Dear Applicant:

Thank you for your interest in applying for a grant under Title III, Part A, of the Higher Education Act of 1965, as amended (HEA). This package contains the necessary forms and instructions to apply for a fiscal year (FY) 2008 grant under the Strengthening Institutions Program (SIP), the American Indian Tribally Controlled Colleges and Universities (TCCU) Program, and the Alaska Native-Serving and Native Hawaiian-Serving Institutions (ANNH) Program. The overall purpose of these programs is to provide grants to eligible institutions of higher education to enable them to improve their academic quality, institutional management, and fiscal stability in order to increase their self-sufficiency and strengthen their capacity to make a substantial contribution to the higher education resources of the Nation.

To receive a grant under Title III, Part A, an institution of higher education must have applied for and received designation as an eligible institution. The Notice inviting FY 2008 applications to Request Designation As An Eligible Institution Under The Title III, Part A Programs was published in the Federal Register on March 10, 2008. **The deadline date for receipt of that application was April 9, 2008.**

**Note: For FY 2008, the Secretary will not award one-year planning grants under the Strengthening Institutions Program (84.031A).**

In FY 2008, Congress has appropriated additional funds under the College Cost Reduction and Access Act of 2007 (CCRAA) for the TCCU and ANNH programs. An additional \$30,000,000 was made available for TCCU and \$15,000,000 for ANNH. Information is included herein regarding how grants will be issued for these monies.

The Department requires applicants to use an Internet-based electronic system for submitting applications. We are requiring that applications for FY 2008 grants under these programs be submitted electronically using the Grants.gov Apply site (Grants.gov). You are urged to acquaint yourself with the requirements of Grants.gov early. A more thorough discussion is included in this application package. Grants.gov is accessible through its portal page at:

<http://www.grants.gov>

We also urge you to consider the following three extremely important administrative factors if you are planning to apply for these programs:

1. We strongly encourage you to register in Grants.gov early. The registration procedures may require 5 or more days to complete.
2. We strongly recommend that you submit your application 2-3 days prior to the closing date. The time it takes to upload an application will vary depending on your application and the speed of your Internet connection. The application submission process must be complete prior to the deadline for transmittal of applications.

3. In order to submit successfully, you must remember to provide the same DUNS number on your application that was used when your organization registered with the Central Contractor Registry (CCR).

After you electronically submit your application, you will first receive an e-mail from Grants.gov acknowledging the date and time at which your application was received. You will receive a second e-mail from Grants.gov that will state that your application has been validated OR that your application was rejected with errors. If your application is validated, you will receive a third e-mail from the Department of Education with an assigned PR/Award number, which is an ED-specified identifying number that is unique to your application. **This third confirmation by e-mail, with a PR/Award number assigned, is the e-mail that verifies that your application was submitted on time by the closing date. This may take several days.**

For information (including dates and times) about how to submit your application electronically, please refer to the official Notice Inviting Applications for New Awards for FY 2008 published in the Federal Register. The Federal Register Notice Inviting Applications for New Awards and application instructions are included in this package. You are encouraged to fully review the Closing Date Notice carefully before preparing your application.

You are reminded that you should not rely upon any information that is inconsistent with the guidance contained within this application package. I urge you to carefully read all the information contained in this package, including the eligibility requirements found in Sections 316 and 317 of the HEA and the highlights of key changes, before preparing your application.

Finally, we would like to share with you the importance of ensuring that your application includes a strong evaluation plan. The peer reviewers will be instructed to look closely at the potential of applicants to successfully reach their individual project goals, which are driven by the performance indicators for the Title III, Part A programs. The evaluation plan should not only include formative and summative measures, but also, address the use of appropriate controls and techniques that provide for independent evaluation. The evaluation plan should shape the development of the project from the beginning of the grant period and provide benchmarks for the monitoring of progress and measurement of that progress throughout the grant award period. You should pay close attention to the information provided in the Instructions for Project Narrative section of this application regarding the development of your evaluation activity.

If you have questions, please contact Darlene B. Collins, Team Leader, at (202) 502-7576.

Sincerely,

/signed/  
James E. Laws, Jr., Ed.D.  
Director  
Institutional Development and  
Undergraduate Education Service

## COMPETITION HIGHLIGHTS

1. **SIP applications submitted for FY 2008 must be submitted electronically using Grants.gov.** You are urged to acquaint yourself with the requirements of Grants.gov early as the registration procedures may require 5 or more days to complete. A more thorough discussion is included later in this application package. Grants.gov is accessible through its portal page at:

<http://www.grants.gov>

2. It is important to know that the Grants.gov site works differently than the Department's e-Application system, used in previous competitions.

Grants.gov does not allow applicants to "un-submit" applications. Therefore, if you discover that changes or additions are needed once your application has been accepted and validated by the Department, you must "re-submit" the application. You should know that if the Department receives duplicate applications, we will accept and process the application with the latest "date/time received" validation.

3. In the FY 2008 competition under the College Cost Reduction and Access Act of 2007 (CCRAA), the Department has an additional:
  - \$30,000,000 in funds for the Tribally Controlled Colleges and Universities (TCCU) Program. The funds will be used to support ten two-year construction grants at \$3,000,000 per year per eligible grantee.
  - \$15,000,000 in funds for the Alaska Native and Native Hawaiian (ANNH) Program. The funds will be used to support ten two-year renovation grants at \$1,000,000 - \$2,000,000 per year per eligible grantee.

**Please note that the above information is contained in the Closing Date Notice in this application package. You are urged to fully review the Closing Date Notice carefully before preparing your application.**

4. **Applicants are required to submit a Program Abstract as well as a Program Profile page.** Information provided in the Program Abstract is limited to one single-spaced page and must be uploaded into the "ED Abstract Form" in the Grants.gov application package. Please note the additional instructions for preparing the Program Abstract located in the "Instructions for Completing the Application Package".

Applicants are also required to copy and paste the Program Profile, which contains the tie-breaker information, into a separate document or recreate the form exactly as it appears and attach the form to the "Other Attachments Form" as either a .DOC, .RTF or .PDF document.

Applicants are asked to carefully read question #4 on the Program Profile information and, if applicable, to check the box or place an X next to the box certifying that they will comply with the statutory requirements and program assurances (regarding endowments) cited in the program regulations.

