**National Resource Centers Program for Foreign Language and Area Studies or Foreign Language and International Studies and Foreign Language and Area Studies Fellowships Program**

Notice inviting applications for new awards for fiscal year (FY) 1997

*Purpose of Program:* The National Resource Centers Program makes awards to institutions of higher education for general assistance in strengthening nationally recognized centers of excellence in foreign language and area or international studies. National Resource Centers awards are used to support undergraduate centers or comprehensive centers, which include undergraduate, graduate, and professional school components. The Foreign Language and Area Studies Fellowships Program makes awards to institutions of higher education for fellowship assistance to meritorious students undergoing graduate training in modern foreign languages and related area or international studies. Foreign Language and Area Studies Fellowship monies are used to support academic year and summer fellowships.

*Eligible Applicants:* Institutions of higher education, public and private, or combinations of those institutions.

*Deadline for Transmittal of Applications:* November 4, 1996.

*Deadline for Intergovernmental Review:* January 3, 1997.

*Applications Available:* September 27, 1996.

*Available Funds:* For FY 1997 the Administration has requested \$19,035,400 for new awards under the National Resource Centers Program and \$13,400,000 for the Foreign Language and Area Studies Fellowships Program. However, the actual level of funding is contingent on final congressional action.

*Estimated Range of Awards:* \$125,000 to \$225,000 for the National Resource Centers Program.

*Estimated Average Size of Awards:* \$173,050 for the National Resource Centers Program.

*Estimated Number of Awards:* 110 grant awards for the National Resource Centers Program; for the Foreign Language and Area Studies Fellowships Program 580 academic year fellowships and 300 summer fellowships. It is anticipated that 130 institutions will receive grants of fellowship allocations.

*Foreign Language and Area Studies Fellowships Program Cost-of-Education Allowance:* For the new grant cycle, student subsistence allowance levels

will be \$10,000 for an academic year fellowship and \$2,400 for a summer fellowship. Institutional payments in lieu of tuition will be \$10,000 for an academic year fellowship and \$3,600 for a summer fellowship. Summer fellowships to be used on campuses other than that of the student's home institution may also include travel awards of \$1,000 or the actual cost of travel, whichever is less. The amount of the award will not include allowances for dependents. Foreign Language and Area Studies Fellowships Program budgets should, therefore, reflect costs of \$20,000 per academic year fellowship, \$6,000 per summer fellowship requested, and summer travel awards, if requested.
