Zap The Zebra!

The Zebra Mussel

When you leave a body of water:

- Inspect and remove any visible mud, plants, fish or animals before transporting equipment.
- Eliminate water from equipment before transporting.
- Clean and dry anything that comes into contact with water (boats, trailers, equipment, clothing, etc.).
- Never release plants, fish or animals into a body of water unless they came out of that body of water.

If You See A Zebra Mussel Please Call