5. Please note that you must submit your application by 4:30 p.m. (Washington, D.C. time) on or before the application deadline date. Late applications will not be accepted. **We suggest that you submit your application several days before the deadline.** The Department is required to enforce the established deadline to ensure fairness to all applicants. No changes or additions to an application will be accepted after the deadline date and time.
6. Electronic submission of applications is required; therefore, you must submit an electronic application unless you follow the procedures outlined in the Federal Register Notice Inviting Applications For New Awards for FY 2008 and qualify for one of the exceptions to the electronic submission requirement.
7. All applicants are required to adhere to the following page limits for the Program Narrative portion of the application:  
  
50 pages for 5-year individual development grants;  
70 pages for cooperative arrangement development grants; and  
35 pages for 1-year and 2-year construction and renovation grants.
8. All attachments must be in .DOC, .RTF, or .PDF format. Other types of files will not be accepted.
9. Please note that Grants.gov does not currently support the new Microsoft Vista Operating system. The PureEdge software used by Grants.gov for forms is not compatible with Vista. In addition, the new version of Microsoft Word saves documents with the extension .DOCX. The Grants.gov system does not process Microsoft Word documents with the extension .DOCX. When submitting Microsoft Word attachments to Grants.gov, please use the version of Microsoft Word that ends in .DOC. If you have any questions regarding this matter please email the Grants.gov Contact Center at [support@grants.gov](mailto:support@grants.gov) or call 1-800-518-4726.

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to log on to Grants.gov to upload and submit the application. This is different from e-Application, where you are working online and saving data to the Department's database. You must provide the same DUNS number that was used when your organization registered with the CCR.

For help with Grants.gov, please go to <http://www.grants.gov/ForApplicants> and click on "help" at the top of the screen. Also, refer to the "Submission Procedures and Tips for Applicants" found in this application booklet.

You are reminded that the document published in the Federal Register is the official document, and that you should not rely upon any information that is inconsistent with the guidelines contained within the official document.

IMPORTANT – PLEASE READ FIRST

**U.S. Department of Education**

**GRANTS.GOV SUBMISSION PROCEDURES AND TIPS FOR APPLICANTS**

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

- 1) **REGISTER EARLY** – Grants.gov registration may take five or more business days to complete. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the registration steps are complete. For detailed information on the Registration Steps, please go to: [http://www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp). [Note: Your organization will need to update its Central Contractor Registry (CCR) registration annually.]
- 2) **SUBMIT EARLY** – **We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded.** The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully before 4:30 pm on the deadline date.

**Note: To submit successfully, you must provide the same DUNS number on your application that was used when your organization registered with the CCR.**

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov and the Department of Education receive your Grants.gov submission timely and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 4:30 p.m. on the deadline date, and the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned.

If the date/time received is later than 4:30 p.m. Washington, D.C. time, on the closing date, your application is late. If your application has a status of “Received” it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to “Validated” or “Rejected with Errors.” If the status is “Rejected with Errors,” your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: [http://www.grants.gov/help/submit\\_application\\_faqs.jsp#10](http://www.grants.gov/help/submit_application_faqs.jsp#10). For more

detailed information on why an application may be rejected, you can review Application Error Tips

<http://www.grants.gov/section910/ApplicationErrorTips.pdf>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

### **Submission Problems – What should you do?**

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or use the customer support available on the Web site: [http://www.grants.gov/applicants/applicant\\_help.jsp](http://www.grants.gov/applicants/applicant_help.jsp).

If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

### **Helpful Hints When Working with Grants.gov**

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application. **You must provide on your application the same DUNS number that was used when your organization registered with the CCR.**

Please go to [http://www.grants.gov/applicants/applicant\\_help.jsp](http://www.grants.gov/applicants/applicant_help.jsp) for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Submit Application FAQs found on the Grants.gov [http://www.grants.gov/help/submit\\_application\\_faqs.jsp](http://www.grants.gov/help/submit_application_faqs.jsp).

### **Dial-Up Internet Connections**

When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, (e.g. cable modem/DSL/T1). While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. **If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

### MAC Users

If you do not have a Windows operating System, you will need to use the Citrix solution discussed on Grants.gov or a Windows Emulation program to submit an application using Grants.gov. For additional information, review the FAQs for non-windows users [http://www.grants.gov/resources/download\\_software.jsp#non\\_window](http://www.grants.gov/resources/download_software.jsp#non_window). Also, to view white paper for Macintosh users published by Pure Edge go to the following link: <http://www.grants.gov/section678/PureEdgeSupportforMacintosh.pdf>, and/or contact Grants.gov Customer Support (<http://www.grants.gov/contactus/contactus.jsp>) for more information. **If electronic submission is required and you are concerned about your ability to submit electronically as a non-windows user, please follow instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

### ATTENTION – Microsoft Vista and Word Users

Please note that Grants.gov does not currently support the new Microsoft Vista Operating system. The PureEdge software used by Grants.gov for forms is not compatible with Vista.

In addition, the new version of Microsoft Word saves documents with the extension .DOCX. The Grants.gov system does not process Microsoft Word documents with the extension .DOCX. When submitting Microsoft Word attachments to Grants.gov, please use the version of Microsoft Word that ends in .DOC. If you have any questions regarding this matter please email the Grants.gov Contact Center at [support@grants.gov](mailto:support@grants.gov) or call 1-800-518-4726.

## GRANTS.GOV REGISTRATION INSTRUCTIONS FOR ORGANIZATIONS

The Grants.gov registration process involves three basic steps:

1. Register your organization
  - Obtain a DUNS Number (see below for instructions)
  - Register with the Central Contractor Registry (see below for instructions)
2. Register yourself as an Authorized Organization Representative (AOR)
  - Obtain a username and password from the Grants.gov credential provider (<https://apply.grants.gov/OrcRegister>)
  - Register with Grants.gov (<https://apply.grants.gov/GrantsgovRegister>)
3. Get authorized as an AOR by your organization
  - Receive approval from your organization's E-Business POC (see CCR instructions below for details)
  - If you are both the E-Business POC and an AOR, you should authorize your own AOR request

For more information, go to [http://www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp).

