WHEREAS, the Solvents Recovery Service of New England, Inc. Superfund Site ("Site") is an approximately 45-acre former solvent recovery facility located in Southington, Connecticut, and is now a federal Superfund Site;

WHEREAS, the U.S. Environmental Protection Agency ("EPA") and the State of Connecticut Department of Environmental Protection ("State") have incurred and will continue to incur response costs in connection with the Site;

WHEREAS, a number of potentially responsible parties ("PRPs") at the Site are entering into a Remedial Design/Remedial Action Consent Decree ("RD/RA Decree") with EPA providing for them to perform certain response actions at the Site pursuant to the RD/RA Decree ("Performing Parties").

WHEREAS, a number of PRPs at the Site who contributed less than 200,000 gallons of waste to the Site and who do not intend to participate in the RD/RA Decree (the "*De Minimis* Eligible PRPs") wish to pay their allocated shares of response costs incurred and to be incurred in connection with the Site and to resolve their liability to the United States, the State and the Performing Parties;

WHEREAS, the United States, the State and approximately ___ of the *De Minimis* Eligible PRPs at the Site (the "*De Minimis* Parties") now seek to enter into a settlement (the "*De Minimis* Settlement") pursuant to CERCLA Section 122(g), 42 U.S.C. §9622(g), which will resolve the *De Minimis* Parties' responsibility for past and future response costs at the Site and their liability to the United States, the State and Performing Parties in connection with the Site;

WHEREAS, the proposed *De Minimis* Settlement will provide for: (1) the *De Minimis* Parties to send their settlement payments to a trust pending the U.S. District Court for the District of Connecticut's (the "Court") approval of the *De Minimis* Settlement, (2) distribution of the *De Minimis* Parties' payments to the United States, the State and Performing Parties, upon the Court's approval of the *De Minimis* Settlement.

NOW, THEREFORE, the Trustee declares as follows:

1. Establishment of Trust. The Trustee promptly shall establish a segregated trust account, which shall be known as the “SRS Site 2008 *De Minimis* Trust” (“Trust”).

2. Declaration of Purpose. The Trust is established and shall be administered by the Trustee for the purpose of holding, investing and disbursing funds collected from the *De Minimis* Parties that enter into the *De Minimis* Settlement among the United States, the State and the *De Minimis* Parties regarding the Site. The United States, the State, and the PRP Group are express beneficiaries of this Trust.

3. Payments

a. The Trustee shall have no authority or responsibility hereunder to collect any contributions to the Trust from any party and shall have no responsibility hereunder or otherwise with respect to the *De Minimis* Parties’ compliance with the terms of the *De Minimis* Settlement.

b. The Trustee shall promptly deposit into the Trust all payments received from *De Minimis* Parties. The Trustee shall maintain a record of the name and address of each *De Minimis* Party making a payment together with the amount and date of the payment.

4. Principal, Interest and Expenses of Trust

a. All monies deposited in the Trust or earned by the investment or reinvestment of such monies (“Trust Funds”) shall remain in the Trust and may not be withdrawn by any person, except to make the refunds required by Paragraph 6, or payments required by Paragraph 7, or to pay the Trustee’s fees and expenses and the tax return preparation expenses and tax filing as provided in this paragraph and in Paragraphs 12 and 14.

b. The Trust Funds shall be used by the Trustee to pay taxes incurred by the Trust as well as any tax return preparation expenses, and tax filing fees. The remaining Trust Funds will remain in the Trust and may not be withdrawn by any person, except to make the refunds provided under Paragraph 6 or the payments provided under Paragraph 7.

c. The Trustee may deduct from the Trust Fund such fees and expenses of the Trustee as are described in the Schedule attached hereto.

5. Investment of Trust Funds. The Trustee shall deposit and hold all Trust Funds in an account and shall invest such funds in Western Asset Municipal Money Market Fund (TFMX) unless otherwise directed in writing by the Chair of the PRP Group. All earnings received from the investment of the Trust Funds shall be credited to, and shall become a part of, the Trust, (and any losses on such investments shall be debited

to the Trust). The Trustee shall have no liability for any investment losses, including without limitation any market loss on any investment liquidated prior to maturity in order to make a payment required hereunder.

6. Refunds from the Trust. Promptly upon receipt by the Trustee of a notice from the United States stating that (a) the United States and/or the State have decided not to enter into the *De Minimis* Settlement, and/or (b) the *De Minimis* Settlement has not been approved and entered by the Court, the Trustee shall refund all contributions previously made to the Trust by the *De Minimis* Parties. Any such refund shall include the original principal amount of the payment and any earnings from the investment of such amounts, less accrued taxes and expenses paid.

