Chapter 14 - Summary of Sediment Injury for the Assessment Area

Figure 14.1. Areal extent of injury to surficial sediments in the Assessment Area.

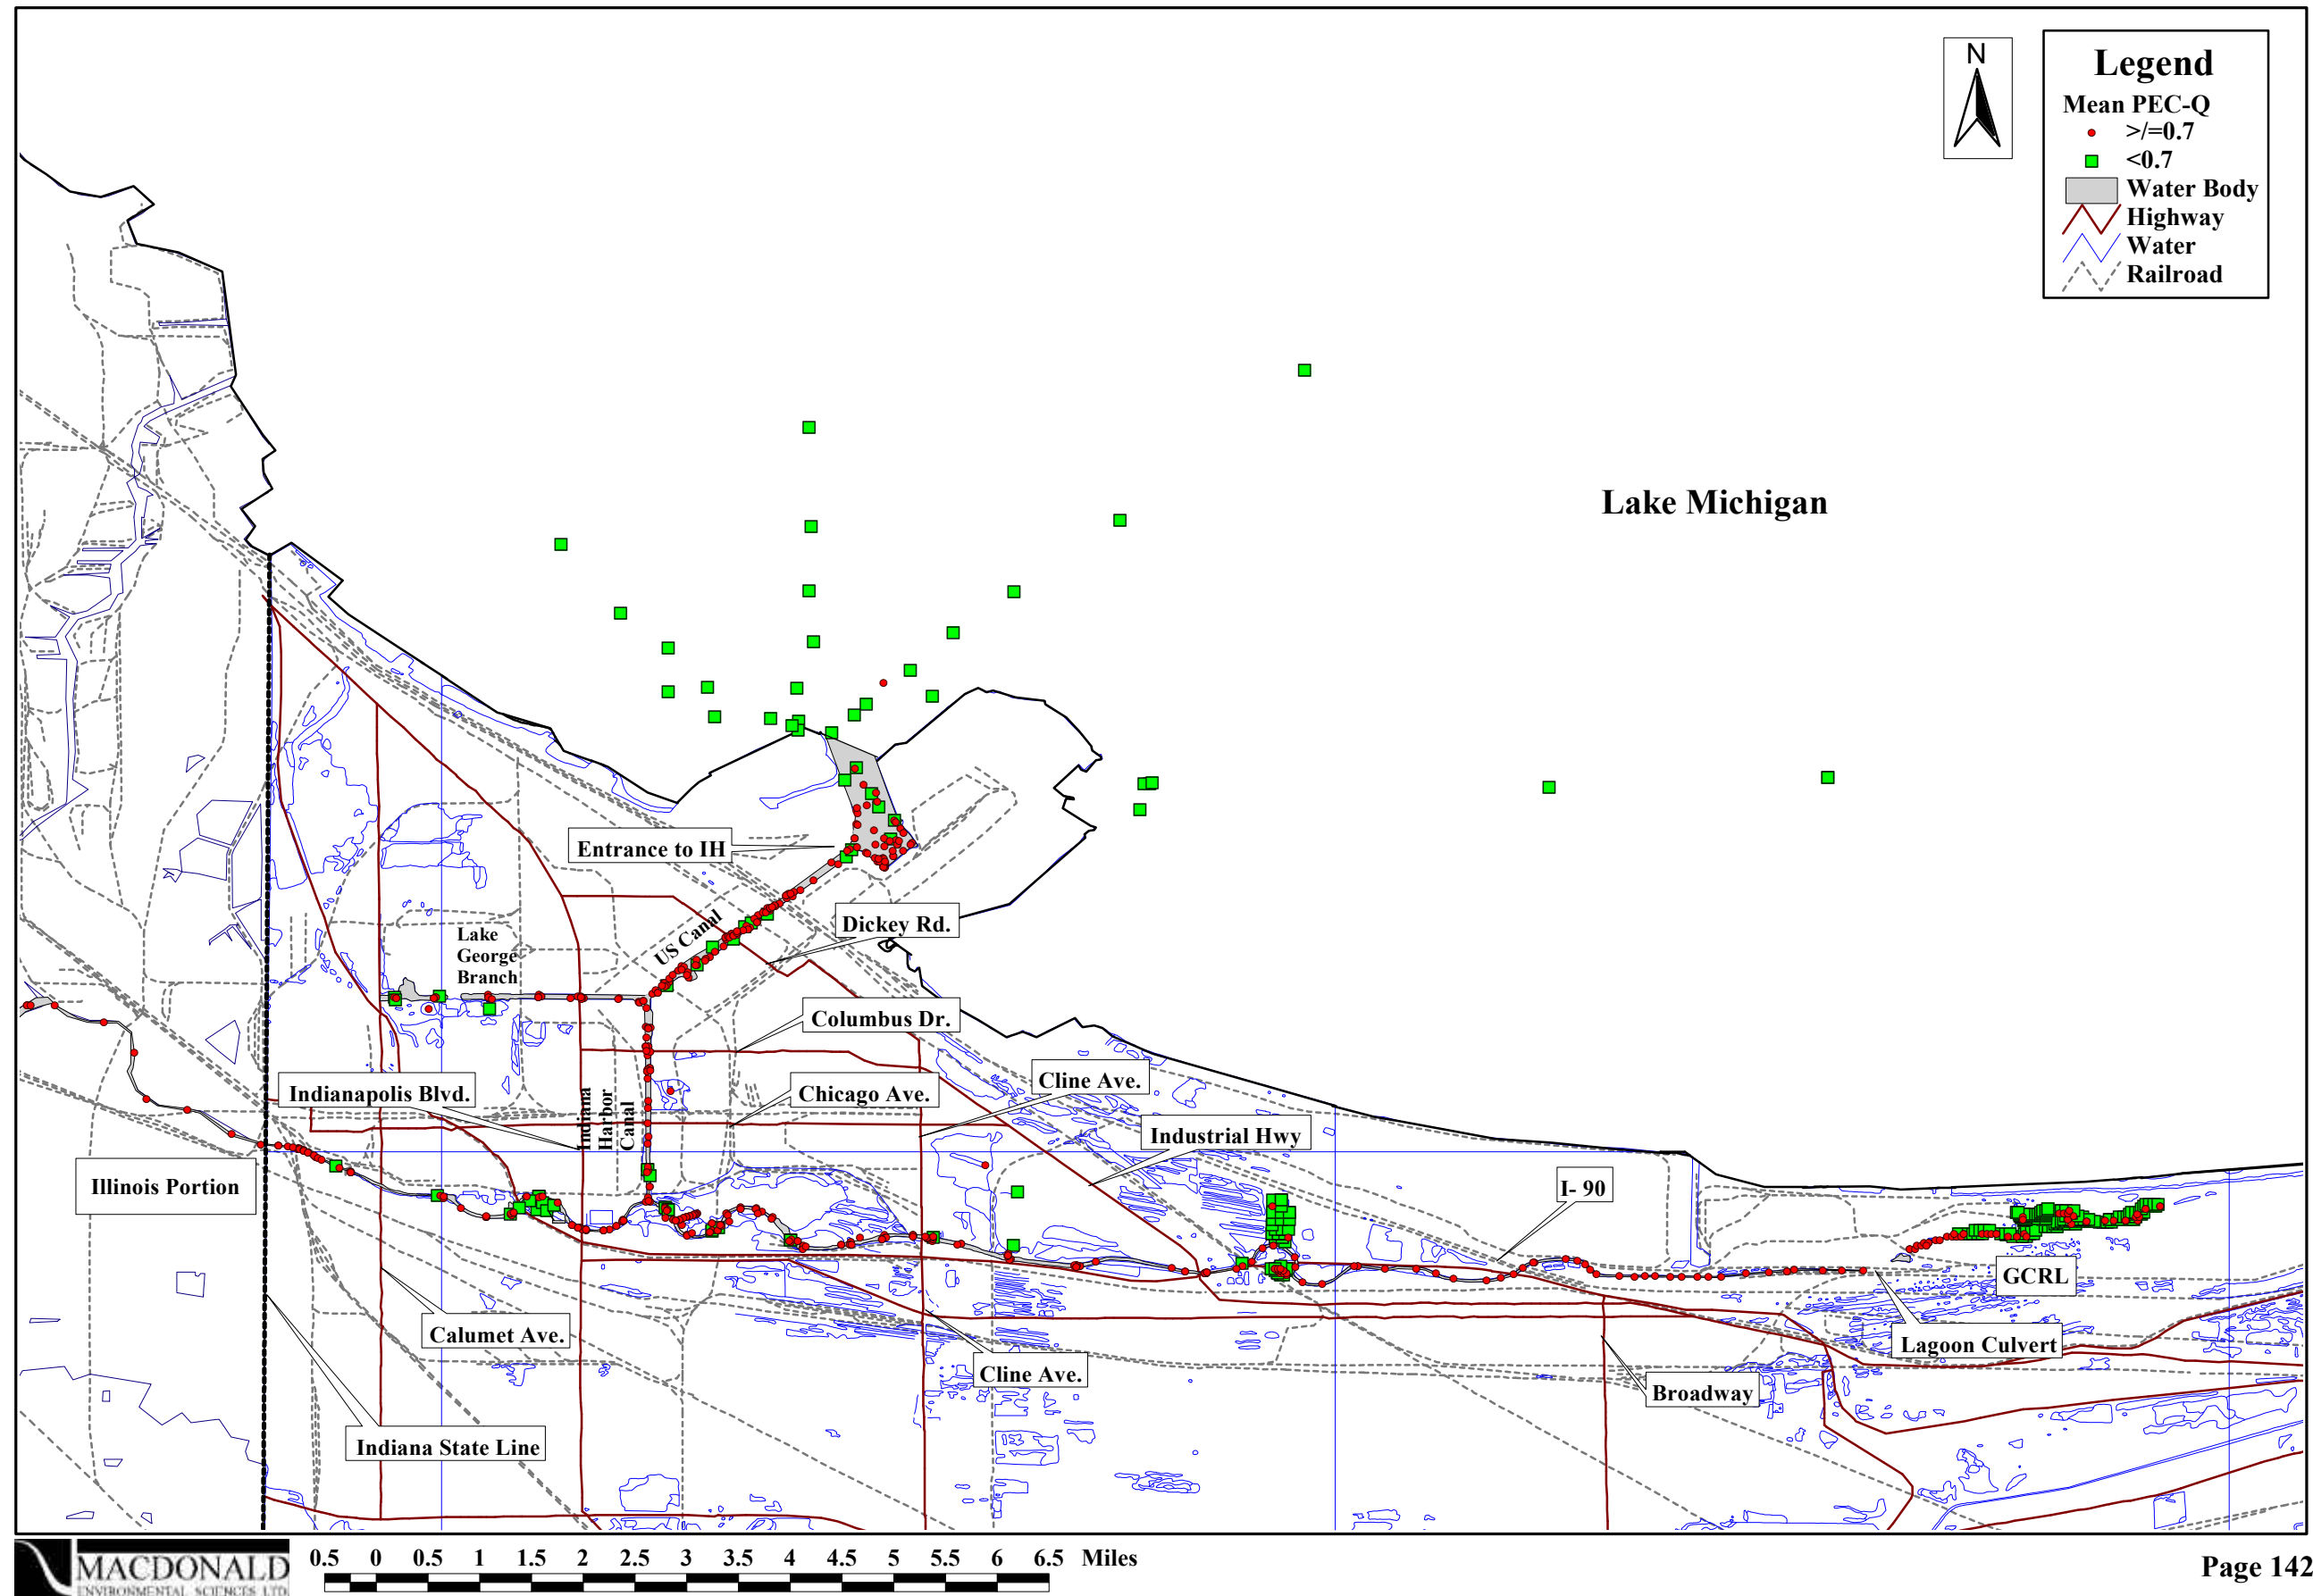

Figure 