Note: If you are a grant applicant who is submitting a grant application on your own behalf and not on behalf of a company, institution, state, local or tribal government, or other type of organization, refer to <http://www.grants.gov/assets/IndividualRegCheck.pdf>. If you apply as an individual to a grant application package designated for organizations, your application will be rejected.

### DUNS NUMBER INSTRUCTIONS

To successfully submit an application using Grants.gov, you must provide your organization's DUNS Number. The DUNS Number is a unique nine-digit number issued by Dunn and Bradstreet (D&B), a global information services provider, that identifies your organization and is used by the Federal government to track how Federal money is distributed. Most large organizations, libraries, colleges, and research universities already have DUNS numbers. Ask your grant administrator or chief financial officer to provide your organization's DUNS Number.

If your organization does not have a DUNS Number, you can obtain one at no charge by calling 1-866-705-5711 or by completing a DUNS Number Request Form ([http://www.dnb.com/US/duns\\_update/index.html](http://www.dnb.com/US/duns_update/index.html)). You will need to provide the following information:

- Legal name
- Tradestyle, doing business as (DBA), or other name by which your organization is commonly recognized
- Physical address, city, state and zip code
- Mailing address (if separate)
- Telephone number
- Contact name
- SIC code (Line of Business)
- Number of employees at your location
- Headquarters name and address (if there is a reporting relationship to a parent corporate entity)
- Is this a home-based business?

Obtaining a DUNS Number places your organization on D&B's marketing list, which is sold to other companies. You can request not to be added to this list during your application.

Live help from D&B is available Monday-Friday, 8 a.m. – 5 p.m. (EST) at 1-888-814-1435.

## **CENTRAL CONTRACTOR REGISTRATION (CCR) INSTRUCTIONS**

The CCR is a web-enabled government-wide application that collects, validates, stores, and disseminates business information about the Federal government's trading partners in support of the contract award, grants, and electronic payment processes. Check to see if your organization is already registered at the CCR website (<http://www.bpn.gov/ccrinq/scripts/search.asp>).

If your organization is already registered, take note of who is listed as your E-Business Point of Contact (E-Business POC). This person will be responsible for authorizing who within your organization is able to submit applications using Grants.gov.

If your organization is not already registered, you can register using the CCR website (<https://www.bpn.gov/ccr/scripts/indexnew.asp>) or by phone (1-888-227-2423). When your organization registers with CCR, you will need to designate an E-Business Point of Contact (POC). This designee authorizes individuals to submit grant applications on behalf of the organization. A special Marketing Partner ID Number (MPIN) is established as a password to verify the E-Business POC.

The E-Business POC will be notified by e-mail when individuals from their organization register with Grants.gov. This registration is a request to be designated as an Authorized Organization Representative (AOR). To assign AOR rights, E-Business POCs need to log into Grants.gov ([http://www.grants.gov/applicants/e\\_biz.jsp](http://www.grants.gov/applicants/e_biz.jsp)) using the organization's DUNS Number and MPIN. Grants.gov will send the AOR a confirmation e-mail when this process has been completed.

**Please note that your CCR registration must be renewed once a year.** You can check your registration status using the CCR search page (<http://www.bpn.gov/ccrinq/scripts/search.asp>).

If you have further questions about creating, updating or renewing your CCR registration, please visit the CCR Frequently Asked Questions page (<http://www.ccr.gov/FAQ.asp>) or contact the CCR Help Desk at 1-888-227-2423.

## APPLICATION TRANSMITTAL INSTRUCTIONS

## FOR ALL GRANT APPLICATIONS

This section provides you with information critical to your successful completion and submission of a grant application for these programs.

When developing your application, be sure to address the selection criteria (34 CFR §607.22(b)-(g)) **separately for each proposed activity**, as precisely as possible to ensure your application contains the information readers will need to judge the quality of the proposed development project.

**Your development grant application (individual or cooperative arrangement) must contain the following:**

### **1. Application for Federal Assistance (SF 424)**

Use the Application for Federal Assistance (SF 424) as the official request for Title III funding. This form is accessible on-line using our Grants.gov system. Be sure to download the correct application (by CFDA number) and to specify, on the SF 424, the type of grant (individual development, cooperative arrangement development, construction, or renovation) for which you are applying.

### **2. Department of Education Supplemental Information Form for the SF 424**

### **3. ED Abstract Form**

Applicants are required to submit a one page single-spaced Project Abstract. Please include in the Project Abstract the name of the institution, city, and purpose. The Project Abstract must be uploaded into the "ED Abstract Form" in the Grants.gov system.

### **4. Program Profile Page (To be attached to the “Other Attachments Form”).** This form is used to profile you, the applicant. It also addresses endowment funding, dual submission certification and cooperative arrangements.

### **5. Selection Criteria - Program Narrative Attachment**

**As part of addressing the selection criteria and developing the Comprehensive Development Plan (CDP), we presume that your institution has analyzed the major problems affecting it, and designed specific strategies to address and possibly resolve these problems. You should be ready to carry out the proposed project once you receive the grant and should not use the funds for intensive planning activities.**

Be sure to include a Table of Contents. The Table of Contents will not be included in the page count. Prepare your complete program narrative in a .DOC, .RTF, or .PDF format and attach it to the “Project Narrative Attachment Form” in the application package downloaded from Grants.gov.

**Content:** This is the narrative portion of your application where you address the weighted selection criteria that the readers will use to evaluate your application and to assess the strengths and weaknesses of your application. **These pages will be included in the mandatory page count.**

**For each proposed activity**, separately address the selection criteria ((a) through (g)), in the same order as they appear below and as precisely as possible, to ensure your application contains the information readers will need to judge the quality of the proposed development (individual or cooperative arrangement) grant activities.

Title each activity so that the reader readily knows your focus. The HEA lists the allowable activities for the Strengthening Institutions Program, the American Indian Tribally Controlled Colleges and Universities Program, the Alaska Native- Serving Institutions Program, and the Native Hawaiian-Serving Institutions Program. See Sections 311, 316, and 317 of the HEA, respectively.