7. Disbursements from the Trust.

a. Within thirty (30) days after receipt of a written notice from the United States, the Trustee shall disburse \$ 2,234,000 of the Trust Funds to EPA in payment of EPA's Past Response Costs pursuant to Paragraph 58 of the RD/RA Decree; \$2,625,000 of the Trust Funds to the State in payment for Natural Resource Damages pursuant to Paragraph 64 of the RD/RA Decree, and \$200,000 of the Trust Funds to the U.S. Department of the Interior ("DOI") in payment for Natural Resource Damages pursuant to Paragraph 63 of the RD/RA Decree. If the Trust Funds are not sufficient to pay said amounts in full, the Trustee shall disburse the available Trust Funds on a pro rata basis to the aforesaid parties in partial satisfaction of the said payments which are due to them. The remaining Trust Funds, if any, shall be disbursed to the PRP Group, or, if so instructed by the PRP Group, shall be kept in this Trust to be invested and disbursed from time to time at the direction of the PRP Group for purposes of performing and administering the performance of the Work under the Consent Decree (the "Work"), provided, however, that the Performing Parties have entered into the RD/RA Consent Decree with the United States providing for the performance of the remedy regarding the Site, failing which the remaining Trust Funds shall be disbursed at the direction of the United States. If, following entry of the RD/RA Consent Decree, the PRP Group elects as aforesaid to have some or all of the remaining Trust Funds kept in this Trust to be invested and disbursed from time to time at the direction of the PRP Group, then the provisions set forth in Appendix I to this Trust shall automatically take effect and shall be controlling over any other contrary provisions set forth in this Trust.

b. The payment to EPA shall be made by FedWire Electronic Funds Transfer ("EFT") to the U.S. Department of Justice account in accordance with current EFT procedures, and in accordance with instructions provided to the Trustee by the Financial Litigation Unit of the United States Attorney's Office for the District of Connecticut. The payment shall reference the USAO File Number, EPA Site/Spill ID

9. Concerning the Trustee. The Trustee shall act as a trustee only and not personally; and in respect of any contract, obligation or liability made or incurred by the Trustee in good faith, all persons shall look solely to the assets of the Trust and not to the Trustee personally. The Trustee shall not incur personal liability of any nature in connection with any act or omission, made in good faith, in the administration of this Trust, including in following instructions provided pursuant to the provisions of this Trust Agreement with respect to the payment of monies hereunder. The Trust shall indemnify and hold harmless the Trustee from and against any personal liability by reason of any action or conduct in its official capacity, made in good faith. The Trustee (a) shall not be responsible for the *De Minimis* Settlement, or for determining or compelling compliance therewith, and shall not otherwise be bound thereby; (b) shall be obligated only for the performance of such duties as are expressly and specifically set forth in this Trust Agreement on its part to be performed, and no implied duties or obligations of any kind shall be read into this Trust Agreement against or on the part of the Trustee; (c) may consult counsel satisfactory to it, including in-house counsel, and the opinion or advice of such counsel in any instance shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the opinion or advice of such counsel. In no event shall the Trustee be liable for indirect, punitive, special or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Trustee has been informed of the likelihood of such loss or damage and regardless of the form of action.

10. Disputes. In the event a dispute of any kind arises in connection with this Agreement (including any dispute concerning indemnification of the Trustee), the Trustee may, in his/her sole discretion, elect to commence an interpleader action and pay all or any portion of the Trust Funds to the Court and provide a complete accounting of all monies paid into the Trust or paid out of the Trust by the Trustee. In the event of such payment, it is understood that Trustee will have no further obligation to the *De Minimis* Parties, the State, and the United States and/or the PRP Group with respect to the amount so paid.

11. Inalienability of Interests of Beneficiaries. The interest of each beneficiary in the income or principal of the Trust hereunder shall be free from the control or interference of any creditor and shall not be subject to assignment, attachment, anticipation or alienation.

