applies.

You should **not** complete Form TSP-70 if:

- **Your vested account balance is less than \$200.** The TSP will automatically send you a check for the balance of your account after your agency reports that you have separated.
- **You expect to be rehired after a break in service of less than 31 calendar days.** You must be separated from Federal service for 31 or more days in order to be eligible for a post-employment withdrawal. If you expect to be rehired after a break in service of **31 or more full calendar days**, see the withdrawal booklet for information about rehired participants and withdrawal restrictions.

### There are two ways to request a post-employment withdrawal:

1. Complete Form TSP-70 and mail it to the TSP; or
2. Use the TSP Web site ([www.tsp.gov](http://www.tsp.gov)) to begin (and, in some cases, complete) your withdrawal request. If your request cannot be completed on the Web because additional signatures, information, or documentation is needed or because you want to receive your money via direct deposit, you may print out your partially completed withdrawal request form at the end of your on-line session. Review the form, complete any missing information, and provide any required signatures and documentation. **Do not change or cross out any of the prefilled information** resulting from your entries on the Web; the form may not be accepted for processing if you do.

**Note:** Access to the Web site's post-separation withdrawal request area is not available to you until your agency reports your separation to the TSP.

After completing your withdrawal request, make a copy for your records. Mail the original to: **Thrift Savings Plan, P.O. Box 385021, Birmingham, AL 35238.** Or fax the completed form to: **1-866-817-5023.**

If you have questions, call the (toll-free) ThriftLine at 1-TSP-YOU-FRST (1-877-968-3778) or the TDD at 1-TSP-THRIFT5 (1-877-847-4385). Outside the U.S. and Canada, please call 404-233-4400 (not toll free).

**SECTION I.** Complete Items 1–9. Your TSP account number is the 13-digit number that was issued to you. For security purposes, the TSP account number is used instead of your Social Security number to identify your account. The address you provide on this form will be used to update the address in your TSP account record. If you are married, provide your spouse's name. Only provide your spouse's Social Security number if you are a CSRS employee and you check Item 17 or are a FERS employee and you check Item 22.

**SECTIONS II and III.** Spouses' rights apply to accounts that are more than \$3,500 at disbursement. If your account balance is \$3,500 or less you do not need to complete Sections II or III.

### Spouses' Rights for Full Withdrawals

Classification	Requirement	Exceptions
FERS	Spouse is entitled to a survivor annuity unless he or she waives that right.	Whereabouts unknown or exceptional circumstances
CSRS	Spouse is entitled to notification by TSP of participant's election.	Whereabouts unknown

If you are a **married CSRS participant** with an account balance of more than \$3,500, you must complete Section II so that your spouse may be notified of your withdrawal. If you do not know your spouse's whereabouts, check Item 17, provide your spouse's Social Security number in Item 10, and submit Form TSP-16, Exception to Spousal Requirements, with the required documentation.

If you are a **married FERS participant** and your account balance is more than \$3,500, complete Section III. By law, your spouse is entitled to an annuity with a 50% survivor benefit, level payments, and no cash refund (i.e., TSP Annuity Option 3b). If you would like to use your **entire vested account balance** to purchase this annuity, check the box in Item 18 and skip to Section VIII. For any other withdrawal option, including a mixed withdrawal, your spouse must waive his or her right to that annuity by signing and dating Items 19 and 20. Your spouse's signature must be notarized (Item 21).

If you cannot obtain your spouse's signature because his or her whereabouts are unknown or exceptional circumstances apply, check the box in Item 22, provide your spouse's Social Security number in Item 10, and submit Form TSP-16, Exception to Spousal Requirements, with the required documentation.

**SECTION IV. Withdrawal Method.** You must complete Item 23. You may withdraw your entire account balance by choosing any one, a combination of any two, or all three, of the basic withdrawal methods (single payment, monthly payments, life annuity). On the line to the right of each withdrawal method, indicate the percentage of your account that you would like to withdraw by that method. Be certain that the percentages in Items 23a, b, and c add up to 100%. Use whole percentages only. **Note:** You can use the calculators on the TSP Web site to project an annuity or a monthly payment.

If you choose to withdraw your account as a TSP annuity, the minimum amount to purchase the annuity is \$3,500. This means that if you are withdrawing only a portion of your account by means of an annuity (Item 23a), the percentage you choose must equal \$3,500 or more of your vested account balance. You must also provide information needed for the annuity purchase on Page 3 of this form.

If you are withdrawing any portion of your account by means of monthly payments (Item 23c), indicate either the dollar amount that you would like to receive each month or check the box to have the TSP compute your payments based on your life expectancy. If you choose a dollar amount, it must be at least \$25.

