I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”), filed a complaint in this matter pursuant to Sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. §§ 9606 and 9607, seeking injunctive relief regarding the cleanup of the Solvents Recovery Service of New England Superfund Site in Southington, Connecticut (“Site”), and recovery of costs incurred and to be incurred in responding to the release or threat of release of hazardous substances at or in connection with the Site.

B. The State of Connecticut (“State”), on behalf of the Commissioner of the Connecticut Department of Environmental Protection, has also filed a complaint in this matter pursuant to Section 107 of CERCLA, and Conn. Gen. Stat. §§ 22a-451 seeking recovery of the response costs incurred by the State and recovery of the costs and expenses to be incurred by the State in investigating, containing, removing, monitoring or mitigating pollution and contamination at the Site.

C. The defendants that have entered into this Consent Decree (the “*De Minimis* Settling Defendants”) do not admit any liability to the Plaintiffs or any matter of fact or law relating to the Site or arising out of the transactions or occurrences alleged in the complaints, nor do they acknowledge that the release or threatened release of hazardous substance(s) at or from the Site constitutes an imminent or substantial endangerment to the public health or welfare of the environment. The United States Navy (the “Settling Federal Agency”) does not admit any issue of fact or law, including liability, arising out of the transactions or occurrences alleged in any counterclaim asserted by *De Minimis* Settling Defendants or any claim by the State.

D. As a result of the release or threatened release of hazardous substances, EPA has undertaken response actions at or in connection with the Site under Section 104 of CERCLA, 42 U.S.C. § 9604, and will undertake response actions in the future. In performing these response actions, EPA has incurred and will continue to incur response costs at or in connection with the Site. These response actions include, *inter alia*: (a) the removal of soils contaminated with hazardous substances; (b) the removal of drums and other containers of hazardous substances; (c) the performance of a remedial investigation at the Site; (d) oversight of response actions implemented by certain of the potentially responsible parties at the Site; and (e) various enforcement actions.

E. EPA has determined the following:

1. prompt settlement with each *De Minimis* Settling Defendant and the Settling Federal Agency is practicable and in the public interest within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1);

2. the payment to be made by each *De Minimis* Settling Defendant and the Settling Federal Agency under this Consent Decree involves only a minor portion of the response costs at the Site within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

3. the amount of hazardous substances contributed to the Site by each *De Minimis* Settling Defendant and the Settling Federal Agency and the toxic or other hazardous effects of the hazardous substances contributed to the Site by each *De Minimis* Settling Defendant and the Settling Federal Agency are minimal in comparison to other hazardous substances at the Site within the meaning of Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A). This is because the amount of hazardous substances contributed to the Site by each *De Minimis* Settling Defendant and the Settling Federal Agency is less than 200,000 gallons of materials containing hazardous substances, and the hazardous substances contributed by each *De Minimis* Settling Defendant and the Settling Federal Agency to the Site are not significantly more toxic or of significantly greater hazardous effect than other hazardous substances at the Site.

F. The United States, the State, *De Minimis* Settling Defendants and the Settling Federal Agency agree that settlement without further litigation and without the admission or adjudication of any issue of fact or law is the most appropriate means of resolving this action with respect to *De Minimis* Settling Defendants and the Settling Federal Agency.

THEREFORE, with the consent of the Parties to this Consent Decree, it is ORDERED, ADJUDGED, and DECREED:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331, 1367 and 1345 and 42 U.S.C. § 9613(b), and also has personal jurisdiction over *De Minimis* Settling Defendants. *De Minimis* Settling Defendants and the Settling Federal Agency consent to and shall not challenge the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

III. PARTIES BOUND

2. This Consent Decree is binding upon the United States, the State and upon *De Minimis* Settling Defendants and their heirs, successors and assigns. Any change in ownership or corporate or other legal status of a *De Minimis* Settling Defendant, including but not limited to, any transfer of assets or real or personal property shall in no way alter such *De Minimis* Settling Defendant's responsibilities under this Consent Decree.

IV. STATEMENT OF PURPOSE

3. By entering into this Consent Decree, the mutual objectives of the Parties are:

a. to reach a final settlement among the Parties with respect to the Site pursuant to Section 122(g) of CERCLA, 42 U.S.C. § 9622(g), that allows each *De Minimis* Settling Defendant and the Settling Federal Agency to make a cash payment, including a premium, to resolve their alleged civil liability under Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607 and Conn. Gen. Stat. §§ 22a-432 or 22a-451, for injunctive relief with regard to the Site and for response costs incurred and to be incurred at or in connection with the Site, including obligations under the Consent Orders, thereby reducing litigation relating to the Site;

b. to simplify any remaining administrative and judicial enforcement activities concerning the Site by eliminating a substantial number of potentially responsible parties from further involvement at the Site; and

c. to obtain settlement with each *De Minimis* Settling Defendant and the Settling Federal Agency for their fair share of response costs incurred and to be incurred at or in connection with the Site by the EPA Hazardous Substance Superfund, by the State, and by other persons, and of Natural Resource Damages, and to provide for full and complete contribution protection for *De Minimis* Settling Defendants and the Settling Federal Agency with regard to the Site pursuant to Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), and other applicable law.

a. has conducted a thorough, comprehensive, good faith search for documents, and has fully and accurately disclosed to EPA, all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation, or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Site;

With respect to each *De Minimis* Settling Defendant, individually, this covenant not to sue is conditioned upon: (a) the satisfactory performance by *De Minimis* Settling Defendant of all obligations under this Consent Decree; and (b) the veracity of the information provided to EPA by *De Minimis* Settling Defendant relating to *De Minimis* Settling Defendant's involvement with the Site. This covenant not to sue extends only to *De Minimis* Settling Defendants and does not extend to any other person.