12. Tax Treatment. It is intended that this Trust be a Qualified Settlement Fund under Internal Revenue Code Section 468B and Reg. 1.468(B) and taxable as a so-called complex trust to which Internal Revenue Code Sections 661, 662 and 663 apply and not as a partnership, corporation or grantor trust, that is, a trust whose property is deemed to be owned by one or more grantors or other persons pursuant to one or more of the Internal

Revenue Code Sections 671 through 678. The Trustee (or a tax administrator engaged by the Trustee at the expense of the Trust) shall file tax returns for the Trust on the assumption that it is a complex trust, unless and until it is determined or the Trustee otherwise has reason to believe the Trust is other than a complex trust. In the event this Trust is determined, or is in the sole judgment of the Trustee at risk of being determined, to be other than a trust which is taxable as such a complex trust and it is prudent to reorganize the Trust so that it shall be such a complex trust, then the Trustee is authorized to execute such amendment to this Trust Agreement, restatements of this Trust Agreement or new trust agreement, instruments of assignment, plans of reorganization and other documents as are appropriate to enable the Trust or a successor to the assets of the Trust to be a trust which is taxable as such a complex trust; provided always, in no event shall the effect of any such reorganization or other action be to change the purposes hereof, divert the assets of this Trust otherwise than for its original purposes set forth herein or enlarge the powers or responsibilities of the Trustee. [Note: This Paragraph is subject to revision to address Trust-related tax consequences, provided that such revision shall be approved by EPA and shall not adversely impact the tax treatment of this Trust from the perspective of the De Minimis Parties].

13. Accounting. By forty-five (45) days after the lodging of the Consent Decree, the Trustee shall prepare a statement setting forth each payment received by the Trustee, the identity of the *De Minimis* Party making such payment, the date such payment was received, the total amount of Trust Funds in the Trust, the amount of any interest and/or income earned on the Trust Funds, and the amount of any taxes, fees and expenses paid by the Trustee. The Trustee shall prepare an updated accounting quarterly thereafter until the Trust is terminated, which accounting shall be prepared in accordance with generally accepted accounting procedures. Said accountings shall be sent to the United States, the State and the Group as provided in Paragraph 8.

14. Trustee Compensation. The Trustee shall receive compensation for its services as a Trustee under this Trust Agreement pursuant to the Fee Schedule attached hereto. The Fee Schedule shall be binding upon the Trustee and the PRP Group, and any change to the Fee Schedule shall become effective only upon the written approval of the PRP Group and the Trustee. The PRP Group shall be responsible for the Trustee's compensation.

15. Appointment of Successor Trustee.

a. The Trustee may resign at any time by delivering his/her resignation, in writing, to the United States, such resignation to take effect upon the appointment of a successor Trustee.

b. The PRP Group may remove the Trustee at any time, by delivering notice of such removal in writing to the Trustee, such removal to take effect ten days thereafter, or on such later date that may be specified in the notice.

c. Any vacancy in the office of the Trustee created by bankruptcy, insolvency, death, disability, resignation, removal or succession, as provided herein, shall be filled by an appointment in writing of a successor Trustee.

d. Any successor Trustee shall be appointed by the PRP Group, with approval by EPA.

e. Acceptance of appointment as a successor Trustee shall be in writing and shall be mailed to the PRP Group as provided in Paragraph 8.

f. A successor trustee shall have all of the rights, powers, duties, authority and privileges as if initially named as a Trustee hereunder.

g. A copy of each instrument of resignation, removal, appointment and acceptance of appointment shall be attached to an executed counterpart of this Trust Agreement in the custody of the PRP Group and a copy shall be furnished to the United States.

16. Choice of Law. This Trust Agreement shall be administered, construed, and enforced according to the laws of the State of Connecticut, except to the extent that Federal law shall apply to questions arising under CERCLA or the National Contingency Plan, including any amendment thereto.

17. Consent to Jurisdiction and Services. The Trustee absolutely and irrevocably consents and submits to the jurisdiction of the courts of the State of Connecticut and of any Federal court located in said State in connection with any actions, proceedings or disputes arising out of or relating to this Agreement. In any such action, proceeding or dispute, the Trustee hereby absolutely and irrevocably waives personal service of any summons, complaint, declaration or other process provided that the service thereof is made by certified or registered mail directed to the Trustee at its address in accordance with Paragraph 8.

18. Termination. This Agreement will terminate upon the disbursement of all of the Trust Funds in accordance with the provisions of Paragraph 7.

19. Modifications. This Agreement may not be altered or modified without the express written consent of the United States and the PRP Group.

20. Reproduction of Documents. This Agreement and all documents relating hereto, including, without limitation, (a) consents, waivers and modifications which may hereafter be executed, and (b) certificates and other information previously or hereafter

furnished, may be reproduced by any means. Any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding, whether or not the original is in existence and whether or not such reproduction was made by the Trustee in the regular course of business, and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence.

21. Counterparts. This Agreement may be executed in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Trustee hereunder has caused this Declaration to be executed as of the day and year first written above.