- **If you indicate a monthly dollar amount**, you will receive that amount until you change it or until your entire balance has been paid. **Note:** You are allowed to change the dollar amount annually.
- **If you choose to have the TSP compute your payments**, they will be computed using the IRS Single Life Table, Treas. Reg. § 1.401(a)(9)-9, Q&A 1 (for participants who are under age 70 after June 30 of the calendar year when payments are calculated) or the Uniform Lifetime Table, Treas. Reg. § 1.401(a)(9)-9, Q&A 2 (for participants who turn age 70 before July 1 of that year).

**Transfer Option.** If, in Item 23, you choose to withdraw any portion of your account as a single payment or monthly payments for a fixed dollar amount that results in payments that are expected to be completed in less than 120 months, you may be able to transfer all or any portion of the payment(s) to a traditional IRA, eligible employer plan, or Roth IRA.

**Not everyone is eligible to transfer funds to a Roth IRA.** You are not eligible for a Roth transfer if either of the following conditions applies: (1) your modified adjusted gross income is over \$100,000 or (2) you are married and file a separate return. Additionally, **you must pay tax on the amount you transfer** from the TSP to a Roth IRA; the tax liability is incurred for the year of the transfer. We strongly encourage you to consult with a tax advisor regarding your eligibility for, and the tax consequences of, making the transfer.

Single or eligible monthly payments that are not transferred directly to an IRA or plan are subject to **mandatory 20% Federal income tax withholding**. Read the TSP tax notice "Important Tax Information About Payments From Your TSP Account" for detailed tax rules.

## GENERAL INFORMATION AND INSTRUCTIONS

---

**SECTION V.** If you chose to transfer any portion of your single or monthly payments by completing Item 24 and/or Item 25, complete this section. Your traditional IRA, eligible employer plan, or Roth IRA can use this information to identify you when completing Section VI.

**SECTION VI.** If you chose to transfer your single payment or eligible monthly payments to a traditional IRA, eligible employer plan, or Roth IRA, **your financial institution or plan administrator must complete this section before you submit this form to the TSP.** (The traditional IRA, eligible employer plan, and Roth IRA are described in the TSP tax notice "Important Tax Information About Payments From Your TSP Account.")

**Do not submit transfer forms of financial institutions or plans; the TSP cannot accept them.**

**Note:** You can transfer to only *one* traditional IRA, eligible employer plan, or Roth IRA; therefore, if you chose a mixed withdrawal with both single and monthly payments (that are eligible to be transferred), all payments you chose to transfer will be sent to the financial institution/plan and account designated in this section.

The institution or plan to which your withdrawal is to be transferred must be a trust established inside the United States (i.e., the 50 States and the District of Columbia).

The financial institution or plan should retain a copy of this page to identify the account to which the check should be deposited when it is received. If the transfer is to a traditional IRA or Roth IRA, the institution accepting the transfer should submit IRS Form 5498, IRA Contribution Information, to the IRS. The TSP will report all payments and transfers to you and to the IRS on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc.

**Type of Account and Account Number.** In Item 33, indicate whether the transfer is to a traditional IRA, eligible employer plan, or Roth IRA. In Item 34, enter the account number, if available, of the IRA or plan

to which the money is to be transferred. If the transfer is to an eligible employer plan, you must provide the plan name (Item 35).

**Make check payable to.** Provide the name of the IRA trustee or plan administrator (Item 36) as it should appear on the check. The check will be made payable to the name you provide on this line.

**Mail to.** If the check is to be mailed to someone other than the payee of the check, provide the name and address (Items 37–38) of the institution and/or person to whom the check should be sent.

The certifying representative must provide the requested information in Items 39–42. If we need to contact the financial institution or plan for more information, the individual named here will be used as the contact person.

**SECTION VII.** Complete this section only if you want the TSP to send your single payment or monthly payments directly to your checking or savings account by means of a direct deposit (electronic funds transfer (EFT)). Provide all of the requested information. If you do not know the 9-digit Routing Number, contact your financial institution for this information.

**Note:** Only payments that are **not being transferred** to a traditional IRA, eligible employer plan, or Roth IRA can be paid by EFT. EFTs will be made only to a financial institution in the United States. EFT is a safer method of payment than mailing a check to you.

**SECTION VIII.** Read the certification; then sign and date it. By signing the certification, you are certifying that the information you have provided is true and complete to the best of your knowledge. You are also certifying that you are separated from Federal service and that your separation will last for 31 days or more. In addition, you are certifying that, if you chose to transfer your withdrawal to a Roth IRA, you are eligible to make the transfer and that you understand that you must pay tax on the amount transferred for the year of the transfer.

## GENERAL INFORMATION AND INSTRUCTIONS

**Complete Page 3 (Sections IX–XII) only if you would like to purchase an annuity and have indicated this by checking the box in Item 18 or by entering a percentage in Item 23a.**

Before completing this page, read the annuity information contained in the booklet *Withdrawing Your TSP Account After Leaving Federal Service*. **Note:** You cannot change your annuity option or cancel your annuity once your annuity has been purchased.