13. Covenant for Settling Federal Agency. In consideration of the payment that will be made by the Settling Federal Agency under the terms of this Consent Decree, and except as specifically provided in Section X (Reservation of Rights by Plaintiffs), the United States hereby covenants not to take administrative action against the Settling Federal Agency pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, and Section 7003 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6973, relating to the Site, including Natural Resource Damages and all obligations under the Consent Orders. This covenant not to take administrative action shall take effect upon receipt by the Trustee of the Settling Federal Agency's payments under Paragraph 8. This covenant not to sue extends only to *De Minimis* Settling Defendants and the Settling Federal Agency and does not extend to any other person.

X. RESERVATIONS OF RIGHTS BY THE PLAINTIFFS

15. The United States and the State reserve, and this Consent Decree is without prejudice to, all rights against *De Minimis* Settling Defendants and the Settling Federal Agency with respect to all matters not expressly included within the Covenant by Plaintiffs in Paragraphs 12, 13 and 14. Notwithstanding any other provision of this Consent Decree, the United States and the State reserve all rights against *De Minimis* Settling Defendants and the Settling Federal Agency with respect to:

- a. liability for failure to meet a requirement of this Consent Decree;
- b. criminal liability; or
- c. liability based upon the ownership or operation of the Site, or upon the transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by *De Minimis* Settling Defendants or the Settling Federal Agency.

16. Notwithstanding any other provision in this Consent Decree, the United States and the State reserve, and this Consent Decree is without prejudice to, the right to institute proceedings against any individual *De Minimis* Settling Defendant or the Settling Federal Agency in this action or in a new action or to issue an administrative order to any individual *De Minimis* Settling Defendant or the Settling Federal Agency seeking to compel that *De Minimis* Settling Defendant or the Settling Federal Agency to perform response actions relating to the Site, and/or to reimburse the United States and/or the State for additional costs of response, if information is discovered which indicates that such *De Minimis* Settling Defendant or the Settling Federal Agency contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that such *De Minimis* Settling Defendant or the Settling Federal Agency no longer qualifies as a *de minimis* party at the Site because *De Minimis* Settling Defendant or the Settling Federal Agency contributed 200,000 or more gallons of materials containing hazardous substances to the Site, or contributed hazardous

substances which are significantly more toxic or are of significantly greater hazardous effect than other hazardous substances at the Site.

XI. COVENANT NOT TO SUE BY *DE MINIMIS* SETTling DEFENDANTS

17. *De Minimis* Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States or the State or their respective contractors or employees with respect to the Site or this Consent Decree, including, but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claims arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Constitution of the State of Connecticut, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law;

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site; and

d. any claims against the State pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613 or Conn. Gen. Stat. 22a-452, relating to the Site.

18. Except as provided in Paragraph 21 (Waiver of Claims) and Paragraph 23 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States or the State brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 15(c) or Paragraph 16, but only to the extent that *De Minimis* Settling Defendants' claims arise from the same response action, response costs, or damages that the United States or the State is seeking pursuant to the applicable reservation.

19. Covenant by Settling Federal Agency. Settling Federal Agency hereby agrees not to assert any direct or indirect claim for reimbursement from the Hazardous Substances Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b), 107, 111, 112, 113, or any other provision of law with respect to the Site or this Consent Decree. This covenant does not preclude demand for reimbursement from the Superfund of costs incurred by the Settling Federal Agency in the performance of its duties (other than pursuant to this Consent Decree) or as lead or support agency under the National Contingency Plan (40 C.F.R. Part 300).

20. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

21. Waiver of Claims. Each of the *De Minimis* Settling Defendants agrees not to assert any claims or causes of action (including, but not limited to, claims or causes of action under Sections 107(a)(4)(B) and 113(f) of CERCLA) that they may have for all matters relating to the Site against each other or any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that a *De Minimis* Settling Defendant may have against any person if such person asserts or has asserted a claim or cause of action relating to the Site against such *De Minimis* Settling Defendant. This waiver also shall not apply to any claim for indemnification or reimbursement from a Party's insurance carrier or other contractual indemnitor.

XII. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

22. Except as provided in Paragraph 21 (Waiver of Claims), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 21 (Waiver of Claims), the United States, the State and *De Minimis* Settling Defendants each reserve any and all rights, defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

23. Waiver of Claim-Splitting Defenses. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the Site, *De Minimis* Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant action; provided, however, that nothing in this Paragraph affects the enforceability of the covenant not to sue included in Paragraphs 12 and 14.

24. The Parties agree, and by entering this Consent Decree this Court finds, that each *De Minimis* Settling Defendant and the Settling Federal Agency are entitled, as of the effective date of this Consent Decree, to protection from actions or claims as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), for "matters addressed" in this Consent Decree, or other applicable law. In addition, the Parties agree, and by entering this Consent Decree this Court finds, that each *De Minimis* Settling Defendant and the Settling Federal Agency are entitled to contribution protection with respect to any claims that otherwise might be asserted against them under Connecticut law. The "matters addressed" in this Consent Decree are (a) all

response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States, the State or any other person, and (b) Natural Resource Damages.

XIII. RETENTION OF JURISDICTION

25. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Consent Decree.

XIV. INTEGRATION/APPENDICES

The State reserves the right to oppose the United States’ position taken in opposition to any proposed withdrawal. In addition, in the event of the United States’ withdrawal from this Consent Decree, the State reserves its right to withdraw from this Consent Decree. *De Minimis* Settling Defendants consent to entry of this Consent Decree without further notice, and the United States and the State reserve the right to oppose an attempt by any person to intervene in this civil action.
