Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before June 15, 2004.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process

would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

DEPARTMENT OF EDUCATION

National Institute on Disability and Rehabilitation Research (NIDRR); Notice of Extension

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice of extension of project period and waiver for the National Center for the Dissemination of Disability Research (NCDDR) Project.

SUMMARY: The Secretary waives the requirements in Education Department General Administrative Regulations (EDGAR), at 34 CFR 75.250 and 75.261(a) and (c)(2), respectively, that generally prohibit project periods exceeding 5 years and project period extensions involving the obligation of additional Federal funds. This extension of project period and waiver will enable a Disability and Rehabilitation Research Project (DRRP) that conducts research on issues relating to the dissemination and utilization of research results developed through NIDRR grants and contracts to receive funding from October 1, 2004, until September 30, 2005.

EFFECTIVE DATE: This notice is effective May 17, 2004.

FOR FURTHER INFORMATION CONTACT:

Donna Nangle, U.S. Department of Education, 400 Maryland Avenue, SW., room 3412, Switzer Building, Washington, DC 20202-2645. Telephone: (202) 205-5880 or via Internet: donna.nangle@ed.gov.

If you use a telecommunications device for the deaf (TDD), you may call the TDD number at (202) 205-4475.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**.

SUPPLEMENTARY INFORMATION: NIDRR supports the goals of the President's New Freedom Initiative (NFI) and the National Institute on Disability and Rehabilitation Research Long Range Plan (Plan) to improve rehabilitation services and outcomes for individuals with disabilities.

Note: The NFI can be accessed on the Internet at the following site: <http://www.whitehouse.gov/news/freedominitiative/freedominitiative.htm>.

The Plan can be accessed on the Internet at the following site: <http://www.ed.gov/rschstat/research/pubs/index.html>.

In accordance with the goals of the NFI and the Plan, and as authorized under section 204(a)(1) of the Rehabilitation Act of 1973, as amended, through NIDRR, the Department provides funding for projects to improve services and outcomes for individuals with disabilities. In order to foster more efficient use of Federal funds for the DRRP program, the Secretary intends to refocus the priorities for dissemination and utilization of research results and provide funding for new awards in fiscal year (FY) 2005.

The grant for the NCDDR currently administered by the Southwest Educational Development Laboratory, Austin, Texas, is scheduled to expire September 30, 2004. It would be contrary to the public interest, however, to have any lapse in the research and related activities conducted by NCDDR before the refocused priorities can be implemented and new awards granted for FY 2005.

To avoid any lapse in research and related activities before the refocused priorities can be implemented, therefore, the Secretary has decided to fund this project until September 30, 2005. Accordingly, the Secretary waives the requirements in 34 CFR 75.250 and 75.261(a) and (c)(2), which prohibit project periods exceeding 5 years and extensions of project periods that involve the obligation of additional Federal funds.

Waiver of Proposed Rulemaking

Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, the waiver of the requirements in 34 CFR 75.250 and 75.261 applicable to the maximum project period and extension of the project period for these grants on a one-time only basis is procedural and does not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), proposed rulemaking is not required.

In addition, given the fact that the additional period of funding is only for
