## **I. BACKGROUND**

A. On November 14, 2006, the United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9607, seeking recovery of costs incurred and to be incurred in responding to the release or threat of release of hazardous substances at or in connection with the Carl's Tire Retreading Site in Grawn, Michigan (the "Site").

B. As a result of the release or threatened release of hazardous substances, EPA has undertaken response actions at or in connection with the Site under Section 104 of CERCLA, 42 U.S.C. § 9604. In performing these response actions, EPA has incurred and will continue to incur response costs at or in connection with the Site. At the request of the Michigan Department of Environmental Quality, EPA conducted a removal action at the Site in 2003. EPA disposed of approximately 4,500 gallons of oil and water, 22,910 gallons of treated water, and 10,479 tons of excavated soil. In addition, EPA treated on site a total of 765 cubic yards of contaminated soil and 467,050 gallons of contaminated water.

C. The defendant that has entered into this Consent Decree ("Settling Defendant") does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaint.

D. The United States has reviewed the Financial Information submitted by Settling Defendant to determine whether Settling Defendant is financially able to pay response costs incurred and to be incurred at the Site. Based upon this Financial Information, it appears that Settling Defendant Millar's of Bay City, Inc. has insufficient assets and cash-flow to pay its estimated allocated share of approximately \$115,000. Accordingly, the United States has determined that the Settling Defendant is able to pay only the amount specified in Section VI.

E. The United States and Settling Defendant agrees, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Consent Decree, it is ORDERED, ADJUDGED, and DECREED:

## **II. JURISDICTION**

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. § 9613(b), and also has personal jurisdiction over Settling Defendant. Settling Defendant consents to and shall not challenge the terms of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

### **III. PARTIES BOUND**

2. This Consent Decree is binding upon the United States and upon Settling Defendant and its successors and assigns. Any change in ownership or corporate or other legal status of Settling Defendant, including but not limited to, any transfer of assets or real or personal property shall in no way alter the Settling Defendant's responsibilities under this Consent Decree.

### **IV. STATEMENT OF PURPOSE**

3. By entering into this Consent Decree, the mutual objective of the Parties is for Settling Defendant to make a cash payment to address its liability for Past Response Costs at the Site as provided in the Covenant Not to Sue by United States in Section VIII, and subject to the Reservations of Rights by United States in Section IX.

### **V. DEFINITIONS**

4. Unless otherwise expressly provided herein, terms used in this Consent Decree that are defined in CERCLA or in regulations promulgated under CERCLA shall have the meaning assigned to them in the statute or regulations. ## **VI. PAYMENT**

5. Settling Defendant shall pay to the EPA Hazardous Substance Superfund the principal sum of \$2,000, plus an additional sum for Interest as explained below. Payment shall be made in two installments. Each installment, except for the first, on which no interest shall be due, shall include the principal amount due plus an additional sum for accrued Interest on the

declining principal balance calculated from the date of entry of this Consent Decree. The first payment of \$1,000 shall be due within 90 days of entry of this Consent Decree. The subsequent payment of \$1,000 shall be due one year from entry of the Consent Decree. Settling Defendant may accelerate these payments, and Interest due on the accelerated payments shall be reduced accordingly. If Settling Defendant's business is sold, liquidated or transferred prior to the third anniversary payment, the entire remaining balance is immediately due and payable.

6. Payments shall be made by certified or cashier's check made payable to "U.S. Department of Justice," referencing the name and address of the party making payment, the EPA Region and Site Spill ID Number A514, DOJ Case Number 90-11-3-09026, and the civil action number 06-cv-0816. Settling Defendant shall send each check to:

Financial Litigation Unit  
U.S. Attorney's Office  
for the Western District of Michigan  
P.O. Box 208  
Grand Rapids, MI 49501-0208

7. At the time of each payment, the Settling Defendant shall also send notice that its payment has been made to EPA and DOJ in accordance with Section XIII (Notices and Submissions). Such notice shall reference EPA Region 5, Site/Spill Identification Number A514, DOJ case number 90-11-3-09026, and the civil action number 06-cv-0816.

8. The total amount of each payment to be paid by the Settling Defendant pursuant to Paragraph 5 shall be deposited by EPA in the EPA Hazardous Substance Superfund.

#### **VII. FAILURE TO MAKE PAYMENT**

9. Interest on Late Payments. If Settling Defendant fails to make any payment under Paragraph 5 by the required due date, all remaining installment payments and all accrued Interest shall become due immediately upon such failure. Interest shall continue to accrue on any unpaid amounts until the total amount due has been received.

