

opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

DEPARTMENT OF EDUCATION

Office of Management; Senior Executive Performance Review Board; Membership

AGENCY: Department of Education.

ACTION: Notice of Membership of the Performance Review Board.

SUMMARY: The Secretary announces the members of the Performance Review Board (PRB) for the Department of Education for the Senior Executive Service (SES) performance cycle that ended September 30, 2005. Under 5 U.S.C. 4314(c)(1) through (5), each agency is required to establish one or more PRBs.

Composition and Duties

The PRB of the Department of Education for 2005 is composed of career senior executives, noncareer senior executives, and Presidential appointees.

The PRB reviews and evaluates the initial appraisal of each senior executive's performance, along with any comments by that senior executive and by any higher-level executive or executives. The PRB makes recommendations to the appointing

authority relative to the performance of the senior executive, including recommendations on performance awards. The Department of Education's PRB also makes recommendations on SES pay adjustments for career senior executives.

Membership

The Secretary has selected the following executives of the Department of Education to serve on the PRB of the Department of Education for the specified SES performance cycle: Chair: Michell Clark, Robin Gilchrist, John Higgins, Cheryl Oldham, Kent Talbert, Margo Anderson, Dennis Berry, Harry Feely, Patricia Guard, Danny Harris, Gary Hopkins, Jeanette Lim, Philip Link, Andrew Pepin, Thomas Skelly, Ricky Takai, and Veronica Trietsch. Alternates include: Sue Betka, Susan Bowers, and John McGrath.

[Docket No. CP06-10-000]

Dominion Transmission, Inc.; Notice of Application

October 28, 2005.

Take notice that on October 24, 2005, Dominion Transmission, Inc., (Dominion), 120 Tredegar Street, Richmond, Virginia 23219, filed with the Commission an application, pursuant to section 7(b) of the Natural Gas Act, for authorization to reclassify from jurisdictional transmission to gathering, exempt from the Commission's jurisdiction under section 1(b) of the NGA: (1) Approximately two 500 horsepower compressor units at its Hastings compressor station; and (2) 218 feet of 12-inch diameter pipe on Line H-1 and five feet of 12-inch diameter pipe on Line H-10, all in Wetzel County, West Virginia, as more fully set forth in the application which is open to public inspection. This filing may be also viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERConline Support at FERConlineSupport@ferc.gov or toll free at (866) 208-3676, or TTY, contact (202) 502-8659.

Any questions regarding this application should be directed to Margaret H. Peters, Senior Counsel, Dominion Resources Services, Inc., 120 Tredegar Street, Richmond, Virginia 23219, or via telephone at (804) 819-2277, facsimile number (804) 819-2183, and e-mail: margaret_h_peters@dom.com.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211)

and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests and interventions via the Internet in lieu of paper. See, 18 CFR 385.2001(a) (1) (iii) and the instructions on the Commission's Web site (www.ferc.gov) under the "e-Filing" link.

Comment Date: November 17, 2005.

Secretary.