**SECTION IX.** Provide your gender, then choose the annuity option you want by checking the appropriate box. **Note:** If you are a married FERS participant and you checked Item 18 on Page 1, you must select Annuity Option 3b; otherwise, your form cannot be accepted.

An asterisk (\*) before an annuity option number indicates that there is a cash refund or 10-year certain feature associated with that annuity. If you choose one of these annuities, you must complete Section XI and name beneficiaries for your annuity.

If you are choosing among the joint life annuities, consider both the monthly payments you will receive while you and your joint annuitant are both alive and the payments that will be made to the survivor if one of you dies. If you choose a joint life annuity with a 50 percent survivor benefit, the monthly annuity payment to the survivor — whether the survivor is you or your joint annuitant — will be reduced by half (that is, 50 percent) of the annuity payment made while you and your joint annuitant are alive. If you choose an annuity with a 100 percent survivor benefit, the monthly annuity payment to the survivor will not be reduced when one of you dies. However, with the 100 percent survivor benefit, the monthly payment that you will receive while you and your joint annuitant are both alive will be less than if you select the 50 percent survivor benefit. The booklet *Withdrawing Your TSP Account After Leaving Federal Service* provides detailed information.

**SECTION X.** If you chose a joint life annuity, you must provide the requested information about your joint annuitant. You must also provide a copy of your joint annuitant's birth certificate. If your joint annuitant's birth certificate is unavailable, one of the following three items may be used if the date of birth is shown: baptismal certificate, family bible record, or marriage certificate. If a birth certificate or the above items are not available, submit **two** of the following types of evidence: school or college record, church record, birth certificate of children (if parent's age is shown), family record of genealogies, driver's license, military identification, military discharge papers, passport, life insurance papers, hospital records, census records, or voting records. **Do not send original documents;** they will not be returned to you. If the name on a document is not the same as the current name of the joint annuitant, you may be requested to submit a statement from the joint annuitant indicating that he or she is the person named in the document.

If you choose an annuity that provides for a joint annuitant other than your spouse, the joint annuitant must be either a former spouse or someone with an **insurable interest** in you. This means that the person is financially dependent on you and could reasonably expect to derive financial benefit from your continued life. Blood relatives or adopted relatives (but not relatives by marriage) who are closer than first cousins are presumed to have an insurable interest in you. **If you name such a joint annuitant (i.e., a former spouse or someone with an insurable interest) who is more than 10 years younger than you, you must choose a joint life annuity with the 50 percent**

**survivor benefit. The only exception is for a former spouse to whom all or a portion of your TSP account is payable pursuant to a retirement benefits court order.**

If the person you named as your joint annuitant is not presumed to have an insurable interest in you, you must submit an affidavit (i.e., a certification signed before a notary public) from someone with personal knowledge that the named person has an insurable interest in you. The certifier must know the relationship between you and the joint annuitant and must state why he or she believes that the named joint annuitant might reasonably expect to benefit financially from your continued life.

**SECTION XI.** If you chose an annuity option with a cash refund or 10-year certain feature, you must designate a beneficiary or beneficiaries to receive benefits from the annuity after your death, under the conditions outlined in that feature. The beneficiary designation on this form applies to the portion of your account used for the annuity purchase. After your annuity is purchased, changes in your beneficiary designation must be made directly with the annuity provider.

The share of any beneficiary who dies before you die will be distributed among the surviving beneficiaries in proportion to the shares you indicate, or entirely to the surviving beneficiary. You may name any person, corporation, trust, legal entity, or your estate as your beneficiary. If you need additional space, use a blank sheet of paper with your name, TSP account number, and date of birth on it. If you use additional pages, number, sign, and date each page. Use the same date on each page.

Indicate a percentage or fractional share for each beneficiary. Do not mix percentages and fractions. Percentages must add up to 100 percent; fractions must add up to 1.

- **If your beneficiary is a person,** enter for each beneficiary the last name, first name, and middle name; Social Security number (SSN); and relationship to you.
- **If your beneficiary is a firm, corporation, or other legal entity,** enter the name of the legal representative. Enter the Employer Identification Number (EIN) and enter "firm" and the name of the firm on the relationship line.
- **If the beneficiary is a trust,** enter the name of the trustee. Enter the EIN, if available, and enter "trustee," the name of the trust, and the date the trust was established on the relationship line.
- **If the beneficiary is an estate,** enter the name of the executor. Enter the EIN, if available. Enter "executor" and the name of the estate on the relationship line.

**SECTION XII.** Sign and date the form.

**PRIVACY ACT NOTICE.** We are authorized to request the information you provide on this form under 5 U.S.C. chapter 84, Federal Employees' Retirement System. We will use this information to identify your TSP account and to process your transaction. In addition, this information may be shared with other Federal agencies for statistical, auditing, or archiving purposes.