**(a) Quality of the Applicant’s Comprehensive Development Plan  
(Maximum: 25 points).**

**(1)** The strengths, weaknesses, and significant problems of the institution’s academic programs, institutional management, and fiscal stability are clearly and comprehensively analyzed and result from a process that involved major constituencies of the institution.

**Content:** Separately describe and analyze your institution's strengths, weaknesses, and significant problems in the following three areas as they relate to each proposed activity:

1. Academic programs,
2. Institutional management, and
3. Fiscal stability.

We are considering “weaknesses” and “significant problems” to be one and the same. Use the grant funds to address some of these weaknesses and problems. Here are some guidelines for stating the problems:

- State what is “too high” or what is “too low”. For example, the percentage of freshmen students who fail four courses is too high. When you state the problem this way, the objectives become obvious. Such as, “to decrease, from 42 percent to 30 percent, the percentage of freshmen students who fail four courses.”
- Avoid problem statements that declare the problem as "the lack of " or "the need for" the very solution you are proposing for funding. Such as, "the problem with our academic programs is a lack of or need for student services outside the classroom. Thus, we propose an activity to establish those student services." This type of statement usually contains circular reasoning.

- Provide summaries of or excerpts from recent data, reports, evaluations or studies that demonstrate that you have objectively and thoroughly analyzed your institution's main problems.
- Describe the process you used to formulate the above information.
- Provide evidence of the extent and nature of the faculty, staff, students, community, industry, and other major constituents' involvement in this process. You may rely on previously written information, such as a self-study for accreditation, as long as your process for developing the information involved the major constituencies' representatives and reflects your institution's current situation.

(2) The goals for the institution's academic programs, institutional management, and fiscal stability are realistic and based on comprehensive analysis.

**Content:** Based on a comprehensive analysis of your institution's strengths, weaknesses, and significant problems, separately state the institutional goals as they relate to each proposed activity you plan to address using Title III, Part A funds.

(3) The objectives stated in the plan are measurable, related to institutional goals, and if achieved, will contribute to the growth and self-sufficiency of the institution.

**Content:** Focusing only on the institutional objectives that are specifically related to your proposed Title III, Part A activities, separately provide measurable objectives for how you will reach each of the goals as you discussed in #2. Achieving the objectives outlined should contribute to the growth and self-sufficiency of the institution.

**Describe in measurable terms how objectives are related to the goals of the institution. The description should include details on the following:**

Specific Tasks

Institutionalize personnel, programs and services.

Methods Involved

Operational funding budgeted and allocated to sustain improvements.

Tangible Results

Program, services and personnel fully institutionalized.

(4) The plan clearly and comprehensively describes the methods and resources the institution will use to institutionalize practices and improvements developed under the proposed project, including, in particular, how operational costs for personnel, maintenance, and upgrades of equipment will be paid with institutional resources.

**Content:** In this section, separately describe the following for each proposed activity:

The methods your institution will use to integrate practices and improvements developed into its operations and, if appropriate, continue them after the grant ends. For example, provide specifics on how your institution will obtain approval from appropriate internal and/or external governance authorities to conduct new or revised curricula and use new intervention strategies. What will the time period be for these actions?

1. The resources you will need to institutionalize newly developed practices and improvements and, most importantly, how you will fund them. In particular, discuss how your institution will fund operational costs such as personnel, maintenance, and upgraded equipment. For example, one way to ensure that positions continue after the grant ends is for your institution to pay a percentage of the salary during the grant and increase that percentage during years two, three, four, and five.
2. If you are applying under the TCCU or ANNH Program, incorporate your institution's five-year plan for improving the assistance it provides to the target student population (American Indian, Alaska Native or Native Hawaiian) within your CDP. If you are an applicant under the TCCU Program, you will also need to address your institution's plan to increase rates at which American Indian secondary school students enroll in higher education, and to increase overall post-secondary retention rates for American Indian students.

**(b) Quality of Activity Objectives (Maximum: 15 Points).**

**(1) The extent to which the objectives for each activity are realistic and defined in terms of measurable results.**

**Content:** State your annual objectives, separately for each activity, which, when combined with their performance indicator(s), are measurable and realistic (not too high, not too low). Connect each objective to the problem or weakness it should address, as you described in the CDP. In addition:

- DO NOT identify process objectives such as: "To establish a college-wide committee", whose measurement is: "We formed a committee." Identify processes or tasks under the Implementation Strategy, as discussed next.
- DO use words such as "to increase" or "to decrease" since you are more likely to be describing a genuine, outcome objective.
- DO NOT begin your objective with words such as "to provide," "to develop," or "to establish." This heightens the likelihood you may be describing a process or task rather than an outcome objective.

- DO provide a realistic number of objectives and performance indicators for each proposed activity and for each year you are requesting funds for that activity.

**(2) The extent to which the objectives for each activity are directly related to the problems to be solved and to the goals of the comprehensive development plan.**

**Content:** Separately describe how meeting the objectives of each proposed activity will address a problem identified in the CDP and affect your institution's ability to address its goals for its academic programs, institutional management, or fiscal stability.

If you need funds for more than one activity, you may propose different start and end dates and vary the duration of each. For example, you may need only three years to develop a new curriculum but five years to develop a new management information system. Any proposed activity should address a critical problem that the CDP describes as hindering institutional growth and self-sufficiency. If you propose to use up to 20% for endowment investing, do not write an activity narrative regarding this use of endowment investing, as we do not consider it an activity in the usual sense.

**(c) Quality of Implementation Strategy (Maximum: 20 Points).**

**(1)** The extent to which the implementation strategy for each activity is comprehensive.

**(2)** The extent to which the rationale for the implementation strategy for each activity is clearly described and is supported by the results of relevant studies or projects.

**Content:** For each proposed activity, explain why you chose a specific method for implementing that activity. Include how you determined that method to be most effective, indicating relevant studies or projects that you reviewed and experts that you consulted.

**(3)** The timetable for each activity is realistic and likely to be attained.

- Chart an implementation strategy to meet your objectives for each year you are requesting funds and for each activity.
- Use time frames that are realistic for completing a task. Chart each of the five years using the budget period of October 1 to September 30.
- Describe in a comprehensive, sequential and clear manner who will do what and how they will do it to meet the objectives of each activity.
- Identify, by title, the primary participants who will carry out the tasks to meet the objectives. Describe how the personnel will perform the tasks and the results you expect from them.

