Memorandum

To: Director, Office of Environmental Policy and Compliance

From: **Acting**
Director *Kenneth Stansell*

Subject: Fish and Wildlife Service Environmental Safeguards Plan for All Hazards
Emergencies

The Fish and Wildlife Service (FWS) has completed its final Environmental Safeguards Plan for All Hazards Emergencies (FWS ES Plan) in accordance with the directive from the Assistant Secretary for Policy, Management, and Budget dated September 25, 2006. The FWS ES Plan establishes policies and procedures for preparedness, response, and recovery efforts associated with Emergency Support Function # 10 – Hazardous Material or Oil Spill response, and Emergency Support Function # 11 – Agriculture and Natural Resources, part (d) Natural, Cultural, and Historic resources.

This final FWS ES Plan will be distributed to all FWS offices via our document assignment and tracking system, and also made available through the FWS Policies/Memoranda website. If you have any questions, please contact Dr. Mamie Parker, Assistant Director for Fisheries and Habitat Conservation, at (202)208-6394.