10. Stipulated Penalty.

a. If any amounts due under Paragraph 5 are not paid by the required date, the Settling Defendant shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 9, \$100 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "stipulated penalties" and shall be made by certified or cashier's check made payable to "EPA Hazardous Substance Superfund." The check, or a letter accompanying the

check, shall reference the name and address of the party making payment, the Site name, the EPA Region and Site Spill ID Number A514, DOJ Case Number 90-11-3-09026, and Civil Action No. 06cv0816, and shall be sent to:

Financial Litigation Unit  
U.S. Attorney's Office  
for the Western District of Michigan  
P.O. Box 208  
Grand Rapids, MI 49501-0208

c. At the time of each payment, the Settling Defendant shall send notice that payment has been made to EPA and DOJ in accordance with Section XIII (Notices and Submissions).

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

11. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse the Settling Defendant from payment as required by Section VI or from performance of any other requirements of this Consent Decree.

#### **VIII. COVENANT NOT TO SUE BY UNITED STATES**

14. Except as specifically provided in Section IX (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against the Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), to recover Past Response Costs. With respect to present and future liability, this covenant shall take effect upon receipt by EPA of the first payment required by Section VI, Paragraph 5 (Payment of Response Costs) and any amount due under Section VII (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by the Settling Defendant of its obligations under this Consent Decree, including

but not limited to, payment of all amounts due under Section VI (Payment of Response Costs), and any amount due under Section VII (Failure to Comply with Consent Decree). This covenant not to sue is also conditioned upon the veracity and completeness of the Financial Information provided to EPA by the Settling Defendant. If the Financial Information is subsequently determined by EPA to be false or, in any material respect, inaccurate, such Settling Defendant shall forfeit all payments made pursuant to this Consent Decree and this covenant not to sue and the contribution protection in Paragraph 21 shall be null and void. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the United States' right to pursue any other causes of action arising from such Settling Defendant's false or materially inaccurate information. This covenant not to sue extends only to the Settling Defendant and does not extend to any other person.

**IX. RESERVATION OF RIGHTS BY UNITED STATES**

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against the Settling Defendant with respect to all matters not expressly included within the Covenant Not to Sue by United States in Paragraph 14. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against the Settling Defendant with respect to:

- a. liability for failure of the Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based upon the Settling Defendant's ownership or operation of the Site, or upon the Settling Defendant's transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and
- e. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs.

16. Notwithstanding any other provision of this Consent Decree, EPA reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information provided by Settling Defendant, or the financial certification made by Settling Defendant in Paragraph 24, is false or, in an material respect, inaccurate.

**X. COVENANT NOT TO SUE BY SETTLING DEFENDANT**

17. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Michigan State Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

Except as provided in Paragraph 19 (Waiver of Claims) and Paragraph 23 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 15 (c) - (e), but only to the extent that the Settling Defendant's claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

18. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

19. Settling Defendant agrees not to assert any CERCLA claims or causes of action that it may have for all matters relating to Past Response Costs, including for contribution, against any other person. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to Past Response Costs against Settling Defendant.

**XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

20. Except as provided in Paragraph 19, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Decree may have under applicable law. Except as provided in Paragraph 19, the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which they may have with respect to any matter, transaction, or occurrence relating in any way to Past Response Costs against any person not a Party hereto.

21. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendant is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Response Costs. The “matters addressed” in this Consent Decree do not include those response costs or response actions as to which the United States has reserved its rights under this Consent Decree (except for claims for failure to comply with this Decree), in the event that the United States asserts rights against Settling Defendant coming within the scope of such reservations.

22. Settling Defendant agrees that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within 10 days of service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

23. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by United States set forth in Section VIII.

## **XII. CERTIFICATION OF SETTLING DEFENDANT**

24. Settling Defendant hereby certifies that, to the best of its knowledge and belief, after thorough inquiry, it has:

a. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or other information relating to its potential liability regarding the Site since notification of potential liability by the United States or the filing of suit against it regarding the Site, and that it has fully complied with any and all EPA requests for information regarding the Site and Settling Defendant’s financial circumstances pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927; and

b. submitted to EPA Financial Information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially

changed between the time the Financial Information was submitted to EPA and the time the Settling Defendant executes this Consent Decree.