**(d) Quality of Key Personnel (Maximum: 7 Points).**

(1) The extent to which the experience and training of key professional personnel are directly related to the stated activity objectives.

(2) The extent to which the time commitment of key personnel is realistic.

**Content:** For each proposed activity, list, by title and name (if available) which positions are being proposed using Title III funds and describe the qualifications you require of that position and the amount of time each person will allot to the proposed activity.

If you want to use a consultant, explain why a consultant is more advantageous than using the institution's personnel.

**(e) Quality of Project Management Plan (Maximum: 10 Points).**

(1) The extent to which procedures for managing the project are likely to ensure efficient and effective project implementation.

(2) The extent to which project coordinator and activity directors have sufficient authority to conduct the project effectively, including access to the president or chief executive officer.

The following information applies to the Title III, Part A, coordinator position:

- Under "Quality of Key Personnel", be sure to include the coordinator's required qualifications (education, experience, training) and the specific duties of the position. Directly relate the duties to the stated purposes and objectives of the project.
- Indicate how much time the Title III, Part A, coordinator will commit to the project. Make the time commitment realistic, not too high nor too low, relative to the tasks the individual will perform.

Note: Your Title III, Part A coordinator's time commitment to a project may vary considerably from that in another project or another institution's project. One project focused on developing a management information system, for example, may have a coordinator who is the director of technology in the ordinary hierarchy of the college. He or she may allot 10 percent time to coordinate the project for which the college will pay. On the other hand, a new coordinator of a faculty development project may be an instructional developer with a 50 percent time or maybe 100 percent time commitment paid for with Title III, Part A, funds. Carefully think through the management structure and time commitment that will work best at your institution and specify the reasons for your choice.

- Describe the procedures the project coordinator (project director) will use to manage and monitor the project's progress such as how information will be provided to key administrators so they can integrate project activities with related, on-going institutional activities.
- Describe the project coordinator's (project director) administrative authority over the activity director(s) who is normally responsible for accomplishing a specific activity's objectives. Also, describe the administrative authority of the activity director(s) over subordinates.
- Chart the lines of authority of the project coordinator to key institutional decision makers, including the president.

**(f) Quality of Evaluation Plan (Maximum: 15 Points).**

**(1)** The extent to which the data elements and the data collection procedures are clearly described and appropriate to measure the attainment of activity objectives and to measure the success of the project in achieving the goals of the comprehensive development plan.

**Content:** For each proposed activity, describe the data collection procedures the institution will use to identify the data elements, objectives, and goals identified in the CDP. Include measure attainment of each proposed activity. Include procedures for analyzing and using both formative and summative data.

**(2)** The extent to which the data analysis procedures are clearly described and are likely to produce formative and summative results on attaining activity objectives and measuring the success of the project on achieving the goals of the comprehensive development plan.

**Content:** For each proposed activity, describe in detail the project's evaluation plan, including who, what, when and how. Define the baseline indicators of progress that you will use.

The detailed evaluation plan should:

- Produce a valid assessment of your implementation strategies;
- Result in annual, quantifiable evidence of the extent to which you attained your objectives for each activity and your goals for which funding is requested;
- Include the data elements and collection procedures that you will use; and
- Describe procedures for analyzing and using both formative and summative data.

All applicants must submit a plan to conduct a project evaluation as part of their grant activities. The planned evaluation should be systematic in assessing the worth of a project and useful in guiding project objectives and focus primarily on determining the outcomes and impacts of the project relative to those objectives.

The evaluation should also serve to strengthen the management of the project and lead to better knowledge of what works in producing the desired outcomes.

An individual or organization, independent of the project team (and all of its partners), but not necessarily external to the grantee institution, should execute the project evaluation plan. This independent evaluator should assist in the initial preparation of the evaluation plan and be willing to work alongside the project team throughout the duration of the project. The evaluator should possess good evaluation skills commonly found among practitioners of the American Evaluation Association. Helpful Web sites to consult when preparing an evaluation plan include:

- Department of Education's Fund for the Improvement of Postsecondary Education: <http://www.ed.gov/about/offices/list/ope/fipse/evaluate.html>
- National Science Foundation: [http://www.nsf.gov/pubs/2004/nsf04016/nsf04016\\_4.htm](http://www.nsf.gov/pubs/2004/nsf04016/nsf04016_4.htm)
- Kellogg Foundation: <http://www.wkkf.org/default.aspx?tabid=75&CID=281&NID=61&LanguageID=0> (for their evaluation handbook)
- Academic Competitiveness Council [http://hub.mspnet.org/search/?action=true&search\\_text=evaluation](http://hub.mspnet.org/search/?action=true&search_text=evaluation)

The project director and team should be committed to gathering the best evaluation data possible for formative and summative purposes. Projects should collect baseline data before the project starts as a basis for measuring progress.

A summary of the evaluation report must be included in the final performance report submitted by the project to the Department of Education. The report, which also includes fiscal and management performance information, is due within 90 days after expiration of the award. The evaluation report should be included as an appendix to the final performance report as well as available upon request. (Please see 34 CFR 75.217 for information on how project performance may affect future funding).

For the Title III, Part A Programs, the evaluation plan should produce a valid assessment of the implementation strategies. It should also result in annual, quantifiable evidence of the attainment of objectives for each activity and of the goals in the CDP.

**(g) Budget (This selection criteria must be included in the program narrative document attached to the "Project Narrative Attachment Form.") (Maximum: 8 Points).**

The extent to which the proposed costs are necessary and reasonable in relation to the project's objectives and scope.

**Content:** Review the program regulations (34 CFR 607.10 and 607.30) for guidance on which activities and costs are allowable. For example, you may not use your grant funds to:

- Recruit students,
- Carry out activities that are operational rather than developmental,
- Carry out student activities such as entertainment, cultural or social enrichment programs, student publications, social clubs or associations,
- Pay for organized fund raising,
- Cover indirect costs.