14.2. Areal extent of injury to sub-surface sediments in the Assessment Area.

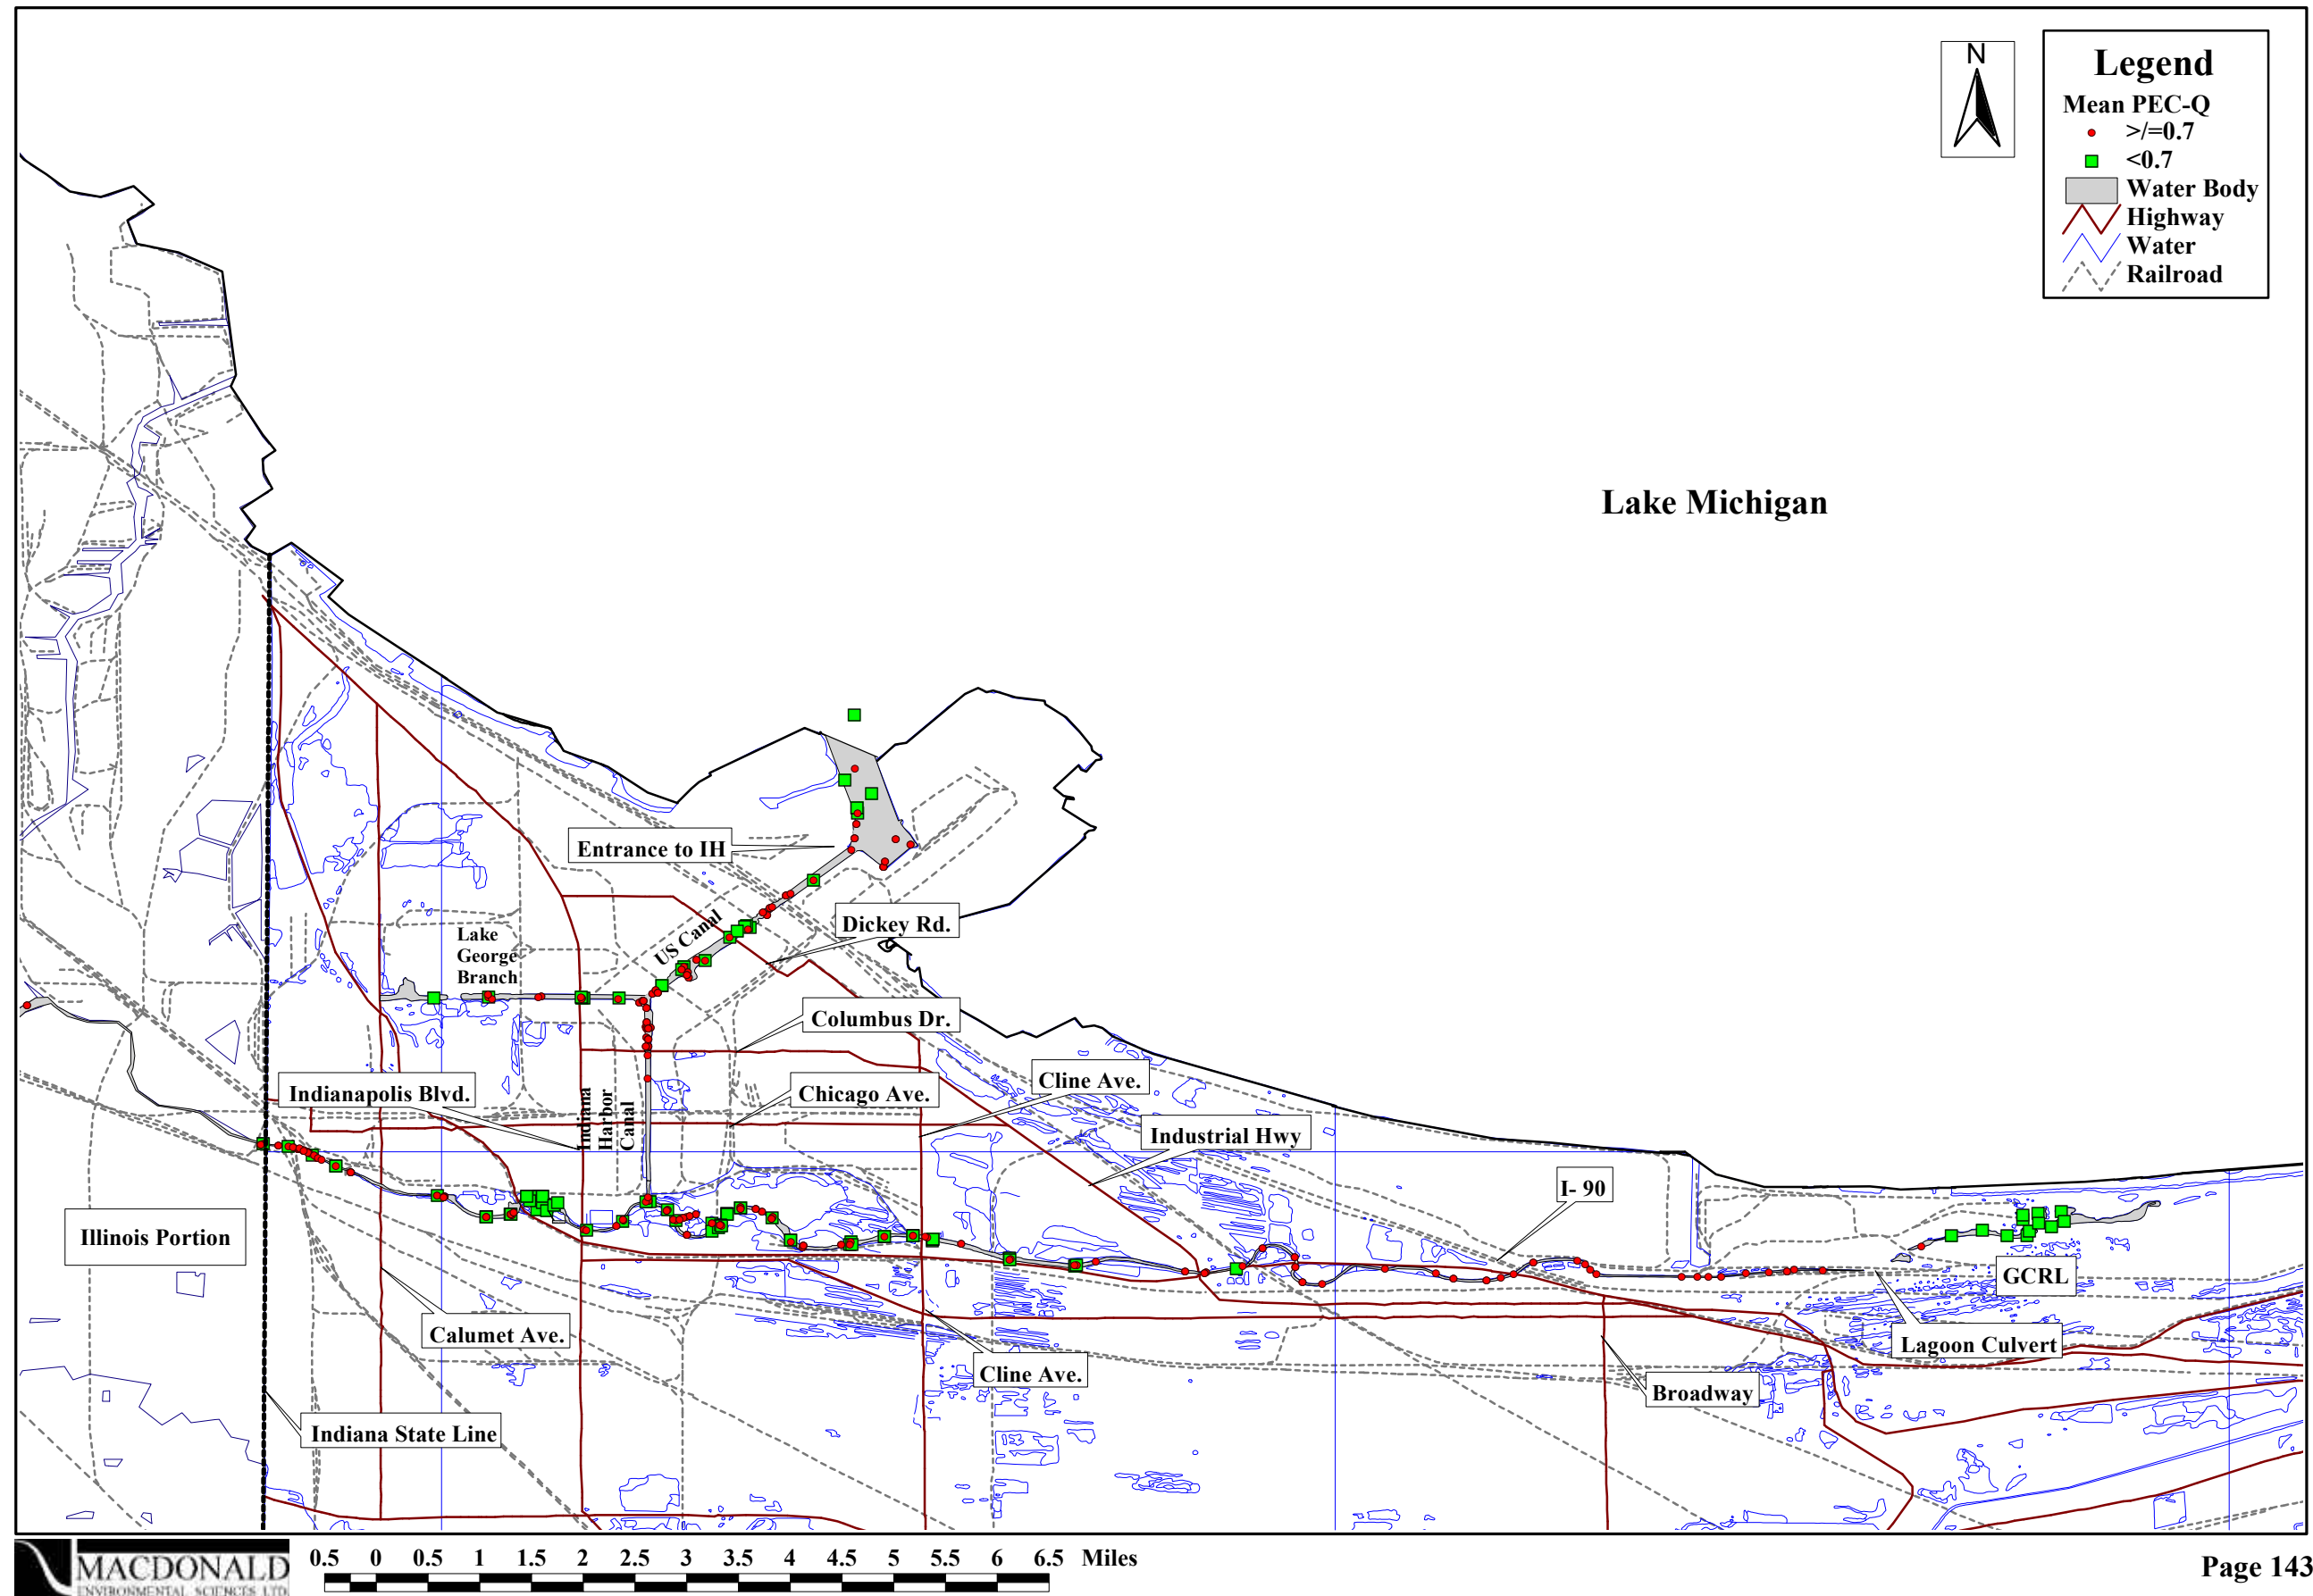

Figure 14.3. Areal