Prepare a separate, detailed, budget narrative for each proposed activity for each year you are requesting grant funds. Demonstrate and justify that all costs are reasonable in today's market and necessary to accomplish your activity objectives. Please pay particular attention in your justification to those (per item) costs exceeding \$25,000, excluding salaries and fringe benefits. For each activity, provide itemized costs (in dollars), and a narrative justification to support your request for:

- Personnel
- Fringe Benefits
- Travel
- Equipment
- Supplies
- Contractual
- Construction
- Other
- Total

You must provide details so we can determine if the costs are allowable, necessary and reasonable.

**NOTE: The Title III, Part A, Strengthening Institutions Programs, CFDA 84.031A, T, N, and W do not reimburse grantees for indirect costs they incur in carrying out a project funded under these programs. Therefore, applicants should not show any dollar amounts for indirect costs on either line 10 of the application budget form (ED 524) or in their budget narrative. Applicants should also be aware that un-reimbursed indirect costs under grants of this program may not be charged as direct cost items in the same award, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.**

Do not include a budget narrative (as a separate activity) for endowment investing.

**Note:** Check all combined totals for the proposed activity budgets and compare it to the total on the ED 524. The totals must match.

## **6 U. S. Department of Education Budget Information Non-Construction Programs (Section A - Budget Summary U.S. Department of Education Funds and Section B – Budget Summary Non-Federal Funds (ED 524 form)).**

First, carefully read the instructions contained in this document. Then, using the Department of Education Budget Information for Non-Construction Programs (ED524) form, prepare a budget for the entire project that totals all the costs for each year of the grant. If you choose to use up to 20 percent of grant funds to establish or increase your institution's endowment fund through endowment investing, enter the amount of your contribution in the summary budget on the "other" line. If you have additional items for the other category, separate the endowment contribution from the other items and make two entries for "other." Endowment monies should be listed first.

## **7. Required Assurances and Certifications**

All applicants must submit these forms electronically, as a part of your application.

- ✓ Assurances – Non-Construction Programs (SF 424-B)
- ✓ Grants.gov Lobbying Form (used in place of ED 80-0013)
- ✓ Disclosure of Lobbying Activities (SF – LLL)
- ✓ ED GEPA 427 Form - General Education Provisions Act Section 427 Requirements. Please refer to the GEPA 427 requirements outlined in the "Notice to All Applicants" for instructions on completing this statement
- ✓ Survey on Ensuring Equal Opportunity for Applicants (OMB No. 1890-0014) [voluntary submission]

Carefully read the instructions for each form and be sure to provide all the requested information.

### III. Eligibility Information

1. Eligible Applicants: An IHE that qualifies as an eligible institution under the SIP, TCCU, and the ANNH programs may apply for grants under this notice. These programs are authorized by Title III, Part A, of the HEA. To qualify as an eligible institution under any Title III, Part A programs, an institution must, among other requirements--

(1) Be accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to be a junior or community college or to provide an educational program for which it awards a bachelor's degree;

(3) Be designated as an "eligible institution" by demonstrating that it: A) has an enrollment of needy students as described in 34 CFR 607.3; and B) has low average educational and general expenditures per full-time

equivalent (FTE) undergraduate student as described in 34 CFR 607.4.

Relationship between the Title III, Part A programs, and the Hispanic-Serving Institutions (HSI) program.

Note 1: A grantee under the Developing Hispanic-Serving Institutions (HSI) program, which is authorized by Title V of the HEA, may not receive a grant under any HEA, Title III, Part A program. The Title III, Part A programs include the SIP, TCCU and ANNH programs. Further, a current HSI program grantee may not give up its HSI grant in order to receive a grant under any Title III, Part A program.

Note 2: An eligible HSI that does not fall within the limitation described in Note 1 (i.e., is not a current grantee under the HSI program) may apply for a FY 2008 grant under all Title III, Part A programs for which it is eligible, as well as receive consideration for a grant under the HSI program. However, a successful applicant may receive only one grant.

Note 3: An eligible IHE that submits more than one application may only be awarded one individual development grant or one cooperative arrangement development grant in a fiscal year. Furthermore, we will not award a second cooperative arrangement development grant to an otherwise

eligible IHE for the same award year as the IHE's existing cooperative arrangement development grant award.

Note 4: The Department will make five-year awards for individual development grants and five-year awards for cooperative arrangement development grants in rank order from separate funding slates according to the average score received from a panel of three readers. The Department will make 1-year construction grants under the TCCU program, 2-year CCRAA-TCCU construction and 2-year CCRAA-ANNH renovation grants in rank order from separate funding slates according to the average score received from a panel of three readers.

2. Cost Sharing or Matching: These programs do not require cost sharing or matching unless the grantee uses a portion of its grant for establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds (20 U.S.C. 1057(d)(2) and 1059c(c)(3)(B)).

- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles,

headings, footnotes, quotations, references, captions and all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs in the application narrative may be single spaced and will count toward the page limit.

- Use a font that is either 12-point or larger or no smaller than 10 pitch (characters per inch). However, you may use a 10-point font in charts, tables, figures, and graphs.

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will be rejected.

The page limit does not apply to Part I, the Application for Federal Assistance Face Sheet (SF 424); the Supplemental Information for SF 424 Form required by the Department of Education; Part II, the Budget Information Summary Form (ED Form 524); and Part IV, the Assurances and Certifications. The page limit also does not apply to a Table of Contents and the Program Abstract. If you include any attachments or appendices, these items will be counted as part of the Program Narrative (Part III of the application) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the program narrative.

We will reject your application if you exceed the page limit.

3. Submission Dates and Times:

Applications Available: April 22, 2008.

Deadline for Transmittal of Applications: May 22, 2008.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to Section IV. 6. Other Submission Requirements in this notice:

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in Section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for these programs.

5. Funding Restrictions: We reference the regulations outlining funding restrictions in the Applicable Regulations section of this notice.

Applicability of Executive Order 13202. Applicants that apply for construction funds under the Title III, Part A Programs, must comply with Executive order 13202, signed by President George W. Bush on February 17, 2001, and amended on April 6, 2001. This Executive order provides that recipients of Federal construction funds may not "require or prohibit bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other construction project(s)" or "otherwise discriminate against bidders, offerors, contractors, or subcontractors for becoming or refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other construction project(s)." However, the Executive order does not prohibit contractors or subcontractors from voluntarily

entering into these agreements. Projects funded under these programs that include construction activity will be provided a copy of this Executive order and will be asked to certify that they will adhere to it.

6. Other Submission Requirements: Applications for grants under the SIP, TCCU, and ANNH programs must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the SIP, TCCU, and ANNH programs (CFDA Numbers 84.031A, 84.031T, 84.031N, and 84.031W) must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written

statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the SIP, TCCU, and ANNH programs at <http://www.Grants.gov>. You must search for the downloadable application package for this program competition by the CFDA Number. Do not include the CFDA Number's alpha suffix in your search (e.g., search for 84.031, not 84.031A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is received--that is date and time stamped by the Grants.gov system--later than 4:30:00 p.m., Washington, DC time, on the application deadline date. We

do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see [http://www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp)). These steps include (1) registering your organization, a

multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same DUNS Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information typically included on the Department of Education Supplemental Information Form (SF

424); Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms--the SF 424 and the Department of Education Supplemental Information for SF 424--have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award Number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time; or, if the technical problem you experienced is unrelated to the Grants.gov system.

#### V. Application Review Information

1. Selection Criteria: The selection criteria for these programs are in 34 CFR 607.22(a)-(g). Applicants must address each of the following selection criteria (separately for each proposed activity). The total weight of the selection criteria is 100 points; the maximum score for each criterion is noted in parentheses.

(a) Quality of The Applicant's Comprehensive Development Plan (Maximum 25 Points).

(b) Quality of Activity Objectives (Maximum 15 Points).

(c) Quality of Implementation Strategy (Maximum 20 Points).

(d) Quality of Key Personnel (Maximum 7 Points).

(e) Quality of Project Management Plan (Maximum 10 Points).

(f) Quality of Evaluation Plan (Maximum 15 Points).

(g) Budget (Maximum 8 Points).

2. Review and Selection Process: For five-year individual development grants, five-year cooperative arrangement development grants, one-year construction grants, and two-year construction and renovation grants, awards will be made in rank order according to the average score received from a panel of three readers.

Tie-breaker for Development Grants. In tie-breaking situations for development grants described in 34 CFR 607.23(b), the regulations for the Title III, Part A programs require that we award one additional point to an application from an IHE that has an endowment fund for which the market value per FTE student is less than the comparable average per FTE student at a similar type IHE. We award one additional point to an application from an IHE that had expenditures for library materials per FTE student that are less than the comparable average per FTE student at a similar type IHE. We also add one additional point to

an application from an IHE that proposes to carry out one or more of the following activities--

- (i) Faculty development;
- (ii) Funds and administrative management;
- (iii) Development and improvement of academic programs;
- (iv) Acquisition of equipment for use in strengthening management and academic programs;
- (v) Joint use of facilities; and
- (vi) Student services

For the purpose of these funding considerations, we use 2005-2006 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given in the case of applicants for: a) individual development grants to applicants that have the lowest endowment values per FTE student; and b) cooperative arrangement development grants to applicants in accordance with Section 394(b) of the HEA, if the Secretary determines that the cooperative arrangement is geographically and economically sound or will benefit the applicant institution.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally.

If your application is not evaluated or not selected for funding, we will notify you by written correspondence.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section in this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118, 75.720 and 34 CFR 607.31.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the SIP, TCCU, and ANNH programs:

a. The percentage change, over a five-year period, of the number of full-time degree-seeking undergraduates enrolling at IHEs. Note that this is a long-term measure, which will be used to periodically gauge performance, beginning in FY 2009;

b. The percentage of first-time, full-time degree-seeking undergraduate students who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same institution;

c. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 4-year IHEs who graduate within 6 years of enrollment; and

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 2-year IHEs who graduate within 3 years of enrollment.

**SEC. 301. FINDINGS AND PURPOSES.**

(a) **FINDINGS.** --The Congress finds that--

(1) there are a significant number of institutions of higher education serving high percentages of minority students and students from low-income backgrounds, that face problems that threaten their ability to survive;

(2) the problems relate to the management and fiscal operations of certain institutions of higher education, as well as to an inability to engage in long-range planning and development activities, including endowment building;

(3) in order to be competitive and provide a high-quality education for all, institutions of higher education should improve their technological capacity and make effective use of technology;

(4) the title III program prior to 1985 did not always meet the specific development needs of historically Black colleges and universities and other institutions with large concentrations of minority, low-income students;

(5) the solution of the problems of these institutions would enable them to become viable, fiscally stable and independent, thriving institutions of higher education;

(6) providing assistance to eligible institutions will enhance the role of such institutions in providing access and quality education to low-income and minority students;

(7) these institutions play an important role in the American system of higher education, and there is a strong national interest in assisting them in solving their problems and in stabilizing their management and fiscal operations, and in becoming financially independent; and

(8) there is a particular national interest in aiding those institutions of higher education that have historically served students who have been denied access to postsecondary education because of race or national origin and whose participation in the American system of higher education is in the Nation's interest so that equality of access and quality of postsecondary education opportunities may be enhanced for all students.

(b) **PURPOSE.** --It is the purpose of this title to assist such institutions in equalizing educational opportunity through a program of Federal assistance.

  - (B) which has expenditures per full-time equivalent student for library materials which is less than the average of the expenditures for library materials per full-time equivalent student by other similarly situated institutions.

## GENERAL EDUCATION PROVISIONS ACT (GEPA)

### SECTION 427

Section 427 of GEPA requires all applicants for new awards to include in their applications a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted programs for students, teachers, and other program beneficiaries with special needs. The provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: *gender, race, national origin, color, disability, or age*.

A general statement of an applicant's nondiscriminatory hiring policy is not sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

#### **NOTES:**

- **Applicants for new awards must include information in their applications to address this provision in order to receive funding under this program.**
- **Applicants are required to address this provision by attaching a statement to the ED GEPA 427 Form that must be downloaded from [Grants.gov](http://Grants.gov).**

# Government Performance and Results Act (GPRA)

## What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

## How has the Department of Education Responded to the GPRA Requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 2007-2012. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

*Goal 1: Increase student achievement, reward qualified teachers, and renew troubled schools so that every student can read and do math at grade level by 2014, as called for by the No Child Left Behind Act.*

*Goal 2: Encourage more rigorous and advanced coursework to improve the academic performance of our middle and high school students.*

*Goal 3: Work with colleges and universities to improve access, affordability, and accountability, so that our higher education system remains the world's finest.*

## What are the Performance Indicators for the Title III, Part A Programs?

The performance indicators for the Title III, Part A Programs are part of the Department's plan for meeting Goal 3. The Department's specific goal for this program is "to increase enrollments of Strengthening Institutions Program (SIP) institutions."