extent of sediment toxicity in Assessment Area.

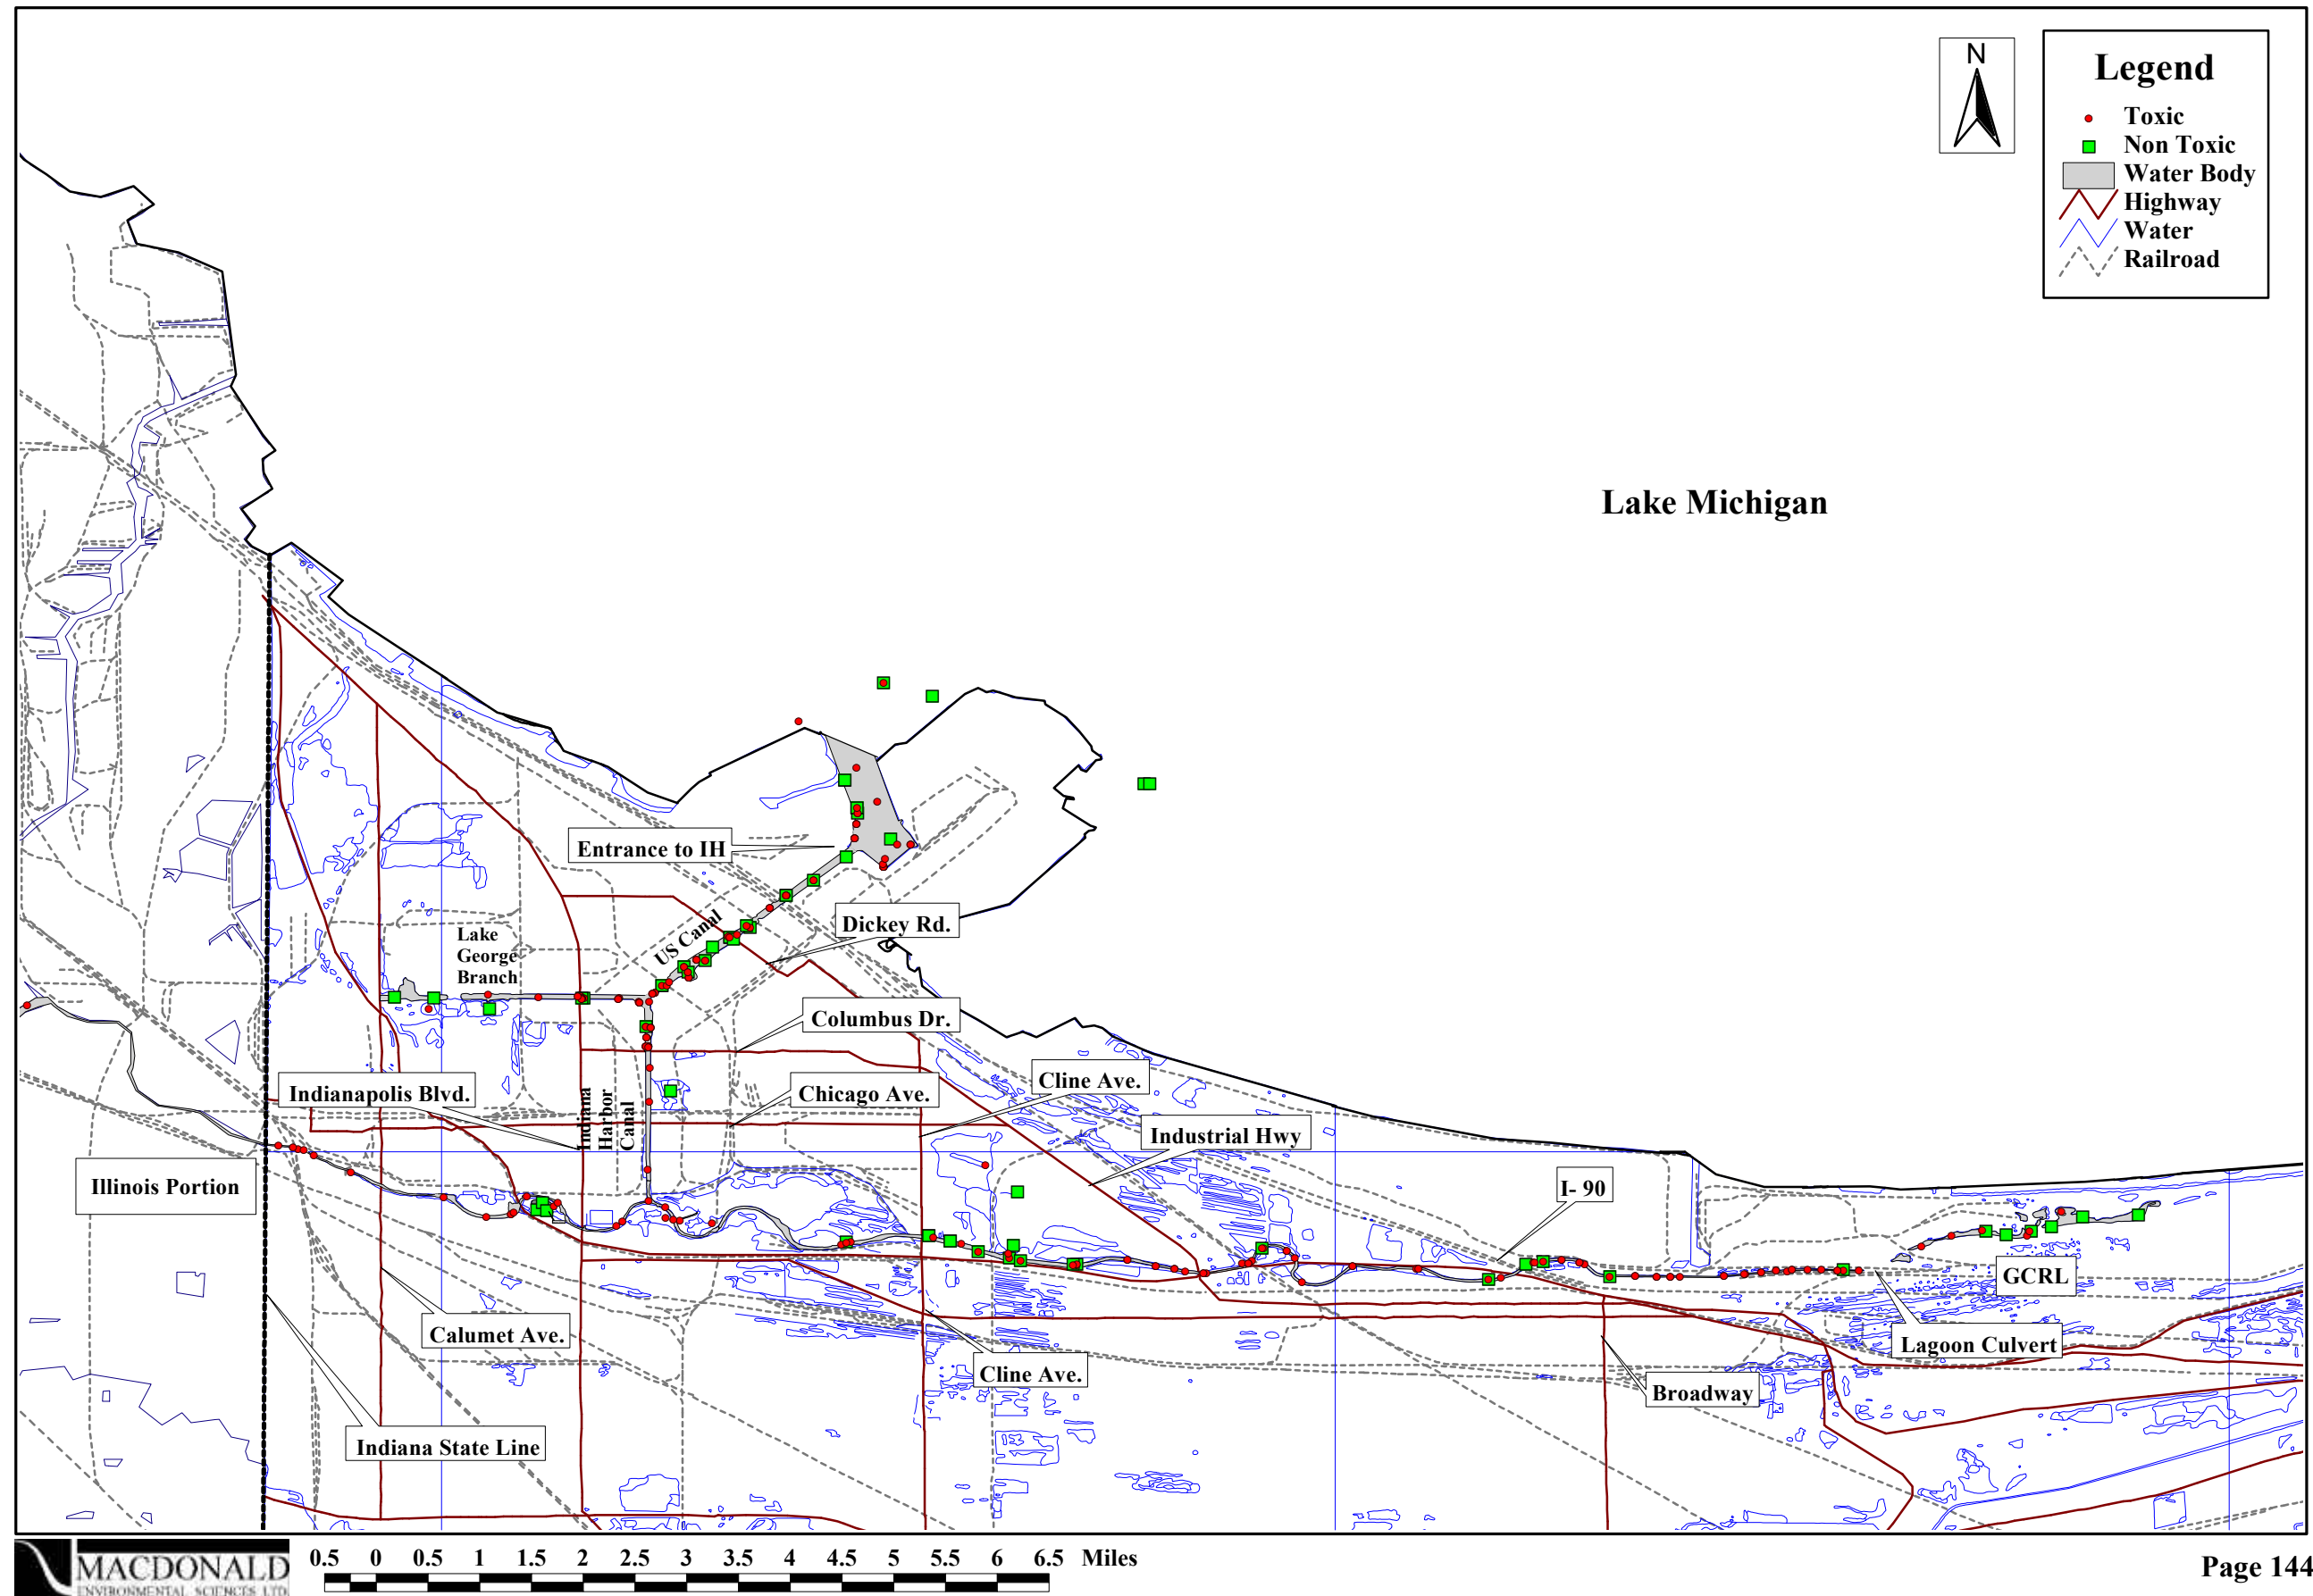

Figure 14.4. Areal extent of altered and unaltered benthic invertebrate communities in the Assessment Area.