The Title III, Part A Programs' overarching goal is "to improve the capacity of minority-serving institutions, which traditionally have limited resources and serve large numbers of low-income and minority students, to improve student success and to provide high-quality educational opportunities for their students.

The performance indicators for the Title III, Part A Programs are:

1. The number of full-time degree-seeking undergraduates enrolled at institutions of higher education (IHEs). Note that this is a long-term measure, which will be used periodically to gauge performance, beginning in FY 2009.
2. The percentage of full-time undergraduate students who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same institution.
3. The cost per successful program outcome: federal cost per undergraduate and graduate degree at institutions.
4. The percentage of students enrolled at four-year IHEs graduating within six years of enrollment.
5. The percentage of students enrolled at two-year IHEs who graduate within three years of enrollment.

**How does the Department of Education determine whether performance goals have been met?**

An applicant that receives a grant award will be required to submit annual progress reports and a final report as a condition of the award. The reports will document the extent to which project goals and objectives are met.

The most recent version of this program's annual performance report can be viewed at <http://www.ed.gov/programs/iduestitle3a/performance.html>.

**INSTRUCTIONS FOR  
DEPARTMENT OF EDUCATION SUPPLEMENTAL INFORMATION FOR SF 424**

**1. Project Director.** Name, address, telephone and fax numbers, and e-mail address of the person to be contacted on matters involving this application.

**2. Novice Applicant.** Check “Yes” or “No” only if assistance is being requested under a program that gives special consideration to novice applicants. Otherwise, **leave blank**.

Check “Yes” if you meet the requirements for novice applicants specified in the regulations in 34 CFR 75.225 and included on the attached page entitled “Definitions for Department of Education Supplemental Information for SF 424.” By checking “Yes” the applicant certifies that it meets these novice applicant requirements. Check “No” if you do not meet the requirements for novice applicants.

**3. Human Subjects Research.** (See I. A. “Definitions” in attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”)

**If Not Human Subjects Research.** Check “No” if research activities involving human subjects are not planned at any time during the proposed project period. The remaining parts of Item 3 are then not applicable.

**If Human Subjects Research.** Check “Yes” if research activities involving human subjects are planned at any time during the proposed project period, either at the applicant organization or at any other performance site or collaborating institution. Check “Yes” even if the research is exempt from the regulations for the protection of human subjects. (See I. B. “Exemptions” in attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”)

**3a. If Human Subjects Research is Exempt from the Human Subjects Regulations.** Check “Yes” if all the research activities proposed are designated to be exempt from the regulations. Insert the exemption number(s) corresponding to one or more of the six exemption categories listed in I. B. “Exemptions.” In addition, follow the instructions in II. A. “Exempt Research Narrative” in the attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”

**3a. If Human Subjects Research is Not Exempt from Human Subjects Regulations.** Check “No” if some or all of the planned research activities are covered (not exempt). In addition, follow the instructions in II. B. “Nonexempt Research Narrative” in the page entitled “Definitions for Department of Education Supplemental Information For SF 424

**3a. Human Subjects Assurance Number.** If the applicant has an approved Federal Wide (FWA) on file with the Office for Human Research Protections (OHRP), U.S. Department of Health and Human Services, that covers the specific activity, insert the number in the space provided. If the applicant does not have an approved assurance on file with OHRP, enter “None.” In this case, the applicant, by signature on the SF-424, is declaring that it will comply with 34 CFR 97 and proceed to obtain the human subjects assurance upon request by the designated ED official. If the application is recommended/selected for funding, the designated ED official will request that the applicant obtain the assurance within 30 days after the specific formal request.

**Note about Institutional Review Board Approval.** ED does not require certification of Institutional Review Board approval with the application. However, if an application that involves non-exempt human subjects research is recommended/selected for funding, the designated ED official will request that the applicant obtain and send the certification to ED within 30 days after the formal request.

**Paperwork Burden Statement.** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1890-0017. The time required to complete this information collection is estimated to average between 15 and 45 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-4700. **DEFINITIONS FOR  
DEPARTMENT OF EDUCATION SUPPLEMENTAL INFORMATION FOR SF 424  
(Attachment to Instructions for Supplemental Information for SF 424)**

**Definitions:**

**Novice Applicant (See 34 CFR 75.225).** For discretionary grant programs under which the Secretary gives special consideration to novice applications, a novice applicant means any applicant for a grant from ED that—

- Has never received a grant or subgrant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant’s project or funding period, including any extensions of those periods that extend the grantee’s authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

**PROTECTION OF HUMAN SUBJECTS IN RESEARCH**

**I. Definitions and Exemptions**

**A. Definitions.**

A research activity involves human subjects if the activity is research, as defined in the Department’s regulations, and the research activity will involve use of human subjects, as defined in the regulations.

**—Research**

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.” *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

**—Human Subject**

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” *(1) If an activity involves obtaining information about a living person by manipulating that person or that person’s environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

**B. Exemptions.**

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects’ responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects’ financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed.***

**Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

## II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked “Yes” for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects “exempt research” or “nonexempt research” narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

### A. Exempt Research Narrative.

If you marked “Yes” for item 3 a. and designated exemption number(s), provide the “exempt research” narrative. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to

allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

### B. Nonexempt Research Narrative.

If you marked “No” for item 3 a. you must provide the “nonexempt research” narrative. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

**(1) Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable

**(2) Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

**(3) Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

**(4) Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

**(5) Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

**(6) Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s)**: If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

*Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Grants Policy and Oversight*

*Staff, Office of the Chief Financial Officer, U.S. Department of Education, Washington, D.C. 20202-4250, telephone: (202) 245-6120, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site:

### Section C - Budget Narrative [Attach separate sheet(s)] Pay attention to applicable program specific instructions, if attached.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
3. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the

base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at:  
<http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